Director's Desk

Invitation and a Warm Welcome:

Dear Corporate Leader,

We welcome you and request your continued support and contribution to enhance the professional education of women. We would like to invite your organization to participate in the placement program 2014 – 15 and look forward to a long and continued association with you.

Dr. Meera Shanker
Director (I/C) -JDBIMS

INTRODUCTION:

Jankidevi Bajaj Institute of Management Studies (JDBIMS), SNTD Women's University (SNTD WU), established in 1997 has served the Indian society by educating a large number of young women to occupy positions of responsibility in the higher echelons of management.

The stated mission of JDBIMS is, 'To become a Knowledge Institute in the field of Management education & application with special reference to women.'

The goals, JDBIMS has set for it to make the mission a reality, are:

1. Academic Leadership – by imparting high quality education, partnering with other institutions and industries, specifically addressing the needs of women.
2. Corporate Leadership – by striving to create a leadership pipeline of women managers to occupy the upper echelons of leadership in the Industry; both India and Global.
3. Entrepreneurial Leadership – by encouraging the students and alumnae to become entrepreneurs by providing infrastructure and incubation facilities.

4. Governance and Leadership – by addressing the need for increasing number of women to take up positions of governance that can influence policy formation and decision making with workshops, MDP and Consulting.
5. Societal Leadership – developing women leaders capable of articulating the need for a more just and equitable society addressing issues such as CSR.

These goals though worthy, need relentless pursuit and perseverance, and need to be built into the character of the organization. A management school like JDBIMS can remain relevant only, if it is able to read the signs of the times, reinvents it, and addresses the issues of the times. The present day market realities and employment opportunities, and the position that a woman rightly deserves are the concerns of JDBIMS. Some of you have been involved; sharing your concerns and commitment by training our students and employing them. It is with great pleasure that we place on record our appreciation with thanks for your support and that of your esteemed organization.

We look forward to receiving you.
Thank you & with best regards.

SNDT Women's University

(Shreemati Nathibai Damodar Thackersey Women's University
Reaccredited by NAAC, Awarded "A" Grade)

- SNDT Women's University is the first Women's university in India as well as in South-East Asia. The University was founded by Maharshi Dr. Dhondo Keshav Karve in 1916 for a noble cause of Women's Education. The first five women graduated in 1921 from this University. The University Headquarters is in Churchgate Campus, Mumbai and the other two campuses of this University are at Juhu, Mumbai and Karve Road, Pune.
- SNDT Women's University is committed to the cause of women's empowerment through access to education, particularly higher education, through relevant courses in the formal and non-formal streams. The university is committed to meet the changing socio-economic needs, with human values and purposeful social responsibility and to achieve excellence with "Quality in every Activity" through vocational and professional courses for women. The motto of the university is "An enlightened woman is a source of infinite strength".
- SNDT Women's University is in top 50 multi-disciplinary universities of India and ranked sixth in Western India according to the Week-Hansa Research ranking of 2016.

Jankidevi Bajaj Institute of Management Studies (JDBIMS)

- JDBIMS is the Institute for management studies of SNTD Women's University.
- It is a part of the bold initiative taken by the SNTD Women's University in the field of professional education for women.
- JDBIMS is named after Smt. Jankidevi Bajaj, a distinguished representative of Indian womanhood who worked for the awakening and emancipation of women.
- JDBIMS was established on August 17, 1997 with the launch of a two year full time Masters' degree program in Management studies (MMS), PhD program in Management studies and very intensive part time one year Post graduate diploma courses.
- From the academic year 2001-2002, the institute is functioning in its building at the University's Juhu campus. It is fully equipped with all modern facilities.
- The institute is headed by the Director and is supported by a team of dedicated faculty. A large number of specialists from the world of business and industry are involved in the teaching and mentoring.

Student's Committee

Events:

We at JDBIMS, not only support success in academics but, also hold an upper hand in organizing various events. The events committee organizes formal events such as seminars, conferences, etc. We believe in celebrating the joys of our culture & hence, we organize various cultural programs.

Magazine (Illuminati):

“Illuminati” is a magazine published by JDBIMS twice a year. Illuminati committee has four members who always ensure that students are encouraged enough to bring their writing talent in the paper.

Sports:

All work and no play makes a person dull, and dullness is something JDBIMS is not acquainted with. So to keep students active, we have a sports committee who conducts various sports for the students.

Public Relations:

Public Relations committee handles JDBIMS web portals, maintaining and updating information on social media sites such as Facebook and Instagram, communicating with faculty and writing speeches and articles.

Corporate Industrial Visits:

JDBIMS strengthens its industrial connections with students' industrial visits at various industries. The objective of this committee is to provide students with a right blend of theoretical learning and an opportunity to witness how concepts are utilized and to make students relate to the value chain as followed by firms.

Placement Committee

JDBIMS has a placement committee consisting of a coordinator and dedicated placement team. The members of the team are always on their toes to co-ordinate with the corporate and industry connect where students can find better opportunities. A proper structure for the placements is regularised for the students.

Students Club

Ingenium – The HR Club:

Ingenium, the HR Club helps the students in developing interpersonal skills which are required to flourish in the corporate world. This club ensures active participation of the students. Events organised by the club are Ice – breaker, Caption writing, Team building games and quiz.

Finnascent – The Finance Club:

Finnascent is the finance club formed by the students of the finance department. Its aim is to enhance the skills and knowledge of the students. The events organised by the clubs are Bizz quiz, Speaker session, Sell – a – thon and Mock – Stock.

Samvid – The Marketing Club:

Samvid is the marketing club which aims at making a creative person more innovative. There are different kinds of activities and competitions like logo creation, Marketing Games and some club meetings to discuss new marketing trends.

Why JDBIMS

- JDBIMS is the only business school exclusively for women affiliated to SNDT Women's University offering MBA and MMS courses.
- The institute strives to create a global movement of high-level female entrepreneurs that support guide and inspire emerging female founders to become future business leaders through education, mentoring, wisdom and experience of successful entrepreneurs.
- JDBIMS comes under the umbrella of SNDT Women's University which has a grand legacy of 100 years of providing education to women and building a prosperous career and creating future businesswomen.
- The students learn and create a base for the application of knowledge under the guidance of industry experts, mentors, corporate faculties from diverse industries.
- It is the first women's university in India and South East Asia, its first step towards Women empowerment.

Summer Internship Program (SIP)

“ The best test of one’s competence is the ability to apply what one learns”.

However, learning is a process with different phases. One of them is “ LEARNING BY DOING”. JDBIMS strives to equip its students to be competent and productive at work and therefore, has made internship as a part of its Masters program.

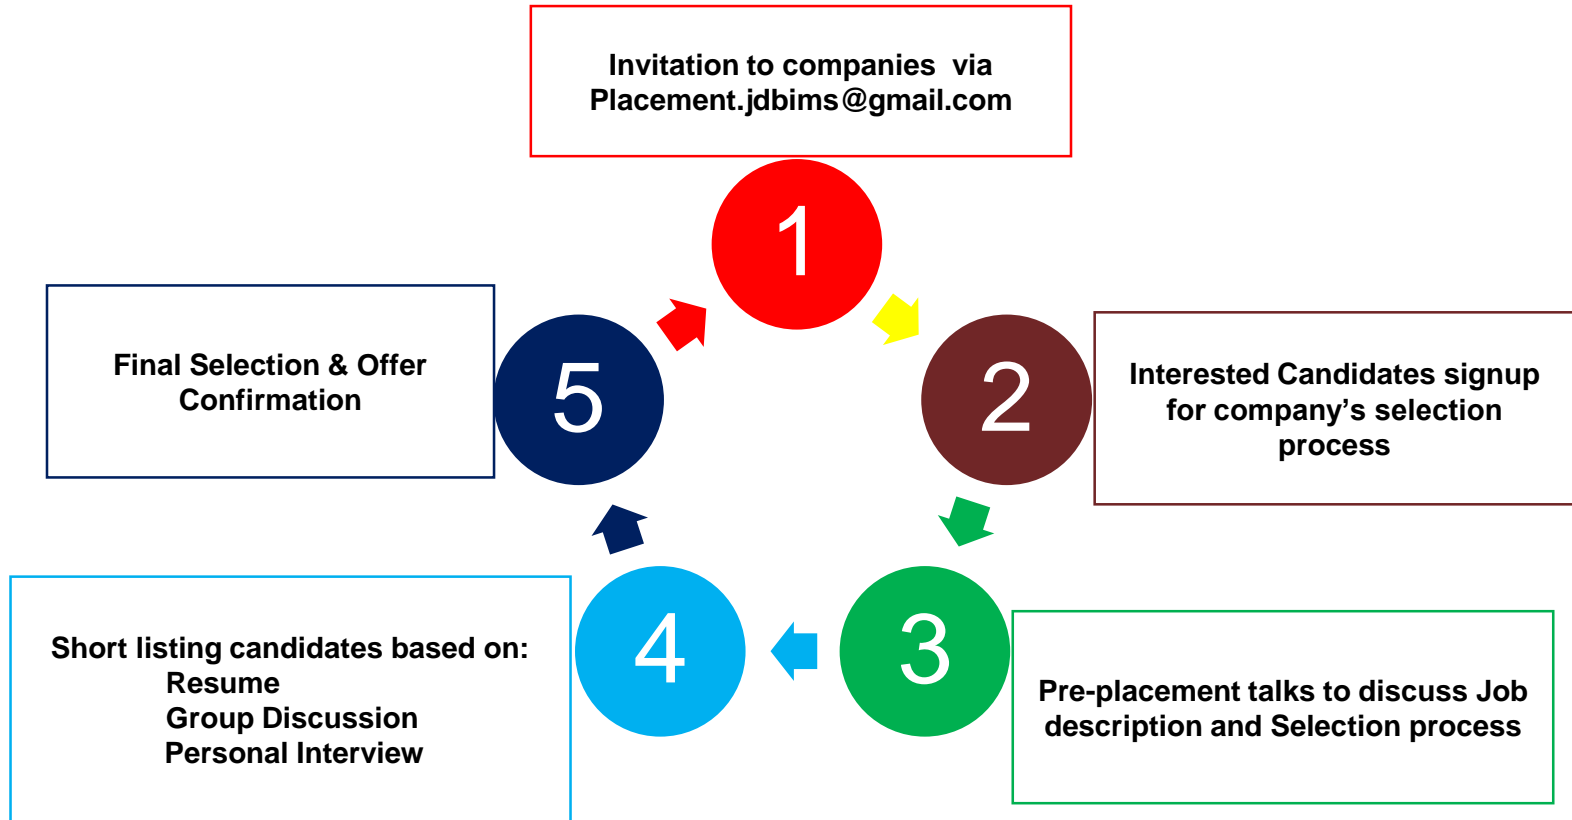

The main objectives of Summer Internship (May – June) are:

- To develop a personal work ethic and be able to investigate your career interests and prospective career goals.
- To develop specific skills and knowledge required ones potential career growth.
- To provide a better understanding of the issues that students might confront later.
- To present the learning experience that students had during their internship with a written report to the institute.
