“Dr. Art Saved My Life!”

“I was dying from Crohn’s disease.

I am Case #40. Dr. Art saved my life!

The power of the mind for self-healing is now clearly revealed. Mind Medicine is a testament to the Healing Power Within. I am a living witness!”

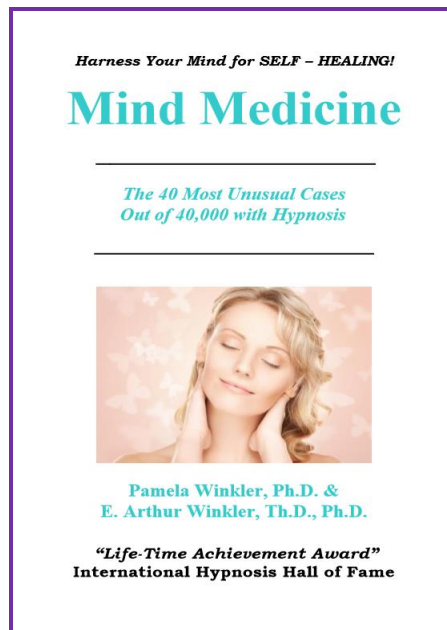

- Rev. Fran Pieper, M.S., St. Charles, MO, Hypnotherapist, Minister -
Director of Gateway Center for Spiritual Growth

“This is Our Real Connection to God”

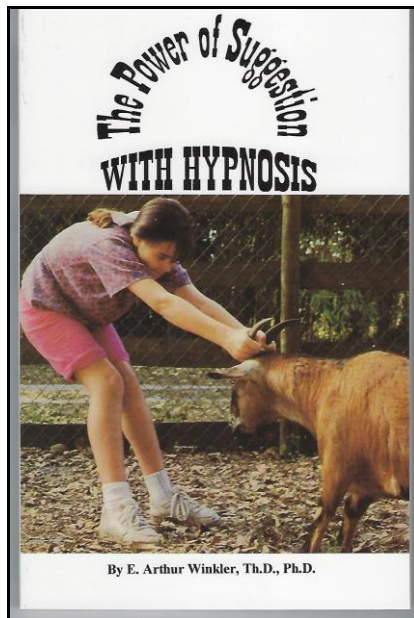

“These incredible cases exhibit the profound healing power of the subconscious mind.

Drs. Pam and Art are the first to tell you, they are not healing anyone, but are guiding each person to heal themselves. This is the real human connection to God. My admiration for their dedication to serve is sincerely heart-felt.”

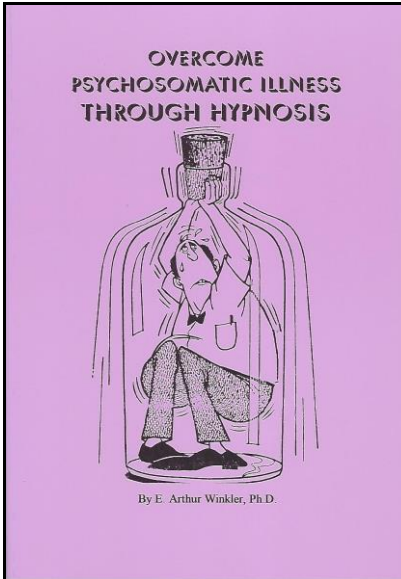

- Ray Miramontes, Ph.D., Bonita, CA, Minister, Hypnotherapist, Civil Engineer -

Subliminal Self-Healing CDs

During the 1960's, Dr. Art Winkler was a pioneer in the scripting and recording of subliminal self-healing cassette tapes that were later converted to CDs. Thousands of people have been helped by listening to these self-healing CDs.

You will consciously hear beautiful music, birds, and other relaxing nature sounds, as your inner mind benefits from hundreds of therapeutic subliminal suggestions that are recorded under the music. The script, with the word-for-word affirmations, and directions for how to use for auto-suggestion, will be sent with each subliminal CD ordered. It is suggested that you listen to a subliminal CD daily for at least 30 consecutive days.

These long playing subliminal CDs can be played as background music while you are doing other things.
