GAME 1 RECAP

1

0

The Tulsa SC WPSL won their first game back from a long awaited season as covid-19 cut the 2020 season short. The game was delayed 15 minutes due to lightning in the area. With the lightning out of the way, the match began, and South Star FC was the first to take a shot on goal within the first five minutes but would roll wide of the goal. Tulsa SC began to find their stride when Jordan Langebartels had a close chance in the ninth minute, two minutes later Charmé Morgan took a shot that just skimmed the top of the cross bar. The game would go on to be a tight and even match, with both teams having equal chances on goal, and it would end nil-nil at halftime.

The ladies in navy were fired up at the start of the second half; ten minutes in, they had back-to-back chances with the ball in the back of the net, but both goals were called offside. Parker Goins had a great shot at goal in the 65th minute, but the ball bounced off the insides of both goal posts and was eventually cleared out. South Star launched a strong attack in the 73rd minute, looking to score with two dangerous corner kicks coming right across the front of the goal but failing to capitalize. Tulsa SC's saving grace would be Mia Darden, who was able to head the ball into the back of the net from a corner kick by Parker Goins. Peyton Pearson would go on to win the Player of the Match award and a clean sheet against South Star FC.
