WHY FASTING & PRAYER:

Fasting is one of the most powerful spiritual disciplines of all the Christian disciplines. Through fasting and prayer, the Holy Spirit can transform your life.

Fasting and prayer can also work on a much grander scale. According to Scripture, personal experience and observation, we are convinced that when God's people fast with a proper Biblical motive – seeking God's face not His hand – with a broken, repentant, and contrite spirit, God will hear from heaven and heal our lives, our churches, our communities, our nation and world. Fasting and prayer can bring about revival – a change in the direction of our nation, the nations of earth and the fulfillment of the Great Commission. The awesome power can be released through you as you fast through the enabling of the Holy Spirit.

Instructions

We will begin our Corporate Fast on Monday, January 7, 2019 and end on Sunday, January 27, 2019. We will fast corporately everyday (including Saturdays and Sundays) from 6am to 6pm by eliminating food during that time and joining together to pray as a Church Family.

Make your commitment with God, not with man. The arm of flesh will fail you, but God will sustain you in every spiritual endeavor. If you are fasting to impress men, you have your reward. Ask the Holy Spirit to clarify His leading and objectives for your prayer fast. This will enable you to pray more specifically and strategically.

Know the purpose of your fast. Corporately we are fasting to uproot enemies to the profit of the Word of God in our lives, negative words and their effects and anything that will uproot our harvest if we don't address it. Personally, why are you fasting? What gates, doors, and keys are you looking to possess? Be specific. Is it for spiritual renewal, for guidance, for healing, for the resolution of problems, for special grace to enter a door of increase, marriage, ministry, etc.? Write your issues, prayers, supplications down and be ready to hear God's answer or track your progress toward closure. Sometimes we can become so engaged in a spiritual activity, we lose sight of its intended purpose. When this happens, pride (spiritual pride) can be attached to fasting although fasting is supposed to produce humility.

Fasting is about bringing the body into spiritual balance. An effective fast will produce long lasting health benefits. The outer body will reflect the state of the inner man.

This fast is a Six to Six fast: What will you absolutely eliminate? If you are breaking at six where will you be when you break? Will you be able to pray effectively if you are breaking at six? When you have set a time to break, identify and determine how can you highlight to yourself the fast is about prayer and spiritual issues more than food and obeying the urges of the flesh to eat at six? Plan, plan, plan.

TIME CONSTRAINTS

How much time will you commit to Prayer and Fasting?

How much time will you pray, read, study, meditate and spend with God? How will you eliminate distractions due to other requirements?

Buy a journal to record prayers, thoughts, etc. Write down in your journal all that God is saying from Day 1 of the Fast.

If God tells you to go longer or to eliminate more, your writings will help to encourage you that what you are hearing is in line with your progress.

DANGERS TO GUARD AGAINST:

The Bible doesn't speak at all on the physical dangers of fasting but please check with your doctor if you're on medication, pregnant or breast-feeding. Those who are breastfeeding may consider doing vegetables only or switching their fast from 6pm to 6am—that means no eating after 6pm.

Self-Preparation

Prepare yourself spiritually. The longer you have to get ready for a long fast, the better. Don't talk yourself out of it if you haven't had enough time to prepare. Some of us, God has been asking for an audience in fasting and prayer with you for years. Begin the journey and pray for Grace to fulfill this spiritual requirement.

Pray Psalm 51 daily. Confess every sin. Make sure there's no ill will or evil intention on your heart. Remove all rocks of offense. Seek forgiveness and forgive others immediately.

Read from the book of Proverbs each day.

Prepare yourself physically. Flush it out. **Drink lots of water.** Take a laxative or an enema. **Rest as much as you can.**

Quick Tips

- Put yourself on a schedule. This helps to stabilize you.
- Read, study, pray
- In the morning, pray 30 minutes to an hour – wake up specifically to pray
- In the afternoon, walk and pray during the time you would normally eat - In the evening, pray in your prayer room.
 - Create a meeting place for you and God.
- The body will begin to recognize this place over time and make certain adjustments. If you lay down, the body will go into rest mode. If you get in a posture of prayer, the body will adjust its systems for this activity.
- Command your morning at midnight. Get on the prayer line and join others in corporate prayer. It will encourage you and help you gain stamina to pray.
- End the Fast gradually
- Expect results
- Do a Timeline in your Prayer Room.
- Put the Warfare on the wall and track answered prayer – it will encourage you to keep going.
