Dear Friends of Marywood,

We reach another milestone as we flip the calendar to 2021. Reflecting on how our lives have changed from a year ago at this time is really a mind boggling memory. The many changes as to how we do business and how we have added face masks to our wardrobe, was not in our mind's eye or even imagined. As you have made adjustments in your lives and families, so our Marywood family has too. Change is not always easy, but necessary and an affirmation of the many gifts and talents we have been given; things we never knew we had.

This Roots & Ripples has some standby programs and many new ones. Be sure to note the change in Women's Christmas this year, Jan. 6th 2021. With Zoom, space will not be an issue. Invite others to join you in this year's experience. I'm told we can have up to 999 women!

Thank you for your continued interest and support. Both are energizing and blessings for us. As you are receiving this issue in early December, and it includes both the Christmas and Easter holy/holidays, we want you to know we remember you in prayer and wish you a Merry Christmas and a Blessed Easter. From the infant in the crib at night to the sunrise at the sepulcher, may God's love permeate your being!

Sr. Elizabeth Amman, O.P.

Elizabeth Amman O.P.
Director

With great sadness we say good-bye to Sister Anita Beskar, FSPA, who is returning to St. Rose Convent In La Crosse after twelve years of generous service in the Marywood Community. Sister Anita is known for many gifts, not the least of which is her culinary expertise. During all these years she has baked a loaf of delicious bread for each person coming into one of the cabins. That's a lot of bread! We will miss her.

She has left footprints on our hearts! God bless you, Sister Anita!

For those of you involved with worship and church preparations, this is your heads-up: Lent is nearly here. This year Ash Wednesday is February 17. Congregation members need to be informed of your plans. This leaves a very small window between Christmas break and January publication due dates.

January 13 - Wednesday 6:00 - 8:00 p.m. (via Zoom)

Facilitator: Elizabeth Amman, OP

Have you ever wondered how God is working in your life? Have you ever wanted to talk to someone about your God journey? If you can answer yes to either of these questions, spiritual direction/guidance may be for you. Come to this introductory session and get your questions answered about this practice of "holy listening". *Register by Sunday, January 10.*

"Nothing is more practical than finding God, that is, than falling in a love in a quite absolute, final way. What you are in love with, what seizes your imagination will affect everything. It will decide what will get you out of bed in the mornings, what you will do with your evenings, how you spend your weekends, what you read, who you know, what breaks your heart, and what amazes you with joy and gratitude. Fall in love, stay in love, and it will decide everything."

Reflections from Grant

Recently I heard someone say that Marywood is only for Catholics or the religious. I also heard that it is only for women. It is true that Marywood is sponsored by the Franciscan Sisters of Perpetual Adoration, that many women religious and occasionally priests come here for retreat and that the attendance of our programs is mostly female, yet Marywood strives to serve everyone, female/male, young/old, spiritual seekers from every faith tradition.

Our staff includes Franciscans, Dominicans, Catholic Lay, Lutheran, and Unitarian. Priests, pastors, and church leaders of many different denominations come to Marywood for spiritual direction and other programs. There is a men's group who study spiritual readings and reflect on how they impact their lives. People come individually or with friends. We are starting to see couples come as well. There are those who claim to be "spiritual but not religious" and those who see spirituality widening the tent of religion.

So, while there are definitely those who have traditionally gravitated towards Marywood, there is also an invitation to all. Come and experience the kindness, openness, and hospitality of the Marywood staff. You will be in an opportune place to experience the peace of the One who is always with us.

Leaving a Legacy

Thank you for supporting the Marywood mission. Please consider remembering us in your will. A bequest established today guarantees a vital lifeline for our future.

Another opportunity available at this time is a Charitable IRA Distribution. Because the charitable rollover completely avoids the donor's tax return, the donor can effectively get both the standard deduction and the charitable contribution deduction.

As you reflect on various gift options, it is best to consult a financial advisor.

Marywood Franciscan Spirituality Center is owned and operated by Franciscan Sisters of Perpetual Adoration of La Crosse, Wisconsin, a 501(c) 3 not-for-profit charitable organization. All contributions are tax deductible as the law allows.

the day. *Register by Tuesday, February 16.*

February 20 - Saturday 9:00 - 2:00 p.m. (at

March 2 - Tuesday-Waterfalls

March 3 - Wednesday-Landscapes

9:00 a.m. - 3:00 p.m.

Oriental rice papers are tactilely stimulating and can provide desired surface enrichment leading artists in unanticipated directions. The oriental paper will be provided. Artists need to bring

watercolor supplies and 1/2 sheets of 140# cold press watercolor paper. Each class is independent of the other so one can choose March 1 or

2 or 3 as a single workshop or all three. Fee \$30.00 each day. Bring your own lunch. *Register by Monday, February 22.*

"Befriending Fear"

March 4 - Thursday 9:30 - 11:30 a.m. (via Zoom)

1:30 - 3:30 p.m. at Marywood

Presenter: Pat Pintens

What is fear? When are fears valid? When is it wise to be afraid? FDR admonished a fearful nation saying, "The only thing we have to fear is fear itself." Another saying asserts, "Your largest fear carries your largest growth." The most frequent scriptural message from God is, "Be not afraid." Let's explore how befriending our fears opens us to the grace within them and helps us grow from them.

Book Study: Let your Life Speak: Listening to the Voice of Vocation by Parker Palmer

March 8 - Monday 1:30 - 3:30 p.m.

Facilitator: Grant Van Lishout

Before I can tell my life what I want to do with it, I must listen to my life telling me who I am. I must listen for the truths and values at the heart of my own identity, not the standards by which I must live--but the standards by which I cannot help but live if I am living my own life.

Let the voice and wisdom of Parker Palmer guide our time together as we ponder, "What am I to do with my life?" *Register by Monday, March 1.*

April 6 - Tuesday: Broken-Pattern Techniques

April 7 - Wednesday: Overlay of Color-Feathering/Scumbling

Presenter: Karen Kappell, FSPA

Blending, rubbing one color into another so lines are softened is the most used technique in pastel painting. It is an excellent way to create skies and soft effects. **Broken-Pattern** is created by using short strokes that mix color visually at a distance. It is highly used by Impressionist painters. **Overlay of color** is a technique that uses very light strokes over another, feathering or scumbling and building a mixed color in the process. Each class is independent of

the other so one can choose one or two or three as a single workshop or all three. Bring soft pastels. Nu Pastels are preferred and the most adaptable to the three techniques. Fee \$30.00 each day. Bring your own lunch. *Register by Monday, March 29.*

Women's Christmas Re-envisioned

Many women from the North Woods and elsewhere have enjoyed Marywood's celebration of Women's Christmas for the last four years. Others may be anticipating their first time at the event in January 2021.

At this time the staff at Marywood regrets having to announce that, given the constraints of the pandemic; it will not be feasible to come together in person in January.

We offer instead as **gift** a virtual celebration on **January 6, 2021, 7:00-8:30 p.m.** via Zoom which will include the whole staff of Marywood and as many women from near and far who wish to participate. Together we will acknowledge the challenges of 2020, and celebrate the gifts of this most unusual year. Come join us and bring your friends the evening of January 6, 2021, the traditional feast of Epiphany. The program will be from 7:00 until 8:30. Please call to reserve your place. The **ZOOM** link will be sent later.
