WELCOME MESSAGES

Dear Friends and Colleagues,

On behalf of The Iranian Society of Knee Surgery, Arthroscopy and Sports Traumatology (ISKAST), I'm very pleased to announce the 6th International Biennial ISKAST Congress, which will be held on 13-14 & 20-21-22 May 2021 Virtually.

The ISKAST 2021 Congress will include an excellent variety of educational opportunities, regarding all aspects of the knee surgery and sports traumatology, sports medicine issues.

We hope this event would present as the best opportunity for participants to learn and share their knowledge and experience with the outstanding international faculties.

We also encourage the congress participants to take advantage of time saving by being in a great congress virtually from their home or office.

Thank you in advance and we are looking forward for your active participation in this outstanding international virtual event.

Mohammad Razi MD

ISKAST President

WELCOME MESSAGES

Dear Friends and Colleagues,

We cordially invite you to the 6th International Biennial ISKAST Congress, 13-14 & 20-21-22 May 2021 (Virtual Congress).

The ISKAST Congress continues to be considered an important regional and international meeting, providing an opportunity for attendees to share, discuss and learn the latest advancements in arthroscopy, knee surgery, sports medicine and sport traumatology.

The five day ISKAST 2021 Congress offers a variety of educational opportunities; such as knee surgery, arthroscopy and sport reconstruction surgery in hip, ankle, shoulder and elbow, the latest approaches to clinical management, combined with overviews of current controversies in arthroscopy and sport medicine practices.

During the congress, diverse multi-disciplinary faculty will present instructional course lectures and signifying ethical issues in current orthopedic practice, new and emerging research and exciting trends.

The 2021 ISKAST Congress will be held virtually.

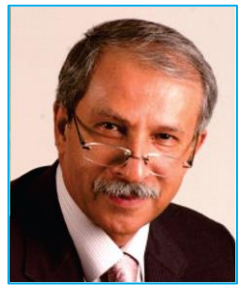

You are a vital part of the 6th International Biennial ISKAST Congress.

We hope you will plan to participate in this international scientific event.
