

ERINDALE ARBOR CREEK Community Association Newsletter

Visit us online at www.erindlearborcreek.org

WINTER 2016/17

We've redesigned our website!

The EACCA is proud to announce the launch of our new website www.erindlearborcreek.org. We wanted the new site to focus on aesthetics, increasing visibility of our programs and events as well as adding new functions such as online registration for kids and adult programming.

We would like to thank 2WebDesign for working with us to create this new look and we hope you will take some time to visit the new page to explore and learn more.

Registration for Children's and Adult programs will be January 4, 2017. Register in person at Dr. John G. Egnatoff School or online at www.erindlearborcreek.org starting at 7pm.

Volunteer with Us!

In order to provide a wide range of programs for our community and to keep our website up to date, we need more energetic members of our community to help us.

We have a number of board positions vacant. Volunteer positions that are still open are:

- Adult Programs
- Children/Youth Programs
- Softball Coordinator
- Equipment Coordinators
- Parks Coordinator

If you need more information or would like to join the EACCA Executive Board by volunteering for one of these positions, please contact:

EACCA President: Paul Gustafson at 306-955-6512 or president@erindlearborcreek.org

EACCA Vice-President: Jared Orynik at 306-716-5875 or vp@erindlearborcreek.org

EACCA Registration

An annual membership fee of \$10.00/household is required to participate in programs. A membership may be purchased at the same time as registration. EACCA honours other community association memberships.

- Space in many programs is limited and registration is taken on a first-come, first-served basis.
- Early registrations are not accepted and late registrations (if accepted) are subject to a late registration fee.

In-Person Registration Night: 7 pm - 9 pm, Wednesday, January 4, 2017 at Dr John G. Egnatoff Elementary School

Online: www.erindlearborcreek.org, 7:00 pm Wednesday, January 4, 2017 to 11:59 pm Sunday, January 8, 2017

- The EACCA reserves the right to cancel any program which does not have sufficient enrolment or if an instructor cannot be found prior to registration night.
- Classes may be subject to cancellation as the schools have first priority for the use of the school facilities. Attempts to reschedule will be made but are not guaranteed.
- Certain programs have specific policies regarding registrations, withdrawals and refunds. Please refer to that material on our website at www.erindlearborcreek.org.

All programs subject to change regarding times, locations and dates offered. Please refer to the EACCA website in later December, 2016 for updated information.

A \$25 late fee will be applied to late registrations. Erindale Arbor Creek Community Association honours other community association memberships.

Some programs are shared with Sutherland Forest Grove, Silverspring, Willowgrove, Evergreen or University Heights Community Associations.

Extensions will be requested for classes that fall short of the target of 9-10 classes/session, at the discretion of the adult program coordinator.

(Young) Adult Program Descriptions *Two New Classes Being Offered Jan 2017!!!!!!*

AEROBICS

Step to the beat of a fitter drummer. A one-hour cardiovascular workout with to get together with friends and let off a little stress, get fit and have fun.

BEGINNER YOGA

Are you new to Yoga and want to work at your own pace? This introduction to Yoga will teach you to calm your mind as you increase strength and flexibility. This class will focus on the basic poses, breathing, stretching, flexibility and relaxation in a nonjudgmental and safe environment. Repeaters are welcome!!! Bring your own Yoga mat and any other props that you would like to use during the class.

BOLLYWOOD DANCE

Try a bit of Bollywood fun. Dance and step to an Indian beat. An innovative way to burn calories and learn some new moves! Bollywood dance is a fusion of Indian classical dance, folk dance and contemporary style. Students will explore different hand gestures, foot style and expression which enhances the beauty of dancer and dance.

BOOT CAMP

An intermediate level exercise class to improve endurance, speed, agility, strength and core. Uses bungees, pylons, agility ladder and body weight to create a workout unlike anything you've tried before.

CARDIO YOGA

This is a flow-style Yoga class with a fitness-based approach. We will be using Vinyasa (the connection of breath and movement) to increase heart rate while strengthening and stretching muscles. Options will be given for all levels of students. Beginners and experienced students are welcome. Bring your own Yoga mat.

CORE BODY

Offered to anyone interested in strengthening their midsection. Can be modified to suit ability, strength and body type. Watch hands, wrists, arms and legs get stronger as we focus on stability, balance, twisting, side bending, ab work and back strengthening. Instructor will offer different levels of difficulty. Bring your own yoga mat.

COUPLES BALLROOM DANCING

This class is an introduction to ballroom dancing. The basic steps for Foxtrot, Waltz, Jive and Cha-Cha may be covered. Wear street attire and comfortable non scuffing shoes.

FLOW YOGA

Beginner friendly. Bring a Yoga mat and a smile! No experience necessary. Poses will progress as the session does.

HOW TO HULA HOOP: INTRO

A full body workout with hoops provided. Increases balance, flexibility, cardio and creativity. We will be spending our time inside the hoop learning how to use our deep muscles to push and pull the hoop around our bodies. Then learn how to troubleshoot a hoop falling downwards! This introductory class will get you comfortable, explore basic hooping skills on the hand, and get a taste of hooping on the legs, and chest. Once warmed up to the basic hooping skills, take the opportunity to learn some beginner tricks. Bring a Yoga mat and a water bottle.

HULA HOOP: LEVEL 1

Build on your hooping skills. The level 1 class is aimed for people who are comfortable with basic waist hooping, have a handle on hand hooping, and come with their own level of experience. This class will challenge students to use their full body movement through beginner dance exercises, and continue to build on their hoop trick repertoire. Within the safe environment participants are guided to discover their own rhythm flow and style, while working towards the mastery of optical illusions. A variety of hoops are provided, to allow for optimal learning opportunities, and if you have your own, bring it along, to continue down your own hoop path. Want to get a head start? Watch the "HOW TO HULA-HOOP VIDEO" for an explanation to access your hooping rhythm and movement successfully. Hula-Hooping develops coordination, a sense of confidence, and taps into finding one's own unique creativity.

KETTLE BELL

Improve your strength, power and conditioning with minimal equipment. A mixture of kettle bell skill-building and high intensity circuit training that will challenge all fitness levels. Participants will be required to purchase their own kettle bell (approx \$40-\$50, depending on size). Instructor will provide assistance with purchase.

KICKBOXING

Uniquely blends the power, speed and agility of boxing with the beautiful sculpting and flexibility of aerobics. It is a fat-torching, muscle-sculpting, core-centric interval workout, guaranteed to whip you into shape. The message is clear: when working out, women should feel feminine and powerful! Fight. Kick. Fun, challenging and unique. Tone up! It's a comprehensive, well rounded workout that is low impact, yet variable intensity.

KNITTING 14+

A two-hour class that would make your grandmother proud!!! Learn to knit and purl! ... cast off on the sea of do-it-yourself. Scarves, socks, toques... Beginner patterns available from a caring, skillful instructor in a warm non-judgmental environment.

PHOTOGRAPHY

A fun creative class in a non-judgmental environment.

PHOTOGRAPHY FUNDamentals

Basic skills and enrichment. A fun creative class in a non-threatening environment.

PiYo – NEW MONDAY CLASSES

Piyo combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility advantages of yoga. Define yourself.

P90 X LIVE – NEW

P90X LIVE is a total-body, cardio, and strength-training class that uses body weight and dumbbells. The workouts are 55 minutes long and can be modified for any fitness level.

STOTT INTRO PILATES

Works on building core strength, improving posture and realignment of the spine all while improving overall toning. A great class for all ages.

STOTT INTERMEDIATE PILATES

Designed for participants familiar with Pilates and a routine. Stretching, basic floor exercises and more repetitions. Come and join us—it's fun to be fit!

TAE KWON DO BEGINNER

An educational introduction to martial arts training for children to adults.

ZUMBA

A fresh, fun workout that takes Latin dance rhythms and fuses them into the exercise routine to tone up your body and make you feel great. With this fun cardio workout you will tone your arms, stomach, thighs and more! As you near the end of the session, you might enjoy taking it up a step!!!

Extensions will be requested for classes that fall short of the target of 9-10 classes/session, at the discretion of the program coordinator.

Children's Program Descriptions

BABYSITTING COURSE

This is an 8-hour course with a qualified instructor certified by St. John's Ambulance. Participants must be at least 11 years old by the end of the class. Please bring a doll or teddy bear that is a suitable size for practicing diapering.

ENGINEERING FOR KIDS – JUNIOR

Put on your hard hats engineers and join us to engineer cities! Your child will work hard to apply their knowledge of construction to save the beach from erosion and build their very own city from the ground up. From roads and tunnels to buildings and skyscrapers, your child will discover that no job's too tough for an Engineering for Kids engineer! Building a city is more than roads and skyscrapers. Your child will explore civil, mechanical, and environmental engineering. Your child will explore the engineering behind objects that they see every day: skyscrapers, roads, tunnels, and even cranes. This Tuesday class consists of six 60-minute lessons and is for kids aged 4 to 6.

ENGINEERING FOR KIDS – SENIOR

Cities are incredible feats of engineering. Cities began to form when farmers were able to make more food than they could eat, allowing other people to take up trades. Ancient cities were built to bring people together for protection, to promote trade, and improve efficiency. Over time, centralizing government, having art and culture centers, and bringing industries together to improve productivity all became key in development of cities. Your child will take up the role of a team of city planners, looking to design the best city in the world from the ground up. In The Engineering of Cities, your child will explore civil, electrical, industrial, and environmental engineering. They will explore energy production, filtering of water filtration, and building structures. This Thursday class consists of six 90-minute lessons and is for kids aged 7 to 11.

FLOOR HOCKEY

Playing floor hockey.

KIDS CAN COOK

Boys and girls can learn how to cook. May be asked to bring containers to class to take food home. Please inform instructor of any food allergies and if you are interested in learning to make a particular recipe/dish. Some parent supervision is required during this class.

TAE KWON DO BEGINNER

A beginner's introduction to tae kwon. Participants can take part on either or both Tuesday and Thursday evenings.

TAE KWON DO PRESCHOOL

An introduction to tae kwon do for preschoolers. Participants can take part on either or both Tuesday and Thursday evenings.

YOGA

Introduces participants to yoga, which can help calm minds and increase their strength and flexibility. Participants will need to bring their own yoga mat.

ZUMBA

A fresh, fun workout that takes Latin and dance rhythms and fuses them into an exercise routine to tone up your body and make you feel great!

Tips for a Smooth In-Person Registration

- If you have an existing membership card, bring it with you.
- Purchase the \$10.00 community association membership if you're not already a member.
- Bring your chequebook (remember the deposit cheque for uniforms).
- No one is turned away from Soccer or Basketball or Softball.
- Be patient, we will do our best to get you registered as quickly as possible.
- Consider volunteering to coach teams.
- **Bring a credit card, cash or cheque.**
- A parent or guardian must be present to sign the waiver for children.

Tips for a Smooth On-Line Registration

- Make your login and profile for your whole family as a "new member".
- Have your 2016/17 membership card with number ready for input, if you have one.
- If needed, purchase your 2016/17 membership.
- All data must be filled in for participants to enroll.
- "Enroll" in multiple programs at the same time.
- Blue arrow buttons will provide additional information on programs.
- Click "Enroll" to select or un-select programs.
- Have a credit card ready.
- Read the "FAQs" on the registration page.
- Watch the YouTube video on EACCA On-line Registration process. Search YouTube for "EACCA"

Get the most current, up to date information on new interchanges being built in your community! Subscribe to Interchanges@Saskatoon.ca for project updates via email, or visit Saskatoon.ca/Interchanges for updates and to see a full background on the projects including maps, designs, progress pictures and video updates!

Program Withdrawal & Refund Policy

- All withdrawal requests must be forwarded to the Program Coordinator and not the teacher, coach or team manager.
- When seeking a full refund of the program registration fees, withdrawal requests must be received by the Program Coordinator before the commencement of the program.
- Refunds of program registration fees is at the discretion of the Program Coordinator, who may request evidence to substantiate the refund request.
- Refunds for late withdrawal requests will only be approved under extraordinary circumstances, and the amount refunded will be based on the proportion of the program remaining.
- In all cases, the EACCA membership fee is non-refundable.

Children's Fitness Tax Credit

The Children's Fitness Tax Credit became effective January 1, 2007. The EACCA cannot guarantee the accuracy of the information below from CRA, for the 2015/2016/2017 tax years. Please consult your tax professionals for more information.

This tax credit will allow parents to claim up to \$500 of fees for physical activity programs for each child under 16 years of age. The total of \$500 per child can be claimed by one parent or split between parents. The credit is calculated by multiplying the eligible amount by the lowest marginal tax rate (14.5% in 2007). The information below can be found on the Canada Revenue Agency website at www.cra-arc.gc.ca/fitness/. Their toll free number is 1 800 622 6232. The eligible program must run for a minimum of eight weeks, with a minimum session of one session per week, or a camp that runs for at least five-consecutive days.

The program must be supervised, suitable for children and include a significant amount of physical activity. The year in which the tax credit can be claimed is determined by the date when the fees are paid, not when the activity takes place. This means that the tax credit for an activity that has registration in one calendar year and commences or continues into another calendar year is claimed in the year in which the registration fee is paid. Please maintain all receipts for your records. You will not be required to submit the receipts when your tax return is filed, but they must be provided if you are asked to verify your claim. CRA has recommended that receipts be kept for six years.

INDOOR KINDERSPORTS

The EACCA is going to test an Indoor Kindersports program this year from January to April. Indoor Kindersports will be a mixture of sporting and physical activities for 3, 4 & 5 year olds. The focus will be indoor free-play and gym time, with some structure provided by parent volunteers.

The registration will be limited to 12 children per session/class. The registration fee will be \$25.00 per participant.

Classes: Monday Nights at Dr. J.G. Egnatoff School (Session 1 at 6:00pm, Session 2 at 6:30pm). Friday Nights at St. Volodymyr (Session 3 at 6:00pm, Session 4 at 6:30pm). Sessions times may be altered based on registration numbers.

Parents or guardians must remain at the school during their child's session.

Your child must be a minimum of 3 years old at the beginning of the season and must be a maximum of 5 years old at the end of the season. We will not accept registrations for children who will be 2 years old at the beginning of the season. (Birthdates between April 30, 2012 and January 1, 2014).

We are actively planning for a variety of different activities for the children starting including soccer, indoor t-ball, children's yoga and open gym time games. Some activities (like yoga) will have instructors. Activities such as soccer and t-ball will be led by parent coaches similar to our outdoor kindersports programs.

Cost as a Barrier

EACCA is sensitive to the needs of families facing financial hardships, and may partially or fully fund participation fees in various activities. Subsidization is only to cover cost of program, and will not include membership to the Community Association. Subsidization is limited to 1 activity per person per session, and is available only to those who reside within our community boundaries.

For information please contact a member of the EACCA Executive at eacca@erindalearbocreek.org.

To register in a community program under 'Cost as a Barrier', please attend the In-Person Registration Nights.

Email: ken.cheveldayoff.mla@sasktel.net

Greetings everyone!

As I glance back through the EACCA fall newsletter, I am reminded how quickly time has passed. Many of the Erindale Arbor Creek Community Association programs will be well underway by now, some will have ended and many more are in the offing. I appreciate this opportunity to thank the numerous volunteers who step forward to ensure that our families have such a dynamic program of activities available.

Following the provincial election, as some of you know, Premier Wall asked me to serve as Minister of Parks, Culture, and Sport. I have met many remarkable people who contribute significantly to the richness of Saskatchewan's culture, heritage, sports, and arts. I can't help but draw a parallel to the people in the Erindale Arbor Creek community. Your community association continues to emphasize that sports, the arts, and cultural activities play a valuable role in our lives — good health, clear minds, welcoming attitudes, and respectful behaviors are important to all of us.

It is these values that will influence the way we accept and handle challenges that may come our way. As we move forward through the winter season, we may need to rely on one another a bit more as economic realities hit closer to home. I encourage you to look through your newsletter and take advantage of programs and services being offered. As always, consider this newsletter an open invitation to contact my MLA office if you have any questions, concerns, or comments. Your input is valued and appreciated.

Thank you once again for allowing me to represent you in the Legislature; it is a privilege and an honour to be your MLA.

Sincerely,

Ken Cheveldayoff, MLA Saskatoon Willowgrove

We had a great start to our 2016-2017 school year at Dr. John G. Egnatoff School and we continue to strive for excellence under our motto of educating students to Learn and Lead Together. We have had a wide variety of learning opportunities this year both in the school and in our broader community and continue to look forward to the many learning activities we have planned for the new year. This year is a year of transition as our principal, Mr. Robertson, will be leaving the school in February to begin to prepare for the opening of Chief Whitecap School.

Kindergarten information for 2016-2017

We welcome your child to our school family for Kindergarten. If your child will be five years old, by January 31, 2017 he or she is eligible for Kindergarten. We encourage you to come in January, 2017 to register your child.

Our Kindergarten information evening will be:
Wednesday, January 18, 2017 at 7:00 p.m.
in our school library.

January–June 2017 Calendar

Jan 18 – Kindergarten Information Evening 7:00 p.m.

Jan 27–Staff Professional Day–No School for Students

Feb 20 – 24 February Break

Mar 10 – Staff Professional Day–No School for Students

Apr 14 – Good Friday–No School

Apr 17-21 – Spring Break

May 19 – Victoria Day – No School for students

Jun 9 – Staff Professional Day–No School for Students

Jun 29 – Last Day of School for Students

Extra-Curricular Activities

Our gymnasium, classrooms, and hallways are buzzing with active and engaged students. Fall activities are just winding down and the winter sports are ready to kick off. Some opportunities for students this term include indoor track, basketball, choir, and MakerSpace. Please feel free to check our website or call the school for any further information.

School Community Council

Our School Community Council continues to be very engaged and active. This fall they have organized two school fundraisers. As well, they continue to support and offer valuable feedback on the initiatives and learning that take place in our school.

This year our school division's priority is on both Literacy for Life and Mathematics. Here at Egnatoff School we are proud of the strength our student body shows in the area of literacy and it will continue to be an ongoing focus. This year our teachers are continuing their professional learning in the area of Mathematics. Our teachers are focused on learning about best practices in the area of math with a focus on computation and mathematical growth mindsets. We have collected data on each of our classes and are excited to see both the growth in our student learning and in their confidence!

Student Leadership

Our grade 7 and 8 student leaders are active in our school and we are proud of the leadership they display on a daily basis. The SLC is responsible for organizing school wide Spirit Days which encourage the positive climate of the school.

Students who are members of our We Day club are responsible for coming up with local initiatives which will give back to people in need in our community. So far this fall they have organized the We Scare Hunger food collection to support our local food bank. We look forward to their next event coming up in the new year.

Father Robinson School

503 Rogers Road, Saskatoon SK

SHERRY MCLEAN – PRINCIPAL

RALPH KUNZ – VICE-PRINCIPAL

It is hard to believe that Christmas is just around the corner... we have been very busy this fall at Father Robinson School and this first term of learning has flown by! Mr. Kunz and I are both new members of the Father Robinson School Community and we would like to take this opportunity to thank the staff, students and parents for making us both feel so welcome. Thank you parents and guardians for joining us at our three way conferences last month. It is always wonderful to celebrate your children's academic, social and faith growth with you. We are excited to have set goals for term two with you and your children and we look forward to working together so that all students can feel a sense of accomplishment and pride as they work towards meeting and exceeding their goals.

Weekly Advent liturgies planned and led by individual classrooms are beginning as Advent is here. All are welcome to join us as we journey ever closer to the birth of our Lord and Savior, Jesus Christ. Please check our school newsletters for dates and times. On December 6th, our school choir will be performing at the Knights of Columbus Carol Festival at TCU at 7:00 pm. Our Kindergarten to Grade 3 students will participate in their Christmas concert on Wednesday, December 14th – 6:30 pm at the Cathedral of the Holy Family. We will also celebrate as a faith community at our Annual Advent Mass at the Cathedral of the Holy Family on Thursday, December 21st at 10:00 am. You are welcome to join us for one or all of the above Advent events!

The staff and students wish you a Merry Christmas and a blessed holiday season.

KINDERGARTEN NEWS!

Putting Faith in Education

Share the excitement of learning in a Faith-filled Kindergarten experience at Father Robinson School. Children must be five years of age by January 31st, 2018 to start Kindergarten in the Fall 2017. Come out to our Kindergarten information evening which will be held on Tuesday, January 31st in the library to learn more about our school and the programs we offer, the Kindergarten Early Learning Curriculum and to ask questions that you might have about Father Robinson School.

HAPPY LITTLE HEARTS PRESCHOOL

HAPPY LITTLE HEARTS PRE-SCHOOL is a non-cooperative Pre-School located in Father Robinson School for 3 and 4 year olds.

Qualified teachers look forward to a wonderful learning experience for your child(ren).

For more information please email happylittleheartspreschool@hotmail.com

SaskTel 

We believe that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports. KidSport™ provides support to children in order to remove financial barriers that prevent them from playing organized sport.

How does KidSport help?

- KidSport provides grants to children from families facing financial obstacles so they can participate in registered sport programs.
- KidSport supports programs that provide children with a sustained sport experience led by qualified instructors.

Who is eligible to receive a KidSport grant?

- Families that are on a low income, unemployed, currently receiving income support through provincial government are all considered eligible.
- KidSport considers social and economic barriers facing the child's family when determining eligibility.
- Grants are for children and youth 5 to 18 years of age. Applications for children younger than 5 will be reviewed and may be deemed eligible in extenuating circumstances.

What does a KidSport grant cover?

- Children could be eligible for up to, but not guaranteed financial support of \$750.00 per child per calendar year. (Jan-Dec). Supporting registration fees is the main priority of KidSport but in the event that there is funding available equipment request may be considered.
- Applications must be submitted before the start date of the sport activity.
- Costs related to dance, camps, travel, championships, high performance, etc. do not qualify.
- Activities must be considered "sport". For a list of eligible sports please visit www.kidsport.ca/sk

What are the funding arrangements?

- KidSport issues funds directly to the sport organization or community association on behalf of the child.
- Any unused funds must be returned to KidSport.

How to apply to KidSport:

1. Contact KidSport to get an application form. Application forms are also available on our website www.kidsport.ca/sk
2. Find a sport program your child would like to join and register him/her.
3. Complete the KidSport application form to request a grant towards registration fees and /or assistance with equipment. Incomplete application forms will be sent back for completion.
4. Mail or fax the completed application to your local KidSport Chapter.
5. Application is reviewed by KidSport. Please allow up to 30 days for notification of application status.

When the application has been approved, KidSport sends a letter and cheque to the sport organization for the fees.

KidSport Saskatchewan serves communities throughout the province where Local KidSport Committees do not exist.

For more information, contact us:

KidSport Saskatchewan
1870 Lorne Street, Regina, SK S4P 2L7

NOVEMBER 2016 INFORMATION UPDATE

JOHN AVANT POND HR INDICATES AN AREA OF HIGH RISK, THESE INCLUDE BUBBLE PLUMES WHICH CREATE AREAS OF UNSTABLE ICE.

The City of Saskatoon has a policy and program that addresses the use of storm water retention ponds for recreational purposes. The policy outlines safe and permitted ways to use these ponds. The program includes a detailed education component, including information signs at the ponds and on the City's website. Residents are reminded that they can use the John Avant Pond for recreational use as outlined below.

1. What is a storm water retention pond?

A storm water retention pond is an engineered artificial body of water. Its primary function is to protect residential property from flooding by storing peak storm water flow and street run-off and releasing it into the storm sewer collection system in a controlled manner. These ponds are an important part of the City's storm water management system.

Residents should be aware that in the winter water entering into the pond can cause ice to become unstable.

2. What recreational activities are permitted on the ponds?

Activities such as skating, broomball and hockey are permitted during the winter months. Summer use is restricted to non-motorized boating, (I.e. paddle boats and canoes). Swimming is not recommended.

Note: If one intends to use the ponds for activities such as winter carnivals or summer events, a Special Event Permit is required. All users of the ponds, whether during the summer or winter, do so at their own risk. Ponds are not supervised. The City may for any purpose close the pond for any use for any length of time. Please follow good water and ice safety practices.

3. What must I know about winter use?

Anyone who skates on ponds needs to consider ice safety and thickness. At John Avant Pond, there are several areas identified as high risk, namely the inflows and outlets that carry water through the pond. There can also be small openings of water that are a result of a bubble plume effect that is unique to this pond. These high risk areas are indicated on the back page of this flyer and on the signage at the pond.

Ice thickness is measured by Fire and Protective Services until it reaches 16 inches. At 8 inches, warning signs posted around the ponds are covered and the pond is open for use under the conditions outlined in the policy.

Vehicles are not permitted on the ice. Small, push-model snow blowers are allowed. Any other ice clearing equipment must be approved by the City through special permission only. Users assume all risk and maintenance responsibilities for the ice, (I.e. flooding, shoveling, safety, etc).

4. What must I know about summer use?

Non-motorized boating, solely propelled by human power is permitted. For public safety, any activity that may result in direct contact with the water is not recommended and the City makes no representation on the quality of the water within the storm water retention ponds.

For more information on the permitted recreational uses of the John Avant Pond or for a copy of the policy, visit our website at: www.saskatoon.ca/ponds or call the Community Development Division office at 975-3378.

Erindale Cooperative Preschool

at
Dr. John G. Egnatoff School

Registration for 2017/2018

Pre-registration is open to current and former families of Erindale Cooperative Preschool. Pick up your pre-registration package outside the preschool classroom on the following dates:

January 18th & 19th 9:00-9:30am & 1:00-1:30pm
