

This Month's Tips & Tricks

We hope these handy pointers will help enhance your day-to-day SDI ZEUS experience:

.....

110 Supplier with Catalogs, and Counting...

We continue to onboard suppliers to make their items available to you. **So far, we've partnered with 133 suppliers**, all of which are available to ship items to a store of your choosing. Some of these suppliers can place orders on your behalf, and a few have made it possible for you to pick those items up at a local branch the same day.

We're continuously working with the suppliers to **improve item descriptions and add images** to help ensure you're able to find the things you need. We've asked some suppliers to scale back their catalog after learning some of their items are not utilized by Walmart. We even ask the suppliers to update their catalogs to include the non-catalog requests to make it easier for you to find those items again in the future.

Remember, just because you're unable to find an item while using the ZEUS app, that **doesn't mean it's not available**.

We're here to help! We do the work to find your parts, so you can focus on the important things.

Call us at **855-446-9423** or submit a ticket for assistance by selecting Help from the home screen.

You may be familiar with some of these suppliers, but there may be some you didn't know about, and we've brought them all together in one place **to make your job simpler**.

Sometimes we're not sure

Supplier Call-In allows you to submit a request for the supplier to place an order on your behalf. You can choose this option from the home screen.

Choose from the list of available suppliers by selecting the dropdown menu located below Vendor ID. Include a note or brief description of what you need, then submit your request.

Once your request is submitted, give the supplier a call using the **Request ID** as a reference number.

After your order has been processed, you should receive an alert with instructions to approve your order. This can be done by selecting **Requestor Approval** from the main menu, or by email when you receive your alert.

Participating Suppliers Include:

- ANTHONY DOORS
- BERNER INTERNATIONAL LLC
- DH PACE
- DIRECT REFRIGERATION SALES (DRS)
- GRAYBAR
- HAINES JONES & CADBURY (HJC)
- HILL PHOENIX
- HOFFMAN SUPPLY
- LENNOX
- LOEB ELECTRIC
- MOTION INDUSTRIES
- POSITIVE LOCK
- PRO GASKET SOLUTIONS
- UNITED REFRIGERATION
- WIESE USA

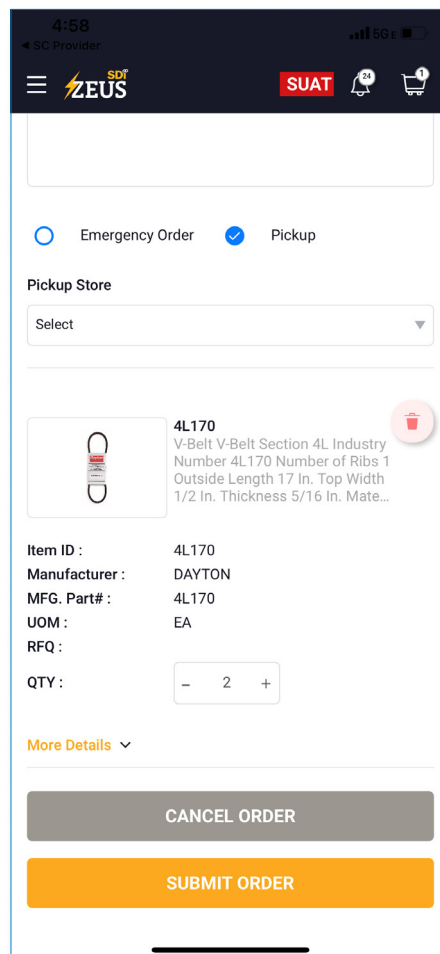

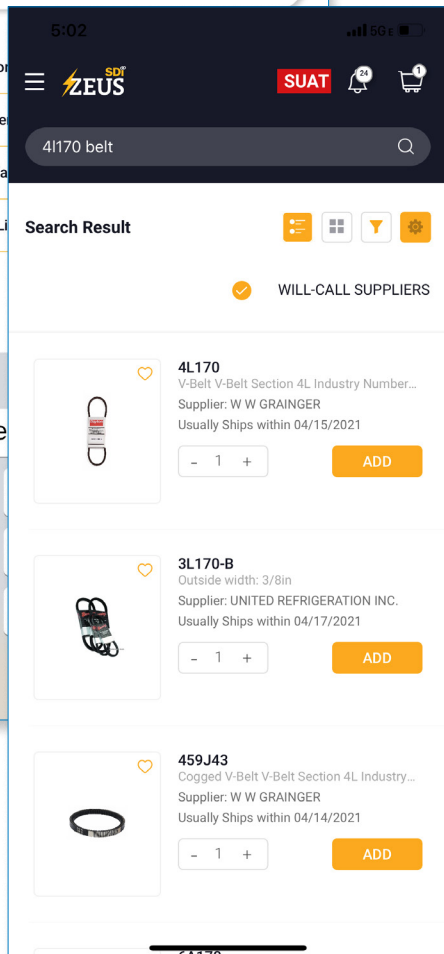

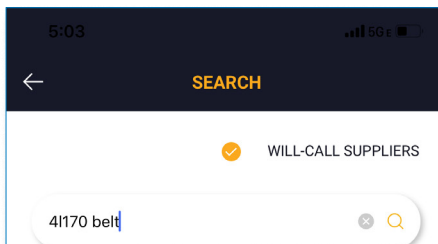

Sometimes we need things right away.

Select **Search** from the home screen, then check **Will-Call Supplier** in the top right-hand corner before searching for an item. Your results will be filtered to items that are available to be picked up that day from suppliers within a 50-mile radius.

Be sure to allow your location to be used in your phone settings.

After you add your items to the cart, and before submitting your order, check **Pickup** and choose the supplier branch from the dropdown menu. You'll receive a call when your order is ready to be picked up.

You can also shop at Lowe's for same-day pickup by selecting **Punch-Out** from the home screen.

Participating Suppliers:

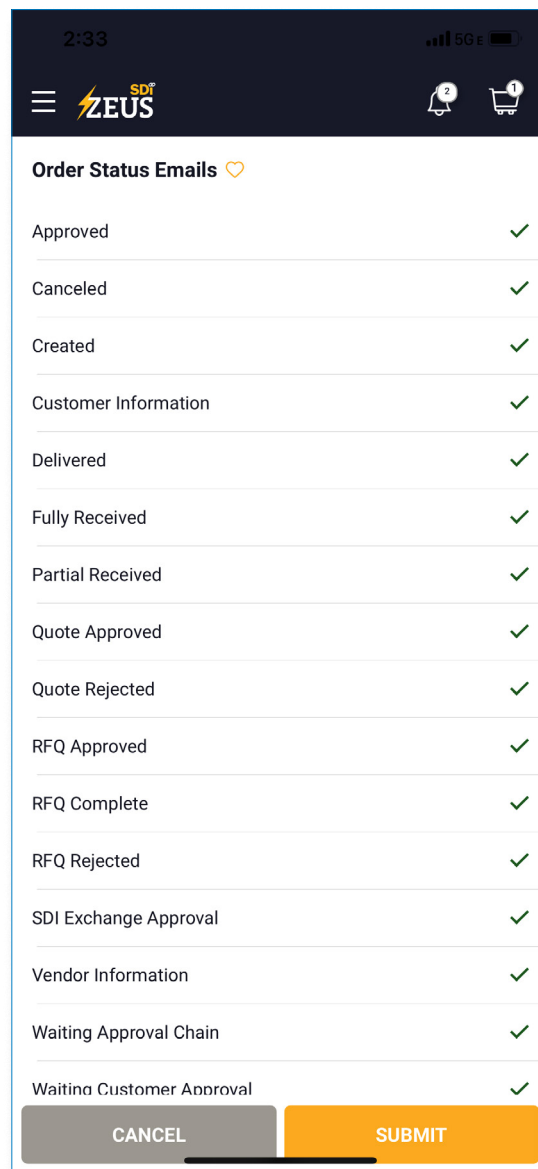

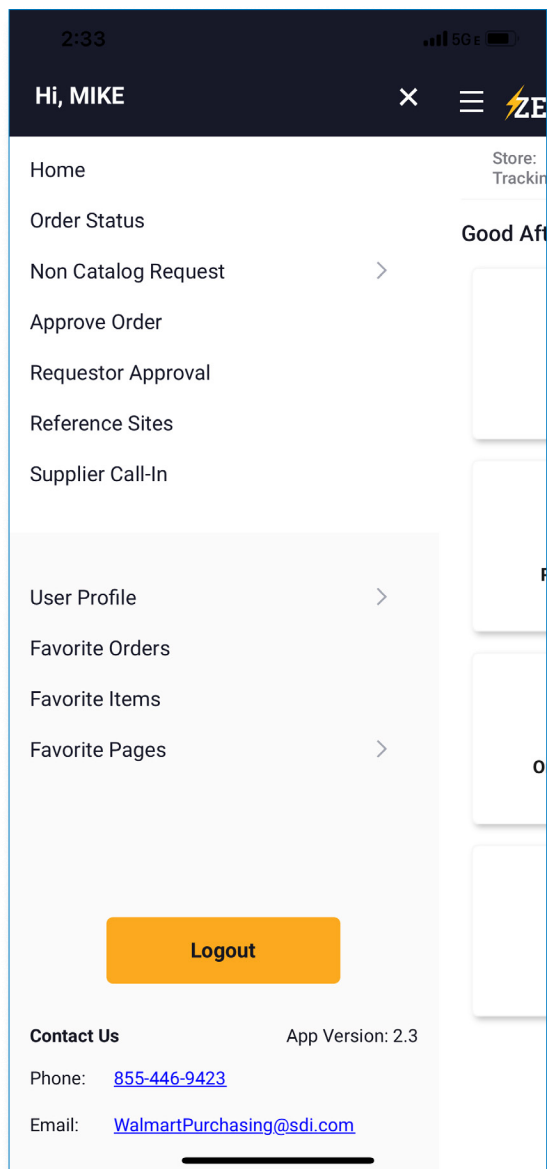

- UNITED REFRIGERATION
- GRAYBAR
- MOTION INDUSTRIES
- WW GRAINGER

It's important to know when things arrive.

We like to know when items ship and arrive, but we have alerts for so much more. Access the main menu from the top left-hand corner, then choose **User Profile**.

Select **Order Status Emails** to view a customizable list of options. You choose the alerts you want to receive.

Weekly ZEUS Training and Q&A Sessions!

Join us on Zoom for our **Beginner and Advanced Training every Tuesdays & Thursday.**

Stop by to ask questions, get a refresher on a specific feature, share your feedback, learn about upcoming releases, or just to say Hi!

ZEUS TRAINING

1:00 PM EST every Tuesday

[Click this Zoom link](#)

Learn about:

- *Home Page Design and Searching for Parts*
- *How to Order Parts from Existing ZEUS Catalog*
- *How to Order Parts NOT yet in ZEUS Catalog (“Non-Catalog” requests)*
- *Supplier Call-In (Order Parts via Phone with Participating Zeus Suppliers)*
- *Will-Call Orders*
- *Order Status Reporting and Tracking*

Q&A SESSION

1:00 PM EST every Thursday

[Click this Zoom link](#)

Ask the SDI Support Team ANY questions you have about ZEUS:

- *Ordering in the Zeus App*
- *Ideas to Enhance / Improve Your App Experience*
- *Tracking Orders, How to Get Support*
- *Suppliers Participating in the Zeus program*
- *Technical questions related to Parts and Materials*

Walmart / SDI Connection

April 26, 2021

Online ZEUS App training available to all CBRE users [here](#).

All CBRE users were sent an email from SDI, Inc. info@learningzen.com with a temporary password for the portal. Username is their **CBRE email**. This email was sent on 4/14/2021

All CBRE users were enrolled in the **ZEUS App: Central Parts Ordering Platform** course which can be found on their LearningZen portal home page.

The course is an end-to-end training of the ZEUS App with 11 different modules offering the learner a complete understanding of how to use each feature in the app.

- Module 1: Accessing the Parts App from Service Channel
- Module 2: Navigating the App & Managing your Settings
- Module 3: Searching for Parts and Favoriting Items
- Module 4: Check Out, Emergency Order, and Favoriting an Order
- Module 5: Non-Catalog Orders and Requestor Approval
- Module 6: Supplier Call-In
- Module 7: Will Call
- Module 8: Punch-out Catalog
- Module 9: Order Status
- Module 10: Using the Help Features
- Module 11: The Tech Hub & Reference Sites

The course will be regularly updated as new features are released in the app.

If you did not receive your account information, please get in touch with us through the Help portal in the app.

The banner features the Walmart logo icon and the text "Central Parts Ordering Platform ZEUS Training" in yellow on a blue background. Below the text is a smartphone displaying the ZEUS app login screen. In the bottom right corner of the banner is the SDI ZEUS logo.

Cart Corrals

These items are GNFR and will need to be ordered by the store manager. They do not require installation by a technician.
