

At Figo Ristorante we are passionate about our wine, so much so, that we selected 120 varieties of special wines.

The extensive selection of Italian wines are presented to you by area and region, making it easier for you to choose.

The wines selected from Australia, France and the rest of the world are of exceptional quality and complement our Mediterranean cuisine.

“It’s the grape which tells us what to do rather than us forcing them into a preconceived style”

Sommelier Vito Rosato & Daniele Galleano
