Join us on our group departure to Ireland with an emphasis on Walking / Hiking and Rambling and a little bit of running thrown in for good measure. Of course no trip to Ireland would be complete without an opportunity to engage with the local community and this tour is designed so that you will enjoy the main attractions that we all know and love including Dublin City centre, but also to showcase some of the spectacular scenery, heritage, cuisine and culture that you can only find with CIE Tours and Vision Travel. Our tour leader Garth Millar is a native of Northern Ireland and Garth has designed this tour to highlight the main attractions but also to take us to a few lesser known but equally spectacular attractions that are known all over the world thanks to Game of Thrones and include Castle Ward, Giants Causeway, Carrick-A-Rede Rope Bridge and the world famous Titanic Center in Belfast.

We will have our own dedicated luxury bus for this tour as well as a CIE tours driver/guide which means we have a degree of flexibility with our itinerary unique to our group. The walking and hiking will be varied each day and will be weather dependent. Please be prepared for every weather condition as conditions can vary each day in Ireland. Hiking boots, warm clothes and a change of clothes each day is recommended.

If you have any questions or wish to reserve your spot on this tour please contact Garth or Helena at Vision Travel on 506 214 1085 or 1 877 210 1085 or E-mail – Helena.millar@visiontravel.ca

Today we travel north into County Down, Northern Ireland and travel to Castle Ward, an 18th century eccentric country house set amongst 820 acres of walled demesne with trails, exotic gardens, stunning vistas and picturesque farmyard. Upon arrival enjoy an 8 mile (14k) walk around the extensive property.

Castle Ward – transformed in the above photo into Winterfell where the House of Stark rules over his people. Did you know Game of Thrones® was filmed at Castle Ward? The hit HBO series has become a worldwide phenomenon and has just been commissioned for a fifth and sixth series. Castle Ward's historic farmyard is the location of Winterfell, the backdrop for the series pilot and much of season one. It's also where you will find the Whispering Wood and key scenes including Robb Stark's Camp, the Baelor battle and when Brienne confronts the Stark men. See the gothic and classical collide at Castle Ward, an eccentric 18th-century mansion resting on a rolling hillside and looking out over the tranquil waters of Strangford Lough in County Down. Walk along the Lough trail or through the sheltered woodlands and spot butterflies, rabbits, ducks and swans. Step into a fantasy world of castles and dragons as you explore the Georgian farmyard and the Lough shore, film locations for the smash hit television series Game of Thrones. Stroll through the sunken garden and see vivid reds, yellows, greens and pinks from flowers and subtropical plants in this four tier Victorian garden.

Follow some of the trails featured in Games of Thrones on our Castle Ward walk with spectacular views

Then travel via Strangford ferry to Belfast, which is situated on the deep inlet of Belfast Lough. Check into your hotel and take some time to settle into your room. The richly decorated interior contains stained glass portraying Belfast's principal industries. Stop to take a guided walk around the Belfast Castle property. Then travel to the Titanic Quarter and visit Titanic Belfast. Embark on a journey through the life of the Titanic, from her conception in Belfast in the early 1900's, through her construction and launch, to her famous maiden voyage and tragic end. Through state of the art technology, the exhibitions nine interactive galleries take you back to the sights, sounds and stories of Titanic as well as the City and people which made her. Friday 30 September - Carrick-A-Rede Rope Bridge and Giants Causeway

Depart Belfast and drive north to experience one of Ireland's popular scenic routes along the coast road. Here, you'll see the "Nine Glens of Antrim" which offer wonderful views of mountains, valleys and coastline. Stop en-route to visit Carrick-A-Rede Rope bridge which spans a chasm of some 80 feet. Its construction once consisted of a single rope handrail and widely spaced slats, which the fishermen would traverse across with salmon they caught off the island. This swinging rope bridge is not for the faint hearted, but the coastal views are wonderful, even without crossing the bridge. Then we will walk, a trek of roughly 17km with spectacular views of sea and countryside on our way to visit the Giants Causeway, an impressive area of hexagonal columns formed over 60 million years ago by cooling lava. Return to Belfast, to sightsee, shop and dine on your own.
