## *Ramblings from Fr. Michael*

Greetings of love and peace to you all. I hope and pray that my words are finding everyone healthy and well.

One of the practices I had in previous parishes was of offering the Sacrament of the Sick (Anointing of the Sick) to anyone wishing to receive it. This was offered following the morning Mass once a month in church. I have decided to begin this practice here at St. Michaels. Beginning next month, May, the Sacrament of the Sick will be offered on the first Wednesday of each month following the 8:00am Mass. Any one preparing for surgeries or those who need healing in their lives are invited to avail of this Sacrament.

This past weekend I was attempting to reach a parishioner from St. Michaels. Imagine my surprise when I realized that I couldn't make contact because the person has never registered at the Parish. I want to ask everyone who considers themselves parishioners to ensure that you are registered. Also, if you know that you are registered, but need to update, please let us know. I am interested in ensuring that all our records are accurate and updated. Thank you for understanding and for being part of our wonderful parish.

I want to let everyone know that our Mass times on our parish web site are accurate. These times are also available on the Diocese of Venice web site, as well as, on [masstimes.org](http://masstimes.org). Note that there is another St. Michael Parish in our Diocese of Venice. It's St. Michaels in Wauchula in the middle of the state. These Mass times are different from ours.

There is also a St. Michael the Archangel Catholic Church in Garland, Texas as one of you found out last week. They have different Mass times too!!

Wishing everyone a blessed week.

Father Michael
