 - I. Notify the Horse and Pony Committee to be stalled in the Jr. Fair Horse & Pony Complex or the Draft Horse Club to be stalled in the Sr. Fair Draft Barns by skillathon.
5. Fair – Small Equine Project must pass Body Condition Scoring held next to 4-H Horse Barn prior to stalling. Not meeting a body score of 4 or higher is cause for dismissal from fair. “Uniform Rules for 4-H Horse Shows, pg. 11, 36. Because of animal welfare concerns and the image that 4-H want to present, horses with a body condition score of less than a 4 (ribs easily discernable, tops of spinous process easily discernable, tail head prominent with hook bones easily discernable, withers accentuated, and neck obviously thin), obviously sick horses, and horses with a Grade of 3 or greater lameness (consistently observable at the trot; marked nodding, hitching, or shortened stride; and minimal weight bearing in motion or at rest) should not be allowed at 4-H shows. The show manager, show vet if available, or the judge can dismiss a horse from the show for these reasons.”
6. Small Equine Project members will need to pay required \$25 sponsorship by August Skillathon. Small Equine Projects/Members are encouraged to participate in classes held in the 4-H Horse Area only if Small Equine Projects are **not** shown by nonmembers on Thursday.
