Angel Numbers by Doreen Virtue, Why do I always see the same numbers everywhere I go?" This is one of the most frequently asked questions posed by attendees at Doreen Virtue's workshops around the world, and many people continually consult the chapter in her book Healing with the Angels that deals with angel numbers.

Doreen and co-author Lynnette Brown explain that the angels give us messages in the form of number sequences. For example, you may have noticed that you frequently see the same numbers (such as 111, 333, or 444) every time you look at a clock, glance at license plates, or dial phone numbers. This handy guide provides an interpretation of numbers from 0 to 999, including more complex number sequences such as 123, 337, 885, and so on. Angel Numbers will help you instantly understand the meaning of these signs from above! **Price \$13.95**

Care and feeding of Indigo Children by Doreen Virtue, Indigo Children are bright, intuitive, strong-willed, and sometimes self-destructive individuals. They are often labeled (and misdiagnosed) as having ADD or ADHD because they won't comply with established rules and patterns; and they may exhibit behavioral problems at home and at school. In *The Care and Feeding of Indigo Children*, Doreen Virtue explores the psyche of these special kids and offers alternative solutions to Ritalin based on her extensive research and interviews with child-care experts, teachers, parents, and the Indigo Children themselves. Read the accounts of these remarkable young people as they explain why they act-out, are aggressive or withdrawn; and what they want from the adults in their lives. You'll also be fascinated by the psychic experiences that these kids have had in their lives so far. This is a groundbreaking book that can positively affect the ways in which you interact with your children, altering the shape of their future in miraculous ways. **Price \$24.95**

They talk about past lives, distant galaxies, and profound insights concerning peace and love. This book covers many issues that affect these special kids (such as healing abilities, connections to nature, eating habits, and so on) and also includes interviews with the Crystal Children themselves and their parents and teachers. Angels 101 CD by Doreen Virtue - Do you have a book about angels for someone who's a complete beginner?"

Doreen frequently heard this question at her workshops, so one morning when she clearly saw and heard the title Angels 101, she knew that the angels wanted her to write a basic primer on the subject of these celestial beings.

This abridged audio book is the result of that angelic directive: a nondenominational overview of who the angels are, the ways that angels help us, and how to call upon them. No matter where you are on a spiritual or religious path, this program is sure to deepen your understanding and love of the angels!

Welcome Melissa

NAME: Melissa Jane Parker
DOB: 13th May 1970

NOTES/FEELINGS:

I am connecting with you and I feel vibrations going down my left leg from knee to heel. Take care in that area of your body.

Your Personal Card/ You in a nutshell: Page Pentacles: It is time to put business cards, brochures, etc out there as you try new avenues. You will be busy planting the seeds now to see what will flourish and be able to be harvested in the future.

You're Blessed: The World Card: You may be a little hesitant in expanding and trying new directions as you know you will do well, but that may change your world as you know it today and I feel that may be your block. I have calculated also that you are in a general 9 year cycle in your life which is completion on all levels of your life without choice. So, the universe is clearing all that is from you do not need around you. Know this phase will pass by 2008 birthday. Then you will be enjoying a 1 cycle of new beginnings. So this all means that at this time you may be wanting to move forward, but things are just not quite feeling right at the moment. Now let's move on.

Your Past Card: Page of Swords: Tells us that in the past month you may have needed to bang or promote yourself. Ask and you will receive. Did you?

Your thoughts right now Card: 3 of Wands: Travel, plain and simple.

What is happening now Card: King of Wands: says pay attention to young males in your life, they will give you some good ideas. You know he is very intuitive and forward.

A heart card looks at your Near Future: 9 Cups: This is my commitment or small contract cards, where you will look into the near future into having a small area.

1st Month Card: Knight/Cup of Swords/Swords/Ace of Swords: Wow, over the next month it says say women and conflicts will soon pass. Advice to support that is stop being the martyr and stop thinking that you have to be successful and do everything yourself. Hand over some responsibilities so the new energies of more solid foundations can come on in. All this will happen as you realize you love life, whoops! said it, but it feels sure to connect again hey.

2nd Month Card: 9 of Wands/The Fool/4 of Wands/Queen of Wands: says that in the second month of your reading you will give a person or a situation another go and you will understand why. I like a big breath and get down on all fours the fool it is ok. In this month things get a little hectic, where lots are happening in your life, but the universe is keeping your life busy, so you do not over think change and stuff it up. Here it may have to do with a matter female that you may know, young at heart, intuitive and can be very busy in her own life. Your mum is coming to mind?

3rd Month Card: 10 of Wands/High Priestess/Knight of Swords/The Emperor: Within 3 months I feel the year will settle for you as you have the confidence to settle things as you left and have the courage to step out in decisions that you feel you need to do. Trust your inner guidance as you are correct in your thoughts. The universe says full change ahead you can handle anything that comes your way. A nurturing and nurturing time ahead for you.

I see someone coming into your business to support you, like a secretary. They say give her a go as that will free you up a little. 6 months on timing.

MAJOR CARDS IN YOUR SPREAD IS 4: A FOUNDATIONAL SPREAD FOR YOU.

Numbers YOUR LIFE PATH NUMBER IS: 8. Meaning, that you will always be successful with anything you turn your hand too and you will never be shy of hard work. 8 is the money number as you learn to balance and manage money matters.

PS: My guides say a more clear quote next to your computer will keep you on track with clear thoughts. Just an idea. Blessings to you.
