Dear Friends,

2018 proved to be a momentous year for SCL. We are exhilarated by our significant increase in new participants, treatment screenings, and the success of the many open house and screening events held by our SCL Orthodontic Providers.

- In 2018, over 1,100 new participants were accepted into the program!
- From coast to coast, SCL Orthodontic Providers conducted nine “Open Houses” yielding over 300 new applicants, and creating significant public relations for the participating providers’ practices.
- With treatment screenings increasing 33% over 2017, there are nearly 3,000 kids currently in treatment.

In July of 2018, we experienced the passing of my mother and SCL founder, Virginia L. Brown, at the age of 92. Her childhood experience of being ridiculed and harassed because of crooked teeth, and her parent’s inability to afford orthodontic treatment, led to her dream of assisting parents to obtain braces for their children suffering from the same type of peer abuse. In 1997, her dream was realized with the establishment of Smiles Change Lives. Please join us in our efforts to fulfill Virginia’s vision.

Who knew that a healthy smile could change everything in the life of a deserving young person? Virginia Brown did. She stood out in defense of young people who could not afford the smile that all children deserve. Her work, her love and her spirit lives on in the lives of all SCL participants. Her legacy is the healthy, confident smiles on the faces of thousands of young adults for generations to come.

Virginia Brown grew up during the depression and desperately needed braces. Unable to afford orthodontic care, she endured years of teasing and low self-esteem until finally getting braces at the age of 16. As an adult, she never forgot that experience. It touched her so deeply that she decided to take action and help young people who could not afford the treatment necessary to live with dignity and confidence.

Virginia Brown, Founder
1926-2018

In 1983, she and her late husband, Maurice Brown, formed the Virginia and Maurice Brown Foundation, which was to become Smiles Change Lives. Virginia, and her son Tom Brown, chose to serve youth that suffered dental deformities with; missing, broken or impacted teeth, difficulty speaking and chewing, and constant pain due to severe overcrowding. Virginia knew these children would never have a chance at a better future, free of peer ridicule, without help. She wanted to give these children a “hand up” in life, offering a lifetime of health benefits beyond their wildest dreams.

Virginia passed away in July of 2018 at the age of 92. Her dream has come to fruition with Smiles Change Lives.

"My favorite thing is the pure gratitude that you get from the families. My Smiles Change Lives patients don't miss their appointments. They do an exceptional job of taking care of their braces.

I get to watch kids blossom and come out of their shell and develop into these confident, secure kids. They have a need for orthodontic treatment based on what is going on in their mouth, and they have a need for treatment because of what is going on in their head. They need a boost."

Randall Markarian
Markarian Orthodontics

Transformation

Before

After

"I just want to let you know how long I dreamed of the day when I got braces. Thank you! I am able to finally have my dream come true! I think that what you are doing is a great help to society. Thanks to SCL, kids will be smiling often knowing how nice their teeth look."

"Alex got her braces off today! She is so excited she can hardly believe this is her smile! Many thanks to SCL for everything you do for kids!"

Before

After

Before

After

"Giving a BIG thank you to Smiles Change Lives for the service that you provided for my son. Noah had low self-esteem due to his crooked teeth. Now he loves to smile, and smile BIG! We are forever grateful to this wonderful program!"

GINI AWARDS

8th Annual Gini Awards

On October 27, 2018, the 8th Annual Gini Awards were held at The Carriage Club in Kansas City, MO. Among the guests were the 2018 Gini Award honorees and SCL participants and their families. The evening was dedicated to the legacy of our Founder, Mrs. Virginia "Gini" Brown, who passed away just months before the event. Her son and SCL's Board Chair, Mr. Tom Brown, gave a moving tribute honoring his mother's legacy of changing the lives of thousands of children.

The following individuals and company were the recipients of the prestigious Gini Award for going above and beyond in their dedication to SCL.

Giving time and commitment directly from the heart

The success of SCL rests firmly within the support of our dedicated volunteer force. With a staff of eight, SCL volunteers are crucial to our day to day operations.

Our appreciation extends to UMKC Pre-Dental, and Concorde Career College students, corporate employees, and individual volunteers in the greater Kansas City area. We are humbled by their passion for giving back to their community.

With gratitude in our hearts we thank our SCL volunteers for their contribution of time to our mission of bracing kids for a better future!

★ Gini Award winners

We would like to express gratitude to our sponsors for their generous contributions and unwavering dedication toward our mission. Without their support and tremendous leadership, SCL could not expand at current rates. Thank you for your partnership and commitment to delivering healthy, confident smiles to children throughout the nation.

American Orthodontics (AO), Founded in 1968 and headquartered in Sheboygan, Wisconsin, is committed to providing quality products, dependable delivery, and personalized service to the orthodontic specialist.

AO supports the work of Smiles Change Lives by donating brackets and other orthodontic treatment supplies to SCL providers. This makes the program more cost effective for SCL providers and makes it possible to get more participants into treatment.

We are thrilled to partner with businesses in the dental industry willing to recognize the service of our providers. The following businesses provide discounts to SCL Providers on select products and services necessary for treatments.

A mobile app was developed for SCL Providers and their staff giving them direct access forms and information needed for treating SCL Participants.

Dentalphone specializes in website design, SEO, and marketing services for those in the dental industry.

Supporting the mission of SCL

Smiles Change Lives would like to thank the AAO for donating booth space at their annual conference.

SCL thanks all of our partnering providers that are also AAO members. Because of their participation, SCL has been able to help over 12,000 kids since inception.

Dental Schools

Orthodontic residents from the following dental schools have screened hundreds of SCL applicants. Partnerships with these institutions have been essential for outreach to new families. We are grateful for the upcoming doctors and commend their willingness to make a positive impact on the community.

Impacting local communities

Smiles Change Lives is excited to be working with partnering providers hosting open houses and screening events all across the country.

These events enable providers to screen a number of SCL candidates at one time.

The resulting visibility and media attention serves to fuel growth in their practice as well as highlight community involvement.

An additional 300 families were helped as a result of events held in 2018:

Dr. Carmen Garcia-Paul - Miami Ortho Specialists - Miami, FL

Dr. Brian Bergh - Bergh Orthodontics - Glendale, CA

Drs. Dustin & Tyler Coles - Premier Orthodontics - Chandler & Glendale, AZ

Dr. Sergey Berenshteyn - Adirondack Orthodontics - Latham, NY

Dr. Kelly Morgan - Morgan Orthodontics - Lansdowne, VA

Dr. Jess Kane - Dental Associates of Walpole - Walpole, MA

Dr. Victoria Chen - Significance Orthodontics - Las Vegas, NV

Dr. Paul White - White Orthodontics - Richmond, VA

Dr. David Muench - Muench Orthodontics - Vestal, NY

Dr. Ahmed Mansour - Sunshine Orthodontics - Kingston, NY

Gratitude

"My son is one who doesn't show emotion and keeps things to himself. It was a big deal for him to tell us how much his crooked teeth bothered him. He was very self-conscious and tried to keep his mouth closed, especially when smiling. The treatment he received through Ames Orthodontics has greatly improved his confidence. Seeing Jade's smile is one of my greatest joys as a mother!"

Jade is now a Private First Class with the US Army National Guard. He graduated from basic training at Fort Jackson, South Carolina with an Army Achievement Metal for the Best Shot out of his graduating class of 985 soldiers. He graduated from AIT at Fort Lee, VA with another Army Achievement Metal for exceptional performance as the class distinguished honor graduate. We are extremely proud of Jade, and so happy to see how his life has changed because of his new smile! Thank you SCL!

- Jade's mom Delany

CELEBRATING 21 YEARS!

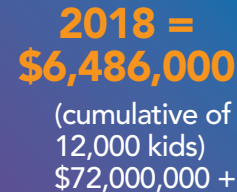

As SCL continues to emerge as a leader in providing access to orthodontic treatment nationwide, tens of thousands of children have benefitted from the millions of dollars in care donated.

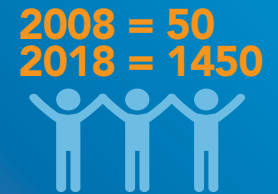

TOTAL KIDS TREATED

DONATED CARE

VOLUNTEER HOURS

OUTCOME

11th Annual Smiles Turkey Trot

For the past 11 years, SCL Provider and Board member, Dr. Frank R. Egan and his wife, Christine Egan have spearheaded this Thanksgiving Day tradition. Held in the town of Blue Point on Long Island, NY, participants raced in the 5K run, 1.5 mile walk, and Kid's Fun Run.

Dr. Kurt Kavanaugh

Kurt Kavanaugh Orthodontics
Kansas City, MO | Sedalia, MO

Dr. Kurt Kavanaugh has been a dedicated Smiles Change Lives provider for 19 years. During his tenure, Dr. Kavanaugh has donated over a quarter of a million dollars in treatment to Smiles Change Lives participants! His enthusiasm for his SCL participants and passion for giving back to his community is nothing short of inspiring.

In 2017, Dr. Kavanaugh was honored with the prestigious Gini Award for excellence in orthodontics, and for going above and beyond in his dedication to SCL families and participants. We thank Dr. Kavanaugh for his continued dedication in bracing kids for a better future!

"Dr. Kavanaugh is very caring and compassionate about each and every patient in the practice. It shows in his genuine love of orthodontics and the care that he gives each patient on an individual basis. With his enthusiasm and passion it makes working with him and our patients a pleasure."

Showing off New Smiles

The SCL team loves the photos and notes received from SCL Participants when they get their braces. They are always encouraging and remind us of why we come to work each day.

Samara was treated by Dr. Jeff Blasius eight years ago. All I can say...is her smiles lights up any room to this day. Thank you all tremendously!" - Tisha
