

Western Australia's Premier Fencing Solution Specialists:

**Team Work
Fencing Contractors**

We Offer Fencing For:

- Commercial Businesses
- Domestic & Residential Properties
- Rural & Equine Applications

Commercial Fencing

High-Security Options:

- Garrison
- Palisade
- Chain Link (Cyclone)
- Razor wire

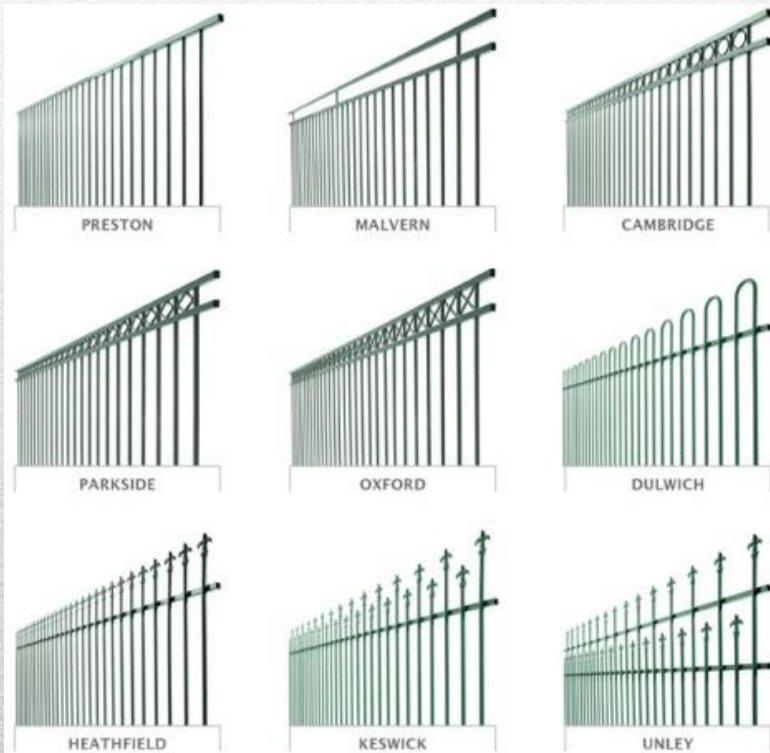

High-Security Fencing

Palisade fencing is made-to-order, hot-dip galvanized or PVC coated steel. These fences are often over 4 meters high, topped with pales to deter climbers.

Garrison fences are similar to Palisade, and also made-to-order. Instead of pales fences are often topped with spikes, and they feature a powder coat finish.

Decorative Commercial Fencing

Decorative fencing comes in a range of designs and colours.

It provides extra aesthetic appeal to your property, and can help dissuade visitors from wandering where they should not.

Cyclone Chain Link Fencing

This fencing is quick to install, durable and customised to your needs.

Chain link is great for security fencing:

- Provides visibility for security personnel
- Can be topped with barbed or razor wire upon special request

Domestic Fencing

Privacy Fencing

- HardiFence
- Colorbond
- Brushwood
- Slat Fencing
- Decorative

HardiFence

HardiFence is a 7mm corrugated, solid fence that leaves no gaps, looks the same on both sides and doesn't require posts. It is the preferred fence for many people replacing their old asbestos fencing because it has many of the same attributes.

HardiFence features:

- Paintable
- Dent-resistant
- Buried 600mm for stability
- Includes a 10-year warranty

Colorbond Fencing

Colorbond is available in 14 different colours and is made of stainless steel. It offers privacy and security and is 100% Australian made.

- Bluescope Steel
- Durable
- Provides privacy
- Adds aesthetic appeal to your property
- Made of recyclable materials
- Very Affordable

Brushwood

Brushwood is an all-natural fencing solution that provides a windbreak, sound barrier, and adds privacy to your property.

Benefits of Brushwood include:

- Fire-resistant
- Natural look
- Unique Product
- Muffles noise

Slat Fencing

Colour Options

Ezi-Slat Fencing is an innovative aluminium slat screening system that offers the latest in architectural style. Made from high strength, long lasting 75mm aluminium blades that can be spaced to your liking.

Benefits of slat fencing include:

- Tough, long lasting fencing
 - Low maintenance
 - Adaptable to suit a wide variety of applications
 - 7 year warranty
-

Decorative Fences

Decorative fencing is, by nature, designed to enhance the appeal of your property. It may also help guide visitors to your door, or discourage people from walking on your grass.

Benefits of decorative fencing include:

- Can increase property value
- Helps keep people in or out of designated areas
- Available in a variety of styles to suit your architecture
- Great option for pool fencing that is affordable

Rural & Timber Fencing

Rural fencing can be used in decorative or practical applications. For domestic and commercial properties that want a rustic look, rural and timber fencing is the perfect choice.

Practical application of rural and timber fencing includes:

- Post and rail fences
- Wire fences
- Cattle yards
- Hinge joint fencing and enclosures for keeping animals
- Electric fences for aggressive livestock
