

Welcome to "Paddle 2015"

**Paddle Round The Pier Beach Festival** are delighted to once again be hosting the largest Surf Life Saving competition outside of the West Country. "Paddle" as it is affectionately known began in 1996 as a social event & to raise money for charity. Testament to its continued popularity with visitors from all over the world, the event saw visitor numbers in 2013 of around 55,000. With over £6000 prize money and the biggest party for all – you're gonna love it!

#### **Prize Money**

Up to £6000 is available for SLSGB clubs that compete at Paddle thanks to sponsor JEEP. £1000 of this purse will be awarded to the club with the largest number of accumulated points over all classes and categories.

In addition £500 has been set aside for clubs as a Wildcard Raffle prize. A club will automatically be entered for this if they bring along 30 or more lifesavers to compete. The required 30 individual entrants can be across any category or class and need only enter one race in order to qualify their club for this offer.

#### **Where to stay**

There will also be bookable camping available on a first come first served basis especially for SLSGB competitors and their families. Boat crews and lifeguards working the event will be hosted by Brighton SLSC. Please see the separate sheet "accommodation".

Camping will be available from Friday evening through to Sunday morning.

Email Gareth (our trusty volunteer Paddle campsite manager!) if you wish to book in.

## ACCOMODATION information

Our campsite this year is at the Bodhisattva Centre right in middle of Brighton, just a 5 minute walk from Paddle at 3 Lansdowne Road, Brighton & Hove, BN3 1DN

### Facilities at site

As per previous years we offer pretty basic facilities but ask only that you share the cost of portable WC's and any security required. WC's and running water will be available but no showers or washing / drying facilities so please ensure to bring reasonably sized water containers to take to your pitch. There is a cafe within the centre which will be open on weekend mornings which offers vegetarian cuisine. However a full range of shops and restaurants are on your doorstep.

### Security

The campsite will be mostly unmanned and you should be responsible for security of your items.

### Pre-erected Tents

For late arrivals, there will be some pre erected tents that can be booked at a cost of an extra £20 per night. Most tents should accommodate 4 adults - book early to get the size that suits you.

### Parking

Parking is available on a first come first serve basis for cars/small vans only (no motorhomes sorry).

We have a limited number of pitches available so please contact Gareth Anderson at [slscamping@paddleroundthepier.com](mailto:slscamping@paddleroundthepier.com) as soon as possible to avoid disappointment.
