January 2022

Dear Families:

We are thrilled to announce that the Wesley School Age Camp Summer Dayz 2022 registration is open. For our returning families, we can't wait to see you back this summer. For new families, we are so excited that you are interested in joining the Wesley family and Camp Summer Dayz.

The past two summers, we successfully facilitated camp and received overwhelming positive feedback and support from our families. We are extremely proud of this accomplishment and look forward to continue this success for camp 2022.

This summer, our campsite will be located at the Glenview New Church Campus. This site provides Wesley with generous outdoor space and ample indoor space to give our campers plenty of room for outdoor and indoor activities.

We are excited to bring back swimming and fieldtrips as we can safely do so. The ever changing environment and status will dictate what field trips we will go on, nevertheless, we WILL be going on fieldtrips!

Guidance provided by local, state and federal agencies continues to be fluid and has the potential to be updated throughout the summer and the foreseeable future. We will continue to follow the latest CDC, federal, state and local health and safety guidelines. As new information becomes available, we will update families to provide the safest programming for our campers. At this time, face masks will be required by all campers and staff indoors unless eating.

Please take time to read more about our amazing camp and what we have to offer. Should you have any questions, please contact Jennifer Quintas, Wesley School Age Director at jquintas@wesleyccc.com.

Please note: Camp REC School Days Off programming will be offered on May 31, June 1 & 2. Registration will be available in the spring. What is Camp REC? - The Glenview Park District, in collaboration with Wesley Child Care Center, will offer a full day of fun and enriching activities for grades K-6 on days when there is no school. Children will enjoy indoor and outdoor games, sports, arts and crafts. Lunch and snacks are provided at no extra cost. Registration is done through the Park District. Wesley provides staffing and program activities for the day.

We hope to see you this summer!

- All staff are required to be fully vaccinated, including boosted.
- Submission of COVID Vaccination cards for those campers vaccinated
- At this time, facemasks required for all staff and children inside at all times except when eating

Camp Groups

Campers are placed in small groups with at least 2 camp counselors. Groups are divided by the grade campers just recently completed. During group time, campers participate in age appropriate arts & crafts, sports, and various creative & enrichment activities. Camp calendars, weekly lesson plans, and newsletters will be emailed to families.

Swimming **WELCOME BACK!!!**

Campers will attend Glenview Park District pools for public swim time on Monday, Wednesday, and Friday mornings from 10:00 a.m. – 11:30 a.m. Tuition and registration fee covers swimming fees for our camp. To ensure your child's safety, counselors receive basic water safety training. Campers are tested by Glenview Park District Lifeguards and the Wesley Director &/or Site Directors to evaluate their swimming ability. Each camper will be given designated pool areas to play in and around. Campers who are non-swimmers or those who do not pass the swim test will be required to wear life vests (provided by Wesley and/or Glenview Park District) and play in water no more than waist deep and within arm's length of their counselor. Our counselors and lifeguards are strategically placed in and around the pools and the campers.

Swim lessons are available and optional. Wesley Campers are provided an opportunity to register for the Glenview Park District group swim lessons. Wesley will bus campers to and from swim lessons. **Swim lessons will be held on Monday and Wednesday mornings for six weeks.** More details on swim lessons will be sent out in the spring.

Fieldtrips **WELCOME BACK!!!**

Campers will attend weekly fun-filled fieldtrips. We are excited to bring back fieldtrips as we can safely do so. The ever changing environment and status will dictate what field trips we will go on, nevertheless, we WILL be going on fieldtrips!

Theme Days

Wednesdays are Theme Days! Campers participate in activities geared towards a theme. Campers can look forward to such themes as Sports Day, USA Day, Olympic Day and other original themes.

Inclement Weather

At times when the weather doesn't allow the campers to go out, whether it is the heat, cold, or rain, our counselors have planned a variety of fun-filled alternate activities for the children inside our campsite.
