# Training schedule

## Activities:

The players at Aberdeen need a schedule so they know when they need to train, eat and rest.

- Using the clock faces can you draw on the hands of the clock to help them with today's training schedule?
- Can you work out how much time is between each activity?
- Can you create your own schedule for your school work for one day?

Remember the short hand shows the hours and the long hand shows the minutes.

Each number on the clock face represents 5 minutes

Wake up at 7:30

Team breakfast at 8:35

Training starts at 9:20

Shower after training at 11:45

Lunch at 12:30

Press conference at 1:15

Team meeting at 2:25

Photo shoot at 3:10

Home to rest 4:00

**£2.33**

**Francesca Ogilvie**

**Jonny Hayes**

If you didn't have the exact change and only had a £5 note what change would you get from each amount?

If you need some help practising counting money why not...
