

SHOPTALK MEETUP

An Online Meetings Program

 Connect With The People You Know,
 Meet The People You Don't

What is Shoptalk Meetup?

Shoptalk Meetup is retail's first digitally native event! It's a fun, productive way to connect online with the people you know and meet the people you don't--in a friendly and open environment. It's like being at Shoptalk, but without going through TSA.

You'll have 3 months of meetings in 3 days! You'll get to:

1. Reach out to thousands of industry changemakers to share your ideas and request meetings, and hear from them about how they'd like to work with you,
2. Participate in up to 36 15-minute meetings as well as one or more 55-minute Tabletalk group conversations, and
3. Get unlimited post-event introductions for your high priority mutual matches that weren't scheduled as meetings.

What types of meetings can I do at Shoptalk Meetup?

Shoptalk Meetup includes a version of our world-famous Hosted Retailers & Brands Program, but it's very different because it focuses on **all** of the interactions you have on-site at Shoptalk--not just lead gen. Here's what you'll get to do:

Touch Base

- With existing clients
- With existing vendors and partners
- Reconnect with old friends
- Make friends locally

Grow Your Business

- Meet new potential partners
- Source new vendors and solutions
- Sell your products and services

- Interview industry executives for press coverage

Climb Ladders

- Seek career opportunities
- Meet headhunters
- Get resume feedback and sharpen interview skills
- Get an executive coach for personal and leadership development
- Find a mentor

Get Answers to Burning Questions

- Ask an expert questions on:
 - Professional Development
 - Personal Development
 - DEI
 - CSR
 - Covid-19
 - And many more!
- Learn from ask-me-anything attendees
- Discuss pressing issues with Tabletalks peers

Make the World a Better Place

- Be a mentor
- Partner with nonprofits
- Support diversity, equity and inclusion
- Support corporate social responsibility
- Learn about mental health initiatives

Now that you know what Shoptalk Meetup is, a few words about what it isn't. Shoptalk Meetup isn't a virtual conference or webinar...those are commonplace now, and we're anything but common.

Who's joining?

Thousands of your customers, partners, prospects, coworkers and friends will be there, and you should be too!
