WELCOME TO BERLIN AND ASIA APPAREL EXPO

Now in its eighth edition, **ASIA APPAREL EXPO** again presents a carefully-selected group of Asian apparel suppliers under one roof. Products on show include mens, womens and childrenswear, fashion scarves and shawls, footwear, fabrics and textiles, as well as trimmings and garment accessories.

This year there is an increase in companies participating and we hope that you enjoying meeting the 400+ experienced manufacturers direct from **Bangladesh, China, Hong Kong, India, Nepal, Pakistan, Thailand, Taiwan and Vietnam** displaying the quality and competence of their production capability, along with the hallmarks of Asian apparel supply - high productivity and speed to market. We are also pleased to welcome new comers from Ethiopia, France, Germany, Myanmar and the United Kingdom.

Asia remains the world's number one destination for apparel manufacturing and ASIA APPAREL EXPO connects clothing manufacturers and fabric suppliers all providing low cost, high quality and stable product supply to European brands. Berlin, as a key fashion capital located in the centre of Europe, and Asian manufacturers which lead the world with their investment in factories, supply chain infrastructure and training of the labour force employed in their apparel and associated industries provide the ideal combination to expand trading between East and West.
