## President's Message

Welcome to Action Park, 2016 is Maryborough Motor Cyclist Club's 101<sup>st</sup> year of continuous operation and we are proud to present another instalment of the Wide Bay Titles. Our club has regular events throughout the year and new members are always welcome.

I would like to take this opportunity to thank the volunteers from our club who have worked tirelessly to have Action Park ready to host our visitors from interstate and across Queensland. Whether it be cleaning, painting, marking the lines before race day, organising the entries or waving the chequered flag, these volunteers keep the wheels turning at Action Park. We would be lost without you, thanks very much for your time and effort.

This year we have sponsors for all our races, their generous support makes the event possible and more affordable for the riders. You'll see them listed throughout this program, check out their services and try to support the business' that support us.

I'd like to wish the riders the best of luck and hope you all perform to the best of your ability while displaying the true spirit of good sportsmanship. Thanks for your support, I hope you have a safe day and enjoy your racing at Action Park.

*Brad Brown*

## RACE FORMAT

Racing will be conducted over rounds of four laps for each event. Riders will be scored using the standard Dirt Track points system, with the highest point scorers on the day being the winners. The **KD Moto Over 250cc Solo** class and the **Maryborough Motorcycles All Powers Solo** class will be conducted over heats and the top twelve point scorers will contest finals for each of these classes. Finishing position in these finals will determine overall placegetters.
