MUIRHEAD CATTLE COMPANY

— 16TH BULL & FEMALE SALE —

MONDAY, FEBRUARY 26, 2018 :: 1:30 PM
AT THE RANCH :: SHELLBROOK, SK

MUIRHEAD CATTLE COMPANY

WARD & LAURIE

H. 306.763.2964 C. 306.747.7022

JUSTIN, AMANDA, STRAN & FLINT

H. 306.763.2505 C. 306.747.8192

We would like to take this opportunity to thank all those individuals who have shown interest in our program for the past years and invite you to this year's sale. This year as an added feature we are offering a handful of purebred heifers along with the bulls. These heifers represent a broad cross-section of our genetic base and are out of some of our best in-herd females.

We are excited about the up-and-coming sire groups in this year's sale including, Stepping Stone, Captain Black, Motive, Boxcar and Reload. We believe we have something for everyone! If you have any questions in regards to any bull or female feel free to call Bohrsen Marketing or ourselves, Ward or Justin. And as always, stop by for a personal viewing and a cup of coffee anytime. Once again, the sale will be broadcast on DLMS, so all bull and female videos will be available for viewing on the DLMS website 2 to 3 weeks prior to the sale. Thank you for your past and future patronage.

On a personal note we are always thankful for our families' commitment and hard work throughout the year and for their dedication to making the beef business at Muirhead Cattle Co the best it can be. As well, we get great enjoyment out of our three little ranch-hands, Stran, Sawyer and Flint and are excited about the newest edition arriving early March. There's nothing like calving time and in the great words of the Irish Blessing : May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face and the rains fall soft upon your fields and until we meet again, may God hold you in the palm of his hand. Wishing you all a season of good health, strong calves and prosperity.

Sincerely,

Ward & Laurie

BOHRSON MARKETING SERVICES

The Muirhead family has once again brought you an impressive set of extra-age bulls. We encourage you to attend this event if you are seeking bulls built for the commercial cattleman in mind. Structure, foot quality, udder strength, ease of calving and overall longevity is what they seek when sourcing genetics for their purebred operation. They also run a large group of commercial cattle and attend as many branding and cattle events in the area, we would venture to say that the Muirhead family is in tact with the true needs of the commercial cattle sector as any purebred operation is.

To properly develop extra-age bulls takes talent through a keen eye and attention to detail and Muirhead's annually do a great job in bringing them along with longevity and production as their focal point. They continually source leading sires through North America to advance their own program to give their customers leading genetics to gain a high ROI by investing in good stock. The customers service at Muirhead is amongst the strongest in the industry and we feel you can shop for your next sire with confidence on February 26 in Shellbrook.

New to 2018 is an elite group of open heifers selected from the top of their replacement pen. When they approached us to start this new venture, it was a full out approach with Justin claiming we will get to market a very strong group and after viewing them, that is true. Not often does a breeder allow for sale daughters of some of the very best cow families in the business but here is your opportunity to invest in genetics to advance your program.

The extra-age bulls and open female on offer are a prime representation of the direction of Muirhead Cattle Co. The maternal strength of leading cow families combined with proven sires has resulted in the deepest offering they have ever had. We hope you can make the trip to view this offering and visit with the Muirhead family but if you are busy and need assistance come sale day, feel free to contact any of us to handle your needs in a professional manner. See you on the 26th!

Insurance

Insurance available from Steen Agencies, Wayne Steen, Weldon 306/887-2020. We strongly stress you insure your bull purchases.

Terms on Sale & In-Herd Semen Interest

All bulls sell in their entirety but Muirhead Cattle Co. reserves the right to collect semen on every bull that is offered in the sale for in herd use only. This is at Muirhead Cattle Co.'s cost and the buyer's convenience.

Delivery

Free delivery to central points in Manitoba, Saskatchewan, and Alberta, all other points will be cost shared. Delivery will start immediately after the sale at the seller's convenience or bring your trailer sale day and receive a \$50 discount per bull. All bulls must be insured if not taken home sale day.

Sight Unseen Purchase Program

It's as simple as it gets!! We know that with everyone's busy schedule it is not always possible to get away. Our sight unseen program still allows you to purchase with confidence. If you are unable to attend the sale but are interested in bull(s) either a Muirhead or Bohrsen Marketing representative will purchase on your behalf. Just give one of us a call and we will take the time to go through the sale offering together and select bulls that are best suited for your program. To ensure your complete satisfaction when Ward or Justin deliver the bull, if you are not fully satisfied with the bull you don't own him. Be assured, we will do everything to meet your needs.

Homozygous Testing

Many bulls have been Homozygous Polled & Homozygous Black tested. Results will be done the first week in February.

Muirhead Cattle Co. Guarantee

All bulls are guaranteed in accordance to their prospective breed associations. Muirhead Cattle Co will fully guarantee you a sound breeding bull. If a problem occurs with your purchase, please notify us immediately and we will provide a bull to breed your cows. If any bull proves to be a non-breeder or is physically unable to breed cows due to conditions other than injury or mismanagement, a bull of equal value or quality will be supplied or a credit given towards the purchase of another Muirhead Cattle Co. bull. Cash refunds will not be given. At no time shall the seller's liability exceed the purchase price of the animal. In short we guarantee a quality bull to get your cows bred. All bulls are on the Pfizer Gold program, had Ivomec and Eight-Way and have been semen tested by a licensed veterinarian.

Catalogue Information

EPD's are current and up-to-date as of publication date. Information in this document is believed to be accurate but any updates from the auction block will take preference. Pedigrees in this document have been supplied by the Canadian Simmental Association and all other information has been supplied by the seller.

Directions

From the #2 Highway north of Prince Albert, go west on the White Star Road 24 kms and 1/4 mile South.

From Shellbrook on #3 Hwy go 18 kms East & 7 kms north on Nesbit Rd.

From Prince Albert on #3 Hwy go 26 kms west and 7 kms north on Nesbit Rd.

Calving Ease Rating

We have added a calving ease ranking system as a guideline for your bull selections.

Recommended for use on heifers with minimal calving trouble

Recommended for use on large heifers or cows with minimal trouble

Recommended for use on mature cows with minimal trouble

WS Stepping Stone B44 Sire of Lots 1-10

A bull with tremendous presence, who has been described as deep-ribbed, square-hipped, full of muscle and red meat, big-topped, wide-based, clean-fronted, clean-sheathed and very sound on his feet and legs. We can see that Stepping Stone deserves all the praises he's been given. His progeny, both male and female are extremely complete with great presence. Stepping Stone calves have a short gestation period and grow extremely well, being one of the heavier sire groups at weaning.

Homo Polled & Red

Calving Ease Rating ★

Lots of presence. Good-footed, nice-fronted, stout, correct, dark red powerful bull with a short gestation. Maternal brothers at Breed Creek Ranch, B&D Simmentals, Hicks Simmentals, Rose Hill Simmentals and 5 at Hummock Springs Ranch. Three maternal sisters in herd.

Dam of Lot 1:

Complete, easy-keeping, good-footed, excellent udder. Good cow!

Boxcar & Absolute sons

Springcreek Olympian Sire of Lots 28-35

We purchased Spring Creek Olympian to add performance and power to the calf crop. We were looking for a power bull that was backed by a solid cow and Olympian fit the bill very nicely, with that sought after blaze face as a bonus. Last spring we calved out his first set of daughters and we're impressed by their udder quality and teat size, they brought in big calves at weaning and maintained flesh. We feel that the Olympian sons will add pounds to your bottom line while maintaining maternal performance.

Muirheads Broker 221Z Sire of Lots 35-44

Broker was our high selling bull in our 2014 sale to Labatte Simmentals/Circle 7. Broker is as complete of a bull as we had ever raised; stout, soggy, sound and big footed. When the opportunity arose for us to acquire an interest and walk him, we were excited at the opportunity. We have been impressed with his daughters ability to raise a strong calf and there udder quality is second to none. Look for his sons sale day, they are sure to impress.

NEW IN 2018

open heifers from the heart of our program

We have decided to add a select group of open heifers to our bull sale. With our growing cowherd we've ran into a problem of just having too damn many heifers which has brought us to here. This group of heifers is a solid bunch out of some of our top cow families. We have tried to offer a little of everything ½'s, ¾'s, and purebreds with most of our sire groups represented. These heifers should be hard working, low maintenance cows, that look after themselves as that's how their mothers are run. **Buy with confidence!**

sire RF CAPTAIN BLACK 430B (SVS CAPTAIN MORGAN 11Z)

dam MUIRHEADS MACY 3W (WHEATLAND BULL 680S)

Homo Polled & Homo Black

Lot 62

Long, soggy, good kind of a heifer that should be a kick ass cow

Dam of Lot 62

3W has been a producing machine, she cranks them out year after year. The Broker 221Z bull to Labatte & Circle 7, a very good Timeout son to Mitchell Cattle Co., the pick of our 2017 heifers to Hay Valley, not to mention the 4 Stepping Stones selling in this sale. She has done a great job for us as well as looking after herself. Always maintaining condition and getting in calf, with solid feet and udder. I believe 93E should make a very productive cow
