

WELCOME TO THE KISS KRUISE!

We are just a few short weeks from sailing and we know you are eager to get all of the details squared away so you can sit back, relax and get ready to rock out! To assist you, we have compiled information to help you confirm and register for the cruise, a **“KNOW BEFORE YOU GO”** checklist of information you will need before the cruise of what you might want to pack, what not to pack, and what to expect. We have also added a handy **“GETTING THERE”** page with all of your useful numbers, contact information, and directions. If you have any questions, please do not hesitate to contact us at 1-877-379-9183 or via email kisskruise@sixthman.net and we will be happy to answer them.

REGISTER FOR YOUR CRUISE

You should have received the cruise confirmation for you and for everyone in your cabin via email. This cruise confirmation contains your Carnival Booking number, which you will need to register for Carnival’s Boarding Pass system. The Lead Passenger can register everyone in the cabin, or everyone can register separately. You **MUST** register for and **BRING** your Boarding Pass to the port to board the ship – This is your cruise ticket and will be required for entry into the terminal.

If you have not received this information please contact us at 1-877-379-9183.

Register With Carnival:

- Go to www.carnival.com/mycruise and click on the “My Cruise Manager” button, then click *Access Your Booking Now*.
- You will then be asked to enter your booking number, your last name, date of birth, the ship name (**Carnival Destiny**) and the sail date (**October 13, 2011**). You will see a page called My Cruise Manager, where your reservation will be listed.
- Click on the drop down menu under *To Do List* and then click on *Check In/ Boarding Pass*.
- You will see passenger information needed for all guests in the cabin. The Lead Passenger can fill it out for all cabin mates, or you can fill it out individually.
- When filling out passenger information, you will complete four steps including: passenger info, setting up Sail & Sign accounts, accepting the ticketing contract and travel info. Fill in all the information, and when you complete step 4, click on *View Cruise Documents*.
- On the view cruise documents page you can print your boarding pass (individually or all in one), general information about the cruise, the ticket contract and your luggage tags. Check each item that you want printed, and click submit. A pdf will pop up for you to print your selected items. The only thing you absolutely have to print is your boarding pass, so be sure to do so.
- Once completed, you can now register for shore excursions, spa services, and shuttle transfers to & from the airport.

If you have questions regarding the steps in this process, please contact Carnival at 1-888-227-6482. However, if you find errors with your *personal information*, (misspelled name, wrong birthday), please contact Sixthman at 1-877-379-9183.

Booking Excursions: Once you have completed the registration process listed above with Carnival, you will be able to book shore excursions & shuttle transfers to and from the airport for your cruise. If you have any questions about shore excursions, please contact Carnival directly at 1-888-227-6482. You will also be able to book excursions onboard.

IMPORTANT: You must bring your printed Boarding pass to the port of Miami on embarkation day. This is your boarding pass, and you will not be permitted in the port without your boarding pass and passport! US citizens without passports may board with a certified copy of their birth certificate along with a government issues photo id (such as a driver's license). **DO NOT PACK YOUR DOCUMENTS IN CHECKED LUGGAGE!** *In fact, just go ahead and print out your boarding documents and pin them to your shirt!*

KNOW BEFORE YOU GO

BOARDING AND DEBARKATION ON THE CARNIVAL DESTINY

On boarding day, you should bring your printed e-documents with you (meaning your boarding pass for entry into the terminal) as well as passport, or both a photo ID and Birth Certificate.

You need to arrive at the port **no earlier than 12:00pm and no later than 3:00pm Thursday, October 13, 2011**. Everyone **MUST** be on board by 3:00pm, as we will set sail at 4:00pm.

Please plan to carry on with you any essentials, including your boarding pass, your passport / birth certificate / photo ID and any medication or valuables, since it could take several hours for your checked bags to be delivered to your cabin. You can carry on items that measure 24" w x 16" h (there is no restriction on the length of the bag).

At the port you will hand over any luggage you wish to check to the porters and your bags will be delivered directly to your cabin. Each piece of checked luggage must have a luggage tag listing your name, ship and cabin number. Luggage tags can be printed prior to the cruise during registration for e-documents and additional tags may be obtained at port. **Please note that curbside porters are not employees of Carnival and it is customary to tip them \$1 per bag.*

CRUISE TIP: We know you guys are the Super-est of Superfans, and there will be a ton of time to pay homage to your favorite members of KISS! All that Krazy KISS action starts once you get on the ship, and doesn't end until we dock on the final morning. That means it's very important that you **do NOT wear** anything that covers your face on boarding day, which includes wearing **your rockin' KISS makeup** to the port. For your own safety and protection, your photo will be taken upon boarding the ship and attached to your on board spending account, much like a photo on a check card. Please remember to save the makeup for after your Sail & Sign photo is taken.

We will return to the port at approximately 8:00am Monday, October 17, 2011. It is recommended that you do not book a return flight any earlier than 12:00pm for your return home.

SAIL & SIGN CARD/SPENDING MONEY ON THE BOAT/GRATUITIES

Included in your online registration process is an application for, and details regarding, your Sail & Sign Card. While on board, everything you purchase from Carnival such as beverages, items from the Duty-Free shop and shore tours will be paid for on your Sail & Sign card. You cannot use cash or your credit card for these items. You can also purchase items in the official KISS Kruise Merch Store with your Sail & Sign card.

Gratuities for your cabin steward, wait staff, etc. will be charged to your Sail & Sign card at the end of the cruise in the amount of \$10 per person, per day. That is a total of \$40 per person.

LOOKING AHEAD

Depending on the time you board the ship, you can either head up to the Lido Deck for some lunch, or go straight to your cabin and settle in. Guests will not be allowed in cabins until around 1:30pm. Once you get settled, acclimate yourself with the Carnival Destiny- your home for 4 amazing days of your life.

There will be a life boat drill at 4:00pm (Yes, you have to go to it. Sorry, it's the law!).

DINING

All dining on board is included in your cruise fare. You will have your choice of buffet style (available breakfast through midnight snack), formal dining (evenings 5:30pm to 9:00pm) and complimentary room service. Dining in the dining rooms is open seating during hours of operation.

ACTIVITIES

Each day, in addition to all the music, you'll be able to take part in a host of fun activities! Scheduling for the shows and activities will be in the event program and the Carnival Fun Times (a daily on board guide that will be delivered to your room).

Some highlights: *KISS Q & A, KISS Karaoke, KISS Trivia, Beers & Bingo, Cannonball & Bellyflop Contests, Halloween Costume Contest & Dance Party, KISS Look-A-Like Contest, and more!*

THEME NIGHTS

- **Friday - Horrifying Halloween Night** - Halloween is coming early this year for all you creatures of the night. We expect you to get dressed to the nines in your scariest, most ridiculous, or over the top costumes. There will be a dance party & kostume kontest where you can win awesome prizes!
- **Saturday - KISS Kasino Night** - Get dressed in your formal wear or throw on your best tuxedo T-shirt...and head to the casino to play with the specialized KISS KRUISE chips. Whether your game is blackjack, craps, or the good ol' slots...you're bound to have a rockin' time.

- Sunday - **KISS This!** – *All things KISS Night* – Pull out your most beloved KISS T-shirt or for the wild fan dress up like your favorite band member! How many Genes & Pauls can one Carnival Destiny Ship hold?

Dressing up for the theme nights is completely voluntary, but it's way more fun when everybody participates!

KISS INDOOR CONCERTS

You are guaranteed admission to one KISS indoor concert in the Palladium Lounge, and will have an assigned seat for it. When you booked your cruise, you chose a show (show 1 or show 2) and a zone. We have assigned you a seat within that zone based on the order you booked. You and your cabin mates have been seated together, unless you added passengers after 8/31/11. If that is the case, we did our best, but we can't guarantee you are seated together. You have been emailed your seating assignments, and your tickets to the show will be given to you during check in at the port, attached to your room key card.

ALCOHOL AND ILLEGAL SUBSTANCES

Guests **21 years of age and older** may bring on board **one bottle (750ml) of wine or champagne per person** only, during embarkation at the beginning of the cruise in their **carry on luggage** only. A \$10 corkage fee per bottle will be charged should you wish to consume this wine in the main dining room. Guests may bring a small quantity of non-alcoholic beverages. All prohibited alcohol, additional quantities of wine/champagne or excessive quantities of non-alcoholic beverages will be confiscated and discarded without compensation.

Absolutely NO illegal substances are permitted and all persons and bags are subject to search by US Customs during embarkation and debarkation.

FINAL DETAILS

- You don't need to bring a beach towel (they are supplied on board), but pack plenty of sunscreen!
- There's a full Vegas-Style casino on board (opens when we reach international waters and closes at ports).
- Your cell phone will not work without additional fees on board (A tip: 2 way radios are a great way to keep in touch with your friends).
