

What is Team Connect?

Team Connect is an online web site that allows teams to share information with their coaching staff and team members.

Coaches can use Team Connect to share team information, such as schedules and rosters, while also hosting a community hub to help facilitate team communication.

Team Connect can be used for your specific team needs. Use it for simple emails and schedule sharing, or invite players, parents, neighbors, and grandparents to join in on the fun. Upload team photos, plan team practices and get-togethers; anything that applies to your unique team.

The screenshot shows the Team Connect interface for 'The Bee's Knees' team. The header includes the team name, logo, and user information (Charles Xavier, Messages (44), New Features / Blog, Help, Sign Out). The main content area is divided into three columns:

- Left Column (Navigation):** Team Feed, Email & Announcements, Roster, Schedule, Attendance, Text Alerts, Forms, Docs & Files, Photos, Team Settings.
- Middle Column (Announcements):**
 - Announcement Added by Administrator: Basketball is now open (Added 1 week ago)
 - Practice Added by Charles Xavier: Repeating: Practice, starting 05/16/2014 at 7:00pm (Added 2 weeks ago)
 - Practice Added by Charles Xavier: Repeating: Practice, starting 05/07/2014 at 5:00pm (Added 2 weeks ago)
 - Game Updated by Charles Xavier: Repeating: The Bee's Knees vs. Opponent, starting 05/05/2014 at 2:00pm (Updated 2 weeks ago)
 - Game Added by Charles Xavier: Repeating: The Bee's Knees vs. Opponent, starting 05/00/2014 at 2:00pm (Added 2 weeks ago)
 - Announcement Added by Administrator: Rain Out (Added 2 months ago)
 - Announcement Added by Administrator: Heads Up Concussion (Added 3 months ago)
 - Announcement Added by Administrator: Spring League is Just Around The Corner (Added 4 months ago)
- Right Column (Events and Contacts):**
 - Check-in for Good™**: Easy fundraising for your team!
 - Events in the next 7 days:
 - Game: The Bee's Knees vs. Opponent (2:00pm - 3:00pm on Saturday, May 24th, 2014)
 - Event: Banquet BBQ (1:00am on Monday, May 26th, 2014)
 - Practice (5:00pm - 6:00pm on Wednesday, May 28th, 2014)
 - Important Contact Information:
 - Bruce Banner**: Assistant Coach (503) 770-0722 home (marcia@mcgee.com)
 - Charles Xavier**: Team Owner (123) 456-7890 mobile (987) 654-3210 home (test1@bonzidev.com)

At the bottom, there are links to download the app on Google Play and the App Store, and copyright information for Bonzi Technology, Inc.

Accepting Your Team Connect Invitation

What is a Team Invitation?

Team Connect is a private online team web site that can only be accessed by invited team staff, players (and their parents). In order to access Team Connect, team members must accept their invitation to the team.

Invitations are automatically emailed to the team members on your roster once your Registrar activates your team's Team Connect

How do I accept my Team Invitation?

1. Look for your invitation in your email inbox. It will be sent to the same email address you used when you registered as a coach.
2. Click the “**Accept Invitation**” link in the email.
3. Accepting the team invitation will direct you to the US Soccer Connect website where you will be asked to sign into your US Soccer Connect account.

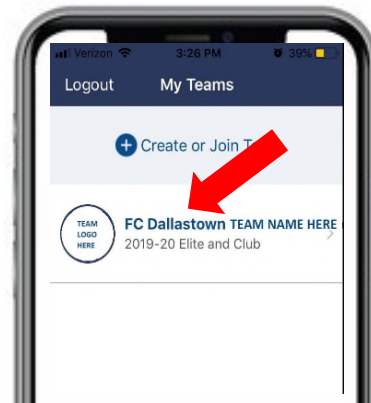

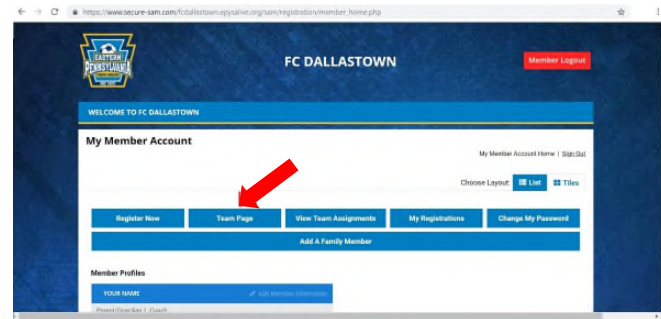

Getting Back to Team Connect

Website:

Log into your US Soccer Connect member account by going to fcdallastown.epysalive.org, clicking on the “Member Login” button in the upper right hand corner, enter you US Soccer Connect member account username and password (same you used to register your player) to log in, and then click on the “Team Page” tab to access your Team Connect website.

App:

On your mobile phone in the Apple or Google Play App Stores, search for “Sports Team Connect”, download the app and login using the same username and password you use to log into your US Soccer Connect member account. Once logged in you should see your team. Click on your team to access the team schedule, roster, messages and more.

Team Connect Mobile

Full Team Connect Site on your Mobile Device

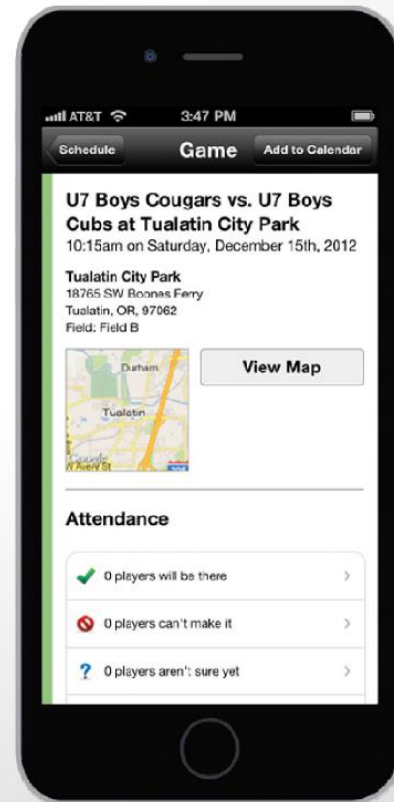

The full Team Connect website is compatible with all mobile browsers. Access Team Connect on your phone for easy management.

The Team Connect Mobile App

The Team Connect app is also available for Apple and Android devices. Find and download the app in your mobile app store by searching for “Sports Team Connect”.

The mobile app will allow you to stay easily connected with your team to see your game schedules and post team photos right from the field!

NOTE THAT THE INSTRUCTIONS IN THE FOLLOWING SLIDES ARE FOR THE WEB BASED PROGRAM AND NOT THE APP. There are currently no instructions for the app from the vendor but they are working on it. MANY OF THE APPS FEATURES ARE SIMILAR TO THE WEB BASED VERSION AND/OR ARE EASY TO LEARN THROUGH USE OF THE APP.

Getting to Know Team Connect

In the top menu there are always options for you to receive extra help. The Bonzi Support team is available to help any team administrator, parent, or player navigate the system.

Fall 2014 | Majors
Team Connect Code 0352YJZA
Create a Team Fundraiser

The Team Connect Code, in the top right corner, is the code used for your entire team if you sign up for a league or tournament in the Bonzi system. This code will allow your roster and team details to be automatically shared with the league or tournament without manually entering information, while also allowing the league or tournament schedule to be automatically added to your Bonzi Team calendar.

Team Feed

Email & Announcements

Roster

Schedule

Attendance

Text/Alerts

Forms, Docs & Files

Photos

Team Settings

In the left column are your Bonzi Team features. Click on each option to access these tools.

As an extended effort to help teams fundraise, Bonzi has partnered with Check-in for Good to allow for an easily accessible donation option directly within Bonzi Team.

All team events for the upcoming week will be listed in the right column

Bonzi Team is available for iPhones and Androids through the Apple Store and through Google Play.

Note, in this example, that the "Team Feed" lists the most recent team actions and information.

Important Contact Information

Team staff contact information is listed for easy access for team Families. Team admins can hide their personal contact information.

NOTE: Any reference to Bonzi Team in this presentation is referring to Team Connect, as this was the name of the system prior to US Soccer Connect adopting it.

Team Connect Basic Functions

Viewing Your Team Roster

Click the “Roster” option in the left column. Your roster (unofficial, not the EPYSA approved roster), including parents, will appear in the center column.

Filter *who* you see in the center by using the drop down option above and to the right of your roster list (players, parents, coaches, etc).

Click on the name of a roster member to expand their profile panel. You can contact parents via their phone, text, and email information here.

The ~~team invite code~~ and invitation link in the green box will appear when someone has *NOT* accepted a team invitation. They are not required to accept this invitation, but it’s there if needed!

The screenshot shows the TEAM CONNECT website interface. At the top, there's a navigation bar with "TEAM CONNECT" and user information for Charles Xavier. Below this, the "Xtreme United" team page is displayed, including a sidebar with navigation options like "Team Feed", "Email & Announcements", "Roster", "Schedule", "Attendance", "Text Alerts", "Forms, Docs & Files", "Photos", and "Team Settings". The main content area shows a list of roster members with their names, roles, and online status. A dropdown menu is visible above the list, and a "Print Rosters & Medical Releases" button is present. The profile for Clark Kent is expanded, showing his photo, name, jersey number (#12), position (LF), location (Metropolis, KS), age (10 years old), and contact information (phone and email). A green box highlights the "Invite Code IRG7FPQP", a "Request Invite Email" button, and an "Invite Link" with the URL https://www.bonzi.team.cc. Below the invite code, a message states: "This invite code has been sent to the email provided. You may also want to write this code down and pass it along to your teammate." The "Parents" section below shows Jonathan Kent as the parent.

Sending a Team Email

Click the “**Email & Announcements**” option in the left column to access the email features in Team Connect, then choose “**Create new email / announcement**” at the top of the center column.

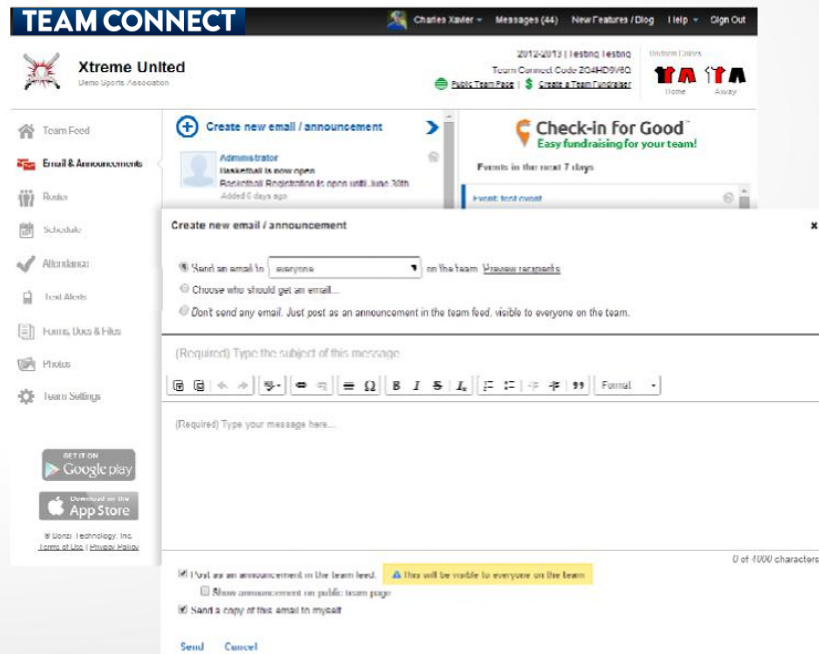

Choose who should receive the email:

- The top option allows you to pick pre-made groups
- The second allows you to pick individuals
- The third option allows you to post a internal Team Connect announcement posted only in the Team Connect system.

If you send a message, **email replies will come to your personal email inbox**. Members can also make public replies by posting comments *in* Team Connect.

Team Connect Emails can be sent to everyone, even those who have *NOT* yet accepted their team invites.

Team Connect does not have email inbox functionality, so if you send private emails make sure you send a copy to yourself for your own record. Team Connect will *not* list private emails in the announcement feed.

The screenshot displays the Team Connect mobile application interface. At the top, the header shows the team name "Xtreme United" and the user "Charles Kuster" with a message count of 444. The main navigation menu on the left includes options like "Team Feed", "Email & Announcements", "Ranks", "Schedule", "Attendance", "Text Alerts", "Forms, Docs & Files", "Photos", and "Team Settings". The "Email & Announcements" section is active, showing a "Create new email / announcement" button. Below this, there are three radio button options for sending the email: "Send an email to everyone on the team", "Choose who should get an email...", and "Don't send any email...". The "Send an email to everyone on the team" option is selected. The screen also features a rich text editor with various formatting tools and a character count at the bottom right indicating 0 of 1000 characters.

Adding to/Updating Team Schedules

Click on a date in the calendar to add a new schedule item. When you're ready, click "Add" and our system will ask if you wish to notify your team via email.

There are three types of schedule items in the Team calendar; *games*, *practices*, and *events*. When locations are added, Team Connect will provide a google map and weather report for that day.

Click on a scheduled item in your calendar to expand the Information Pane and review the item details:

- Date & Time
- Location & Google Map
- Weather Forecast
- Team Attendance
- And more!

Adding & Tracking Team Attendance

Attendance Settings

Customize your attendance tracker by choosing if you'd like to receive attendance on games, practices, and/or scheduled events for either coaches, players, and/or parents under the “Settings” option.

Marking Attendance

Parents can mark the attendance for their players only. Coaching Staff can mark attendance for everyone.

Reminders

Click on a schedule item to expand the information panel. On the panel you can send messages and reminders to attendance groups.

Attendance Reporting

Track and report on past history using the “Attendance Report” option above your attendance list. Customize the information you need based on item type, roles, and dates.

Photo Sharing

Everyone on the team can upload team photos to Team Connect to share. There is also photo editing system right inside Team Connect that will allow you to modify your photos. Click on Photos, then on a current album or create a new album then Edit to upload the picture(s) you want.

Sharing Team Documents

Have documents to share with your team? Add them to Team Connect so team members can access and download your information at their convenience.

Only Team Staff can upload documents, but everyone can easily access these files.

IMPORTANT: Attachments are not available on Team emails in order to assure that Team Connect messages are not marked as spam by email providers so everyone can easily receive email, no matter their preferred emailer. The document center is a good place to store your needed attachments.

Additional Team Connect Feature

Joining Multiple Teams

Steps to Join your Teams

Are you involved with multiple teams? You can link all of your teams to one Team Connect account. There are two ways you can do this:

Team Invitation Email

1. Find another team invitation in your inbox
2. Click the link in the email
3. Sign into the SAME account

Join A New Team With A Invite Code

1. Log into your Team Connect account
2. Click on your name in the top right corner
3. Choose the **Create or Join a New Team** option in the drop down menu
4. Enter in your personal team invite code (can be provided to you by a team or club admin, or by finding the code at the bottom of your team invitation)
5. Click **Join**

The screenshot shows the 'TEAM CONNECT' interface. At the top right, the user's name 'Charles Xavier' is displayed. Below this is the 'MultiTeam Dashboard' section, which includes a 'Go to The Bee's Knees' button and a list of teams: 'The Bee's Knees 2013-2014' and 'Xtreme United 2012-2013'. A dropdown menu is open, showing options: 'My Settings', 'Create Or Join A New Team', 'MultiTeam Dashboard', 'Family Management', 'My Teams', 'The Bee's Knees 2013-2014', and 'Xtreme United 2012-2013' (which is selected with a checkmark). Below the dashboard, there are two announcements: 'Basketball is now open' and 'Practice Added by Charles Xavier'.

Change Teams

Navigate between multiple teams using the "MultiTeam Dashboard" that appears when you first log in, or click on your name in the top right corner of your screen to see a list of all active teams.

Navigating the MultiTeam Dashboard

MultiTeam Dashboard In's & Out's

If your Team Connect account is linked with multiple teams, you will see the MultiTeam Dashboard when you first log into your account. This Dashboard gives you an overview of activity for your teams and allows you to navigate between them.

Notice your teams will be displayed on the left. Select a team to see their information, and navigate to this team's full Team Connect by clicking the **Go to "Team" Dashboard** option at the top of the center column.

MultiTeam Calendar

Notice the list of schedule items, for both teams, listed in the right column. This will allow you to see your team schedule for the upcoming week.

View a full schedule for all teams by clicking the **View All** option in the top right corner. Schedule items will be color coded so you can easily decipher which schedule items belong to which teams.

The screenshots show the TEAM CONNECT interface. The top screenshot displays the MultiTeam Dashboard with a list of teams on the left, a central navigation area with a "Go to The Bee's Knees dashboard" button, and a right-hand column with "Events in the next 7 days". The bottom screenshot shows the same dashboard with a calendar view for May 2014, displaying a grid of events color-coded by team.

Setting Up Your Personal Profile

Click your name in the black bar at the top of the Team Connect page and choose My Settings in the pull down menu.

Click on Profile to change your photo, set up your mobile phone for text messaging alerts, and add other personal information.

NOTE: To receive text message alerts, don't forget to add your mobile carrier.

Click on Notifications to turn on and off text messaging and email messaging for different types of team notifications.

Click on Teams to view the teams you are currently assigned.

Click Back to Team Connect in the left column when you are done!

The screenshot displays the TEAM CONNECT user interface. At the top, a black navigation bar contains the text "TEAM CONNECT" on the left, a user profile icon and name "Charles Xavier" in the center, and "Messages (38) New Features / Blog Help Sign Out" on the right. Below the navigation bar, the "User Center" section is visible, featuring a user profile picture and a pull-down menu with options: "My Settings", "Create Or Join A New Team", "MultiTeam Dashboard", and "Family Management". The "My Settings" menu is expanded, showing "Profile", "Notifications", and "Teams". The "Profile" section is active, displaying a "Profile Photo" of a man in a blue polo shirt and cap. Below the photo is a "Delete this profile photo" link. The "Shared Bonzi Team Profile Information" section contains a warning: "The information below is shared with your teammates on Bonzi Team. Changing it will not affect your information in other organizations connected to your Bonzi account." Below this are input fields for "First Name*" (Charles), "Last Name*" (Xavier), "City" (Salem Center), and "State/Province" / "Zip/Postal Code". At the bottom, there are "GET IT ON Google play" and "Download on the App Store" buttons, and a footer with "© Bonzi Technology, Inc. Terms of Use | Privacy Policy".

Updating Team Settings

Team Information

Update the team details by selecting the Team Information option. Here you can update the team name, location, sport, league, season, team logo, and team photo.

Public Team Page

Each team can customize and create their own public webpage to share with friends and family. **Learn more about Public Team Pages in the following slide.**

Privacy

You may choose to hide contact information for your team. This will remove all phone numbers and email addresses from the parent profiles in the roster list.

The screenshot displays the 'TEAM CONNECT' interface for a user named Christina Pate. The main navigation bar includes 'Messages (17)', 'New Features / Blog', 'Help', and 'Sign Out'. The team profile for 'Xtreme United' (Demo Sports Association) is shown, with options for 'Public Team Page' and 'Create a Team Fundraiser'. The 'Team Information' settings page is active, featuring a sidebar with options like 'Team Feed', 'Email & Announcements', 'Roster', 'Schedule', 'Attendance', 'Text Alerts', 'Forms, Docs & Files', 'Photos', and 'Team Settings'. The main content area is titled 'Basic Team Information' and includes fields for 'Team Name*' (Xtreme United), 'City' (Salem), 'State/Province' (OR), 'Zip/Postal Code' (12345), and 'Sport*' (Baseball). There is also an 'Extra Team Information' section with fields for 'League Name' (Demo Sports Association) and 'League Website' (demo.bonzidev.com). The page footer contains 'GET IT ON Google play' and 'Download on the App Store' buttons, along with copyright information for Bonzi Technology, Inc.

Team Staff Permissions

Team Staff includes Coaches, Assistant Coaches, Managers, other team volunteers, and Team Parents.

Team Staff have full permissions in Team Connect that include access to features that parents and players do not have, such as:

- Sending Text Messages
- Editing & reporting on Team Attendance
- Added & editing the team schedule
- Text Alerts
- Sharing forms or documents online
- Resending team invitation emails via the Roster
- And more!

Need a helping hand? Assign a team parent by editing a *parent* profile and selecting the “Team Parent” role. Now this parent has full permissions on Team Connect without having to register online.

The screenshot displays the Team Connect interface for Xtreme United, a Demco Sports Association. The top navigation bar includes the user's name (Charles Xavier), message count (44), and links for New Features, Blog, Help, and Sign Out. The main header shows the team name, year (2012-2013), testing status, and team connect code (ZQ4HD9V6Q). A sidebar on the left lists navigation options: Team Feed, Email & Announcements, Roster, Schedule, Attendance, Text Alerts, Forms, Docs & Files, Photos, and Team Settings. The main content area is titled "Add new roster members" and lists several team members with their roles and online status. A modal window on the right is open for editing a parent profile, showing a team photo and instructions on how to update it. The modal includes a "Choose Parent" dropdown menu.

Connecting Family & Players

Add New Family Members to the Roster

Do you need to add a new family members? Click the “Add new roster members” option at the top of the center column to add another family member.

TIP: If a parent accepts the wrong invite, such as their spouse’s or your child’s, they may get a message asking if they meant to accept a Team Invitation for a different person.

The screenshot shows the Bonzi Team website interface for 'Xtreme United'. The top navigation bar includes the Bonzi Team logo, user name 'Charles Xavier', 'Messages (44)', 'New Features / Blog', 'Help', and 'Sign Out'. The main header displays the team name 'Xtreme United' with a logo, '2012-2013 | Training Testing', and 'Team Contact Code Z34H6D6VGG'. There are links for 'Public Team Page' and 'Create a Team FundRaiser', and a 'Uniform Colors' section with 'Home' and 'Away' options.

The left sidebar contains navigation icons for: Team Feed, Email & Announcements, Roster, Schedule, Attendance, Text Alerts, Forms, Docs & Files, Photos, and Team Settings. At the bottom of the sidebar are 'GET IT ON Google play' and 'Download on the App Store' buttons, and a footer with '© Bonzi Technology, Inc. Terms of Use | Privacy Policy'.

The main content area features a 'Print Rosters & Medical Releases' button and a 'View All' dropdown. Below this is a prominent 'Add new roster members' button with a plus icon. A list of roster members follows, each with a profile picture, name, role, and status:

- Charles Xavier: Head Coach, Currently Online, Parent
- Erik Lensherr: Team Admin, Never Signed In
- Martha Wayne: Team Parent, Never Signed In
- Bruce Banner: Player, Brian Banner (Parent) online 11 months ago
- Bruce Wayne: Player, Thomas Wayne (Parent) online 11 months ago
- Clark Kent | #12 LF: Player, Jonathan Kent (Parent) online 11 months ago
- Hai Jordan: Player

On the right side, there is a 'Update Team Profile Photo' section with a photo of a player in a blue uniform. Below this is a 'Parents' section with a dropdown menu currently set to 'Parent' and an 'Add Parent' button. At the bottom of this section is a 'Choose Parent' dropdown menu.

Sending Team Text Messages

Click the “**Text Alerts**” option in the left column to send out text messages to your team.

Text message limits vary by mobile carrier, so **Text Alerts are limited to 150 characters**. This consists of a “From: Name” header that is automatically added. The longer the name on your profile, the less characters to be used in the text alert. Keep that in mind as you write your messages.

A **mobile carrier is required** in order for text alerts to be delivered to cell phones, so your roster members must include their carrier in their Team Connect account to receive these alerts. Text Alerts are also delivered as emails and Team Connect messages to all users. **Team Connect assumes an “Alert” is important information that needs to get out quickly, so the alert will be sent through all communication routes to all team members.**

Send individual text messages to users by clicking on their member profile and choosing the “Send Message” link next to their mobile phone number. If they do not have their carrier added to their account, this option will not appear.

Messaging Within Team Connect

Team Connect includes an internal messaging system where you can email members of your team that have *accepted* their Team Connect invitations

Send messages and review communication with your team.

The screenshot displays the Team Connect user interface. At the top, a dark navigation bar contains the text "TEAM CONNECT" on the left, and user information "Charles Xavier" with a dropdown arrow, "Messages (44)", "New Features / Blog", "Help", and "Sign Out" on the right. Below the navigation bar is the "User Center" section, which includes a user profile picture and a sidebar with navigation options: "Back To Boruz Team", "Messages", "My Settings", and "Family Management". The main content area is titled "Actions" and features a "Mark All As Read" link and a "Delete All" link. Below these links are four announcement items, each with a profile picture and text: "Announcement Added by Administrator Basketball is now open" (Added 1 week ago), "Event Added by Charles Xavier Repeating: Practice, starting 05/16/2014 at 7:00pm" (Added 2 weeks ago), "Event Added by Charles Xavier Repeating: Practice, starting 05/07/2014 at 5:00pm" (Added 2 weeks ago), and "Event Hosted by Charles Xavier". On the right side of the interface is a "Compose New Message" form with a "Send" button and a "Close" button. The form includes a "To" field with a dropdown menu, a "Subject" field, and a "Message" text area. A note below the "To" field states: "The only individual/s listed here are people who have accepted their invites. If you do not see someone you expect to see, they have probably not accepted their invite yet." There is also a checkbox for "Also send email notification".

Connecting Your Calendar

The team schedule is one of the most important features in Team Connect, as everyone needs to know where and when they're playing! Get connected to your team schedule by using the available tools in Team Connect!

Download your calendar so you can upload it into other programs.

Easily **subscribe** to your calendar by automatically syncing it with Google Calendar, or copying the provided "subscription link" and adding it to your desired device.

Or simply **print** the calendar and hang it on your fridge at home!

Don't forget that you can turn on notifications, email or text messages, for all schedule changes! You also have access to these tools on the MultiTeam Calendar in order to sync all of your team calendars at one time!

The screenshot displays the 'TEAM CONNECT' website interface for 'Xtreme United' (Demo Sports Association). The top navigation bar includes the user name 'Christina Pate', 'Messages (18)', 'New Features / Blog', 'Help', and 'Sign Out'. The main header shows the current date '2012-2013 | U9 Division', 'Alerts', 'Uniform Colors', 'Team Connect Code ZQ4HD9V5Q', and a 'Create a Team Fundraiser' button. A sidebar on the left lists navigation options: Team Feed, Email & Announcements, Roster, Schedule, Attendance, Text Alerts, Forms, Docs & Files, Photos, and Team Settings. The main content area shows a calendar for June 2015 with a 'Calendar Subscription' dialog box overlaid. The dialog box has checkboxes for 'Events', 'Games', and 'Practices', a 'Time Zone' dropdown set to '(GMT-08:00) America/Los_Angeles', and an 'Add to Google calendar' button. Below the dialog, a 'Subscription link (copy and paste into your calendar software)' is provided: <http://www.bonziteam.com/api.php?cmd=vcalendar&re>. The calendar grid shows various events such as 'Game: Fir Fireballs at AZ Field 6' and 'Game: FFSC Hall at AZ Field 5'.

Activating Your Public Team Page

Public Team Pages are customized team webpages displaying your unique team information. Choose your team colors, webpage layout, social media links, webpage content and more!

To preview your Public Team Page, and to find the direct webpage address (URL) to your page, click the Public Team Page link at the top of your screen. If you do not see the link immediately after enabling your Public Team Page, refresh your browser and it should appear.

About the Team

Our team has been playing together for the last two years. We're a strong community team playing for the love of the game. It takes a lot of love and hard work from our players and their families, and we couldn't be more proud of our team.
