## EVPS Values

Respect  
Honesty  
Caring  
Excellence  
Responsibility

### School Motto

*'From Little Things Big Things Grow'*

**PLEASE REMEMBER** we are an 'egg & nut free' school: no eggs, peanut butter, nuts or nutella spread to come to school at any time. Please assist us to keep our students safe. Thank you.

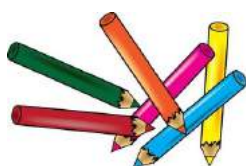

## Assistant Principal Views

### ABSENCE

Pauline is currently on leave, dealing with an injured leg. We wish her well in her recovery. She aims to return next week, however in the meantime I am available to assist in an Acting Principal Capacity. Please ask for me at the office if you need me.

### LUNCHTIME CLUBS

Can I please ask that all parents discuss playtime options with their children. There are so many options available to our students and these options are important if your child is feeling uneasy in the yard or if their best friend is absent. On yard duty today I saw children on play equipment, in the sand-pit, sitting in quiet areas, at the canteen, playing ball games and feeding the chickens. In addition to all these options we have lunchtime clubs such as Soccer Club, Drawing Club, Lego Construction, and Board Games. Students have so much choice at Epping Views and we want them to be aware of what is available.

### OFFICE HOURS

Just a reminder that our office hours are as follows:

Monday to Friday 8:30am to 4:15pm

Also the Uniform Shop is open every Monday, Wednesday and Friday. On Thursday mornings we have an Arabic speaking staff member available from 9am until 12pm for your convenience.

### CENSUS

Last Thursday was Census day. We currently have 1363 students across 60 classrooms. This is down from 1367 at the same time in 2018. Census day data plays a large part in the funding allocation that schools receive.

### SCHOOL PROJECTS

Our Maintenance team consisting of Neville and Gerrard have been completing a number of exciting projects across the school lately. We have had both sandpits topped up, new cabinets set up across the school and fantastic new turf that has been laid at the Epping Views Kinder. Check out the green lawn next time you walk past!

### KITCHEN GARDEN

Our newest specialist subject is Kitchen Garden, a subject involving cooking, food preparation, growing natural foods and learning about restaurant expectations. It has been a hit amongst many of our students. Classes are held in our Kitchen Garden room and our Vegetable Garden as students grow and then prepare different edible items. You may have studied Home Economics or Food Tech at school in the past and this subject provides similar experiences for our children. Parents wishing to volunteer as an assistant in this subject would be most welcome. Helen, Leeanne and Rosie can be contacted via the office.

# EVPS WATER FUN RUN

Dear Parent/Guardian,

We will be holding the *School Fun-Run* as a major fundraising event this year on **20<sup>th</sup> March 2019!** We're doing it to raise much needed money for a school gym and the costs associated with planning.

#### About the Program

The *School Fun-Run* promotes healthy and active lifestyles while helping us raise funds! It's all about participation, with students treated to a great day as a reward for their fundraising efforts. Family support is key to our fundraising success and we encourage everyone to get involved.

#### How Does My Child Fundraise?

Firstly, go to [schoolfundraising.com.au](http://schoolfundraising.com.au) and create a student profile page. Everything to do with your fundraising revolves around this page. Once you have completed this, read through your Sponsorship Form, which has instructions on how to raise money and order prizes.

Students who raise just \$10 will receive a reward for their effort. The more they raise, the better their reward – don't forget to check these out in the sponsorship form! We have educated students on the dangers of door knocking without adult supervision, and we encourage you to reiterate this at home. The best people to ask for sponsorship are people you know (e.g. friends, family, work colleagues and neighbours).

#### Online Fundraising

The easiest way to help your child raise money is through online fundraising, where students raise an average of \$120. On top of raising more money, it's also safer and easier than doorknocking and you don't have to worry about handling money! To start fundraising online, go to your student profile page at [schoolfundraising.com.au](http://schoolfundraising.com.au) and share your online fundraising link.

#### Getting Involved

Not only can you support the school and students with your sponsorship – but you can join in on the fun! We would love to welcome parents and family members to attend the *School Fun-Run*. If you would also like to volunteer to help on the day, please contact me on the details below. I can't wait to see you at our event!

#### Ordering Prizes – ALL PRIZES MUST BE ORDERED ONLINE

Prizes MUST be ordered between the **22<sup>nd</sup> of March** and **29<sup>th</sup> of March**. Simply visit [schoolfundraising.com.au](http://schoolfundraising.com.au) to create / log into your Profile Page between these dates. Then click on the 'CLAIM YOUR PRIZE' button and follow the prompts. If you have any questions, please contact the *School Fun-Run* team on 1800 FUN RUN and they will gladly assist!

Thank you, good luck and happy fundraising!

Every student that creates a profile and raises \$5 or more will receive a 10 point caught ya card for showing excellence in supporting the school fundraiser.

Every week a random fundraiser for each year level will receive the choice of:

- ★ Dip in Pauline's Goodie Box
- ★ Assistant Principal for an hour
- ★ 30 minutes of free time
- ★ Free lunch order
- ★ Feed the frogs for a week

**PARENTS:** If you are available to help on the day, please let the office staff know as soon as possible!

## Term 1 update.

# School Banking. Helping kids learn the value of saving.

## What pocket money can teach your child.

Pocket money can help teach kids about the value of money and how to look after it. However, there's no 'one size fits all' approach and it's important to decide what's right for your family. Research of over 1,000 parents of primary school students revealed that 55% give regular pocket money^ and here's how they manage it:

Over half give less than \$10 per week (\$5 - \$10 is the most common range). There's no right or wrong – the amount should suit your family situation.

Around 4 in 5 parents link pocket money to the completion of a chore or task. This can help children understand that money needs to be earned.

On average, kids save about half of their pocket money each week. Learning to put money aside for a bigger goal is a valuable life skill.

## Join the Dollarmites on a Polar Savers adventure.

The majority of parents think it's important to make learning about money engaging and to reward good saving behaviour^. So to help, our Dollarmites characters (Pru, Addy, Spen, Lucas and Pat) are taking School Bankers on a Polar Savers adventure, that's full of exciting rewards.

Students participating in School Banking will receive a silver Dollarmites token each time they make a School Banking deposit at school (maximum one per week). Once they've collected 10 tokens, they can redeem them for a Polar Savers reward.

### Polar Savers Rewards:

**Term 1:** Scented Stackable Highlighter, Snowy Origami Set

**Term 2:** Yeti Fluffy Notebook, Icicle Slapband Ruler

**Term 3:** Arctic Owl Fluffy Keyring, Scratch Art Cards

**Term 4:** Water Skimming Bounce Ball, Polar Pencils & Pencil Toppers

## School Banking Deposit Tracker.

Colour in a number every time you make a deposit at school. For every 10 School Banking deposits you can redeem a reward.

To find out more about the School Banking program and how to get your child involved, ask your School Banking Co-ordinator for a School Banking Parent Pack or visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)
