VIDEOS

CAT. NO.	RUN TIME h:mm	TITLE	DESCRIPTION
1	1:08	Big John Holstrom's Oregon Mining Operation	High banking and beach placer mining
2	0:58	ASAT's Build an Elutriation Tower (see Video #31)	Separating micro-fine gold from black sands
3	1:06	ASAT's Recovering & Identifying Microfine Gold (see Video #31)	Small-plate amalgamation methods & microscopic viewing of gold particles
4	0:44	Samual's The Gold Bug (see Video #41)	Operating Fisher's Gold Bug Metal Detector
5	0:40	DGW's Relivin' Them Golden Days	"Diamondback Dave" shows how to find gold and make jewelry (1994)
6	0:23	Allen's Guide to Buying a Metal Detector (see Video #41)	Compares various Fisher detector models
7	0:23	Fisher's The X Series metal detectors (see Video #41)	Operating the Fisher 1200-X series detectors
8	0:31	Fisher's The Treasure Hunter	Metal detecting on beaches with the Fisher CZ-5 Quicksilver
9	0:18	Garrett's 1994 Buyer's Guide (see video #41)	Description of all 1994 Garrett models (1994)
10	0:27	Garrett's Gold Panning is Easy	Learning how to pan for gold, including dry panning. (1987)
11	0:26	Garrett's Grand Master Hunter CXII (see video #41)	Operating the Grand Master Hunter CXII (1989)
12	0:33	Garrett's Grand Master Hunter CXIII (see video #41)	Operating the Grand Master Hunter CXIII (1992)
13	0:49	Garrett's Silent Past - Tracking Outlaw Treasure	Metal detecting for buried treasure in the old West
14	0:51	Garrett's Treasure Recovery - Sand and Sea	Metal detecting on the beach and in the ocean; SCUBA treasure hunting
15	0:54	Garrett's Treasures of Mexico	Metal detecting in Mexico
16	0:14	Garrett's Ultra GTA 350 (see video #41)	Operating the Garrett Ultra GTA 350 (1993)
17	0:21	Garrett's Ultra GTA 500 (see video #41)	Operating the Garrett Ultra GTA 500 (1991)
18	0:25	Garrett's Ultra GTA 1000 (see video# 41)	Operating the Garrett Ultra GTA 1000 (1990)
19	0:51	Garrett's Weekend Prospecting	Prospecting with the Garrett metal detector, overview of other equipment (1988)
20	0:37	GPAA's Old Fashion History of Gold Mining	Mining film from the 1920's, panning methods & Nome rocker box.
21	0:47	GPAA's Black Sand - Removing gold from Concentrates	Rain gutter concentrator sluice.
22	1:00	GPAA's Sure-Fire Panning Methods	Various gold panning techniques (1990)
23	1:37	McCracken's Gold Show 2003 Lecture	Prospecting for rich gold deposits (a.k.a. "Gold is Heavy")
24	1:40	McCracken's Gold Show 2003 Lecture Series (added to Video #23)	Worldwide Diamond and Gold Prospecting Adventures
25	1:20	Berg's Gold Show 2003 Lectures	Gold and Coin Hunting with a Metal Detector
26	0:22	Barkis' Gold Show 2003 Lecture	How The Law Works and What To Do If Confronted
27	2:19	Environmentalism Information	Combines video numbers 87 & 83 (in that order)
28	0:51	Trinklein & Boettcher's The Gold Rush	History of the California gold rush (1997)
29	2:01	GPAA's The Complete Gold Prospector	Overview of equipment and techniques used by prospectors
30	0:59	Chaffee County Prospectors' Club's Colorado Gold Fever	How to locate and process placer gold (1997)
31	5:53	Technical Information	Combines video numbers 2, 3, 43, 60, 69 & 80 (in that order)
32	0:59	Mojave John's Working the Drywasher	Basic design and using large and small drywashers (1998)
33	0:44	Discovery Channel's Secrets of the U.S. Mint	How and where collector coins are made and valued
34	0:42	Burgess' Underground Mining and Milling	Underground gold mining operations
35	0:58	McCracken's Successful Gold Dredging Made Easy	Locating pay streaks and using a 5" triple-sluice dredge (1983)
36	1:00	McCracken's Commercial Gold Dredging/Sampling Techniques	How to operate a commercial gold dredging & processing operation
37	1:21	McCracken's Modern Gold Mining Techniques	Overview of gold mining & equipment available to the weekend prospector
38	0:21	Minelab's "Goldstriker" (see Video #42)	Operating the Minelab Goldstriker metal detector
39	0:21	Minelab's "Sovereign" (see Video #42)	Operating the Minelab Sovereign metal detector (1992)
40	0:23	Minelab's "XT-17000" (see Video #42)	Operating the Minelab XT-17000 metal detector
41	4:28	General Metal Detector Information	Combines video numbers 9, 11, 12, 16, 17, 18, 6, 4, 77 & 7 (in that order)
42	5:47	General Metal Detectors Information	Combines video numbers 52, 53, 54, 55, 56, 57, 58, 38, 39 & 40 (in that order)
43	0:52	RMS-Ross' Fine Gold Recovery (see Video #31)	Results of the "Yukon Study" - how riffles perform
44	0:55	Roush's Prospecting for Gold	Overview of gold mining techniques and equipment (1986)
45	0:20	Schmidt's Gold Trap Dredge Demo (see Video #73)	New "Bazooka" dredge tube concept
46	0:18	GPAA's Sonora Mines' Open Pit Mine in California	Mine history and specimen gold nuggets (including a 130 lb. crystalline nugget)

Underwater metal detecting for coins and rings
Metal detecting for gold; lode mine tour and artifacts (1995)
Metal detecting for coins; researching locations
Fine gold recovery system
Metal detecting for gold nuggets (1994)
Promotional tape covering White's manufacturing
Operating the White's Spectrum metal detector (1993)
Operating the White's Eagle Spectrum metal detector (1991)
Operating the White's Spectrum XLT metal detector
Operating the White's PCL 500 pipe/cable locator (1992)
Operating the White's Gold Master II nugget detector (1991)
Operating the White's TM 800 large object detector (1992)
Exploring an abandoned mill site and equipment in Alaska
Using 30% H₂O₂ to determine various metals in solution
Story of gold rush with photos & reenactments.
Hovercraft & 6" dredge combo construction & trial run in Alaska
Stories of the great American gold rush & the towns left behind
An easy way to find gold in them thar hills (1993)
Using the "Grizzly" gold pan and "Gold Miser" sluice
California prospecting club information
Overview of terms and equipment used by prospectors
Old photos + modern film along the 1897 gold rush "trail;" Skagway to Dawson
Refining scrap gold to .999+
Developing the Grasberg and Ertsburg Mines on mountain tops at 14,000' elevation
Gold rush photos, modern Nome, "street mining" and bucket line dredge
Spiral wheel gold recovery system demonstration
Combines video numbers 45, 50, 65, 72, 74, 76, 81, and 88 (in that order)
Do-it-yourself construction instructions
Gemstone formation, mining, characteristics and lapidary
Presentation at 06-15-95 WPMA meeting (1995)
Presentation at 12-15-94 WPMA meeting (1994)
Story of Slumach's gold mine in British Columbia, Canada (1994)
Stories of Soapy Smith and British Columbia, Canada
How it works, limitations and problem solving
Hand-operated screening and concentrating device
Mining in the Babasu gold fields
Property Rights vs. Environmentalism (see Video #27)
History of gold
Spanish galleon "Atocha;" Cahuenga Pass, CA.; Murruming Mountain, AZ
Lost Dutchman, AZ; Underground "river of gold," NV; Kamehameha's Tomb, HI
Effects of the Endangered Species Act and other "environmental policies"
Amphibious dredge with a special vortex, self-priming nozzle.
The tragic legacy of man's lust for gold
Prospecting and mining from the 19th Century to the 20th Century
Enduring golden myths and modern-day treasure hunters
The story of human civilization as written in "letters" of gold
Lode mining near Baker, Oregon during the early 1900s
Gold rush photos circa 1898 and modern mining filmed in the area
Features 1928 film of "modern" mining in a northern B.C. 1870s gold rush area
