WHAT IS THE LAW

The law states that a legal wedding can only take place outside a licensed approved venue if they have a permanent structure with a solid roof and this is recorded on the license of the approved venue.

HOW YOUR CEREMONY WILL WORK ON OUR TERRACE

If the licensed venue does not have a permanent structure with a solid roof outside the venue a couple can still have a ceremony in the presence of their guests outside on the Terrace by meeting the Registrar and Superintendent Registrar prior to the ceremony and going through a legal ceremony making the required declaratory and contracting vows in the presence of the two witnesses and then signing the register.

The couple will then have a re-affirmation ceremony in the presence of all their family and friends outside. You will be able to exchange rings and promises including any other enhancements to the ceremony as long as they were previously discussed with the Registrar prior to the wedding date.

For further legal details call 02920 871 684 or ceremonies@cardiff.gov.uk.
