1. Have a glass or two of bubbles and giggle with your closest friends and family the night before (don't drink too much!).
2. Wear a dress shirt when getting your hair styled.
3. Couples should make a list of all the things they need to do on the morning of the wedding.
4. If you bought new shoes for the big day, be sure to break them in ahead of time.
5. Don't forget a wedding day survival kit (a stain remover pen, lipstick, band-aids and anything else that might fix a minor emergency).
6. Take a few selfies and put your phone away.
7. Pack flat shoes for the reception.
8. Give the DJ a list of songs you want to hear.
