THURSDAY AND FRIDAY WERE busy for the Javelina coaches, athletes and fans.

Darrell Green, former Javelina football player, was in town to take part in Friday events at the Douglass Center.

He spoke to the Javelina football players Thursday afternoon in Javelina Stadium.

Green is one of the three Javelinas in the Pro Football Hall of Fame, and is in numerous halls of fame including the Javelina Hall of Fame.

Thursday night, an overflow crowd attended the annual Javelina barbecue, hosted and sponsored by the Villarreal family and Big House Burgers & BBQ at Rancho Cielito Lindo in Bishop. The popular event had to be cancelled last year because of the pandemic.

Javelina athletes and coaches took part in the BBQ and the Douglass Center activities.

On a sad note, members of the Javelina family gathered Friday at noon on campus for a memorial for Joseph Fillmore, who was to have enrolled at TAMUK this fall.

He passed away after a bicycle accident last week in Corpus Christi.

He is the nephew of Cheryl Fillmore, former Javelina basketball player and athletic director at Corpus Christi West Oso High School, and the cousin of Creighton Avery, son of Cheryl and member of the Javelina basketball team.

Athletic activity picks up this weekend when the indoor volleyball team hosts its first Block Party Saturday at 6 p.m. in the Steinke Center. Doors open at 5 p.m. and the first 200 will receive pizza and t-shirts.

The 2021 squad will be introduced and there will be an intrasquad scrimmage.

Raffles and drawings will be held throughout the event.

THE JAVELINA MEN'S basketball team will play Texas A&M Nov. 1 in College Station in an exhibition game.

Game time will be 7 p.m.

The squads met in 2019 in an exhibition.

Buzz Williams, Aggie head coach, is a former Javelina assistant men's coach. His wife is the former Corey Norman, who played basketball for the Javelinas.

THE JAVELINA INDOOR volleyball team will have to be road warriors this fall.

There are three Lone Star Conference teams ranked in the NCAA Division II preseason poll and two others received votes.

The Javelinas are one of the squads and the other four are Angelo State, Texas-Tyler, Arkansas-Fort Smith and West Texas A&M. ASU is No. 1 and Tyler No. 20, and UAFS and WTAM received votes.

Former Javelina football player Darrell Green, center, poses with Javelina football players and a fan during an event at the Douglass Center Friday morning. The Javelinas will have to face the four on the road. They take on Angelo State Oct. 1 in San Angelo, Texas-Tyler Oct. 15 in Tyler, Arkansas-Fort Smith Nov. 13 in Fort Smith and West Texas Oct. 29 in Canyon.

NCAA.COM RAN a list of five things to watch for in Division II indoor volleyball this fall and No. 1 on the list was, “Angelo State looks to build on impressive spring DII volleyball season”.

“Now, to be fair, there was an AVCA spring national champion crowned. The 17-2 Rambelles first won the Lone Star Conference and then the national championship in the AVCA spring tournament. They did so by beating Tampa, a powerhouse program that won two national championships in the past decade.

“Angelo State should be set up nicely for another successful season and a run at the DII title. A large reason is the return of Kailyn Gilbreath. Gilbreath has already been tabbed the LSC preseason offensive player of the year, just months after earning the regular season honors this spring for the second straight season. We’ll see the Belles back in action at their own invitational beginning Sept. 3.”

The Javelina indoor team won the LSC South Division in the spring with a 12-0 and didn’t take part in the AVCA national indoor meet. The AVCA national beach tournament was at the same time and the Javelinas took part in that meet. The Javelinas had several players on the indoor and beach squads. Tanya Allen is head coach of both teams.

The Javelinas were semifinalists in the beach competition after winning the 2018 meet and finishing runnersup in 2019.

ST. MARY’S WILL add STUNT to its intercollegiate program beginning in 2022-23.

The Rattlers become the fourth Lone Star Conference school to have the program, the others being Dallas Baptist, Texas-Tyler and Texas Woman’s.

STUNT includes technical and athletic components of cheer and features several elements such as partner stunts, pyramids, basket tosses, group jumps and tumbling.

Each game is comprised of two teams facing off on the floor at the same time. When each element is finished, the winning side takes the round and point and has the chance to select which routine will be performed next.

St. Mary’s is currently seeking a head coach for the sport.

In 2020, there were 47 schools with STUNT, including seven in Texas.

Along with the four LSC members, they are Austin College, Texas Tech and the University of Texas-Austin.

California has the most teams with 15.

THE JAVELINA MEN’S and women’s cross country teams will be among the seven schools invited to the Texas A&M Invitational Sept. 25 in College Station.

2021 Javelina Tailgating Guidelines

PURPOSE: Texas A&M University-Kingsville tailgating compliments the Javelina gameday experience by providing a social gathering area prior to home football games. Javelina alumni, students, fans and supporters can enjoy the tailgating traditions of food, fellowship and fun as a prelude to home games and all Lone Star Conference and NCAA playoff games.

The University alcohol policy prohibits the possession or consumption of alcoholic beverages on campus except in designated areas. Tailgating activities are permitted in Lot G (Southeast corner). To ensure our tailgating tradition provides a safe and positive game environment, the following guidelines will be enforced by the University Police Department and Home Events Staff.

1. One tailgate space per group.
2. Tailgating spaces **CAN NO LONGER BE PRE-MARKED**. Marking of any spaces with spray paint, stakes, rope, ribbon, etc. **IS PROHIBITED**. Setup starts at 7 a.m. Saturday, the day of the game.
3. Tailgate areas must be completely setup on **GAME DAY ONLY**. Your area **CANNOT BE LEFT UNATTENDED AFTER SETUP**. Tailgate spaces are available on a first-come, firstserved basis and must be consistent with the lane markings and other signage. Please honor and be respectful of the reserved areas. Tailgate spaces marked or setup prior to 7 p.m. on Saturday or any unattended areas are subject to removal by authorized University representatives and will not be replaced.
4. **IMPORTANT...The Department of Athletics does not guarantee tailgate spaces and is now responsible for any spaces at any time.**
5. Javelina athletics and TAMUK are not responsible for any lost, stolen or damaged personal property.
6. Parked vehicles are not allowed in the tailgate area. **ONLY DROP OFF** of your tailgate items is allowed by vehicle—**NO EXCEPTIONS!** No non-University golf carts or ATV vehicles are allowed in the tailgate area or adjacent game-day areas. Entrance by vehicles will be through Avenue C and exit will be by the electronic marquee.
7. **Pets are NOT allowed!** Service animals are an exception to these guidelines.
8. The possession and use of alcoholic beverages must be in compliance with all state, county, city, Board of Regents and University laws and ordinances. Individuals of legal age—21 or older—may consume alcoholic beverages in the

tailgating area. It is also illegal to provide alcohol to minors. Alcohol is not permitted outside the tailgating area.

9. All beverages must be in cans or plastic containers. Alcohol drinking games, funneling or any other games are prohibited. *Alcohol drinking game apparatus, kegs, beer pong balls or other common source containers* are prohibited. **NO GLASS BOTTLES ALLOWED!**

10. If alcoholic beverages are served, tailgateres must also serve an adequate amount of food or alternative beverages in the same location as alcoholic beverages.

11. Individuals are encouraged to have designated drivers who do not drink alcoholic beverages to monitor their tailgating party throughout its duration.

12. **Disruptive behavior:** Individuals who interfere with the rights of others by the use of loud, abusive language, music and/or behavior, or who may prevent others from enjoying tailgating will be asked to cease and desist and may be directed to leave the event if necessary.

13. ALL tailgate parties will **CONCLUDE** 15 minutes prior to kickoff and all participants will depart the tailgate area no later than 15 minutes after kickoff.

14. Tailgate parties may not resume at halftime.

15. Advertising banners or corporate sponsor signage are not allowed without prior written approval from the Texas A&M University-Kingsville athletic department. No distribution of advertising flyers/promotional materials allowed.

16. Participants and organizations are prohibited from selling food, products and/or raffle tickets, campaigning for office, distributing petitions and/or lobbying for votes.

17. No live bands or loud speaker systems are permitted on the premises. All music must cease whenever the live entertainment at the Javelina Main Stage area begins.

18. All trash, equipment and debris must be removed from the tailgate area by the tailgating members prior to post-game departure and no later than 45 minutes following the completion of that game. Please deposit all aluminum items in the recycling containers.

19. No open pit fires are allowed. Fire must be contained to a grill.

20. Violation of any of these guidelines may result in immediate termination of tailgating privileges, criminal prosecution and/or disciplinary action.
