VINYL AFCO-RAIL

STRUCTURE  
&  
STYLE

# VINYL AFECO-RAIL

Your home's front porch is its greeting. It's where you sit with your family and wave to the neighbors passing by. It's where you greet visitors and give your goodbyes when they depart. Nothing speaks to the hospitality of your home like your front porch.

You want your home's front porch to convey the warmest of welcomes. The traditional aesthetic *Style* of the Vinyl AFCO-Rail system can help create your home's warm greetings while providing the strength in *Structure* to ensure that all who visit are protected.

Vinyl AFCO-Rail is available in several sizes and styles to suit your front porch's specific requirements, and in a traditional White finish which calls to the classic elements of a home's greeting.

Come right in. We're glad to have you.

Maintenance-free vinyl offers value in traditional handrail styles.

Classic “Breadloaf” Top Rail Design.

---

Unique Pultruded Fiberglass Top Rail Structural Insert does not require a metal cutting blade to trim the product in the field nor will it rust over time like other structural inserts.

---

Collar Style Brackets provide easy, forgiving rail installation.

---

Snap-in Balusters makes rail panel assembly a breeze.
