BRITISH MADE WALLPAPER SINCE 2010

Since its conception Mineheart has been at the forefront of design led wallcoverings and has supplied many prestigious projects around the world including hotels, restaurants, apartments and offices.

Fusing traditional ideas of trompe l'oeil with striking contemporary design, the mineheart collection of wallcoverings aims to provide original design, combined with quality and sustainability by meeting the following standards:

Low VOC (Air quality A+)

Fire Rated (For commercial use)

(Sustainably sourced paper pulps)
