What participants are saying

"CCSI was amazing because of the staff and their positive energy. In a world of negativity, the UMSI staff definitely has an amazing group of people who care for you as a human being."

"...U-M faculty are welcoming, friendly and excited to help community college students."

"Talking with UMSI staff and getting a up-close feel for the school itself. It helped me envision being a U-M student and made me excited for a future with U-M."

"When you try new things, you discover new passions"

"The most valuable part for me was realizing that despite previous setbacks, a place with U-M is still a possibility."
