To the right of the boy, the text "Preschool and Kindergarten Registration" is written in a large, white, sans-serif font. ST. GABRIEL PTU PRESENTS:
JESSE WEINBERGER,
INTERNET SAFETY SPEAKER
ST. GABRIEL SCHOOL
MAY 30, 2018
7-9PM, MPR
ALL PARENTS ARE WELCOME
Due to sensitive nature of the discussion
children are not permitted to attend

ABOUT JESSE
OVERNIGHT GEEK UNIVERSITY, FOUNDER
AUTHOR OF THE BOOGEYMAN EXISTS.

We will be reviewing criminal cases in the news and their tragic outcomes. Parents interested in attending should be alerted in advance to make arrangements for childcare. Ideally parents will be exposed to this course before their child starts the 3rd grade, which seems to be the 'magical' time when parents are purchasing smartphones to their children. This presentation reviews specific platforms which to avoid, which to allow with privacy settings, and what to watch out for in general. Parents will be given a sample family digital use policy which can be edited to suit any family dynamic.

We receive proceeds from every sale and these high quality, locally grown flowers and vegetables. They also make great gifts for your friends and family in the area. Brighten up their day by sending them a hanging basket of flat of annuals with a message from you.

Thanks for your consideration.

The Movie: The Mission

Jesuit priest Father Gabriel (Jeremy Irons) enters the Guarani lands in South America with the purpose of converting the natives to Christianity. He soon builds a mission, where he is joined by Rodrigo Mendoza (Robert De Niro), a reformed slave trader seeking redemption. When a treaty transfers the land from Spain to Portugal, the Portuguese government wants to capture the natives for slave labor. Mendoza and Gabriel resolve to defend the mission, but disagree on how to accomplish the task. Rated PG.
