

Whisk(e)y Flights

All flights consist of three or four .75 oz pours of whiskys

No substitutions

Current and past flights (ask about them) are subject to availability

The DMV Flight	<p>Whiskey is being made all over the world and the DMV is no exception. Artisanal craft distilleries are popping up around the area and this flight will allow you to taste four of our local distiller's spirits (see page 9 for choices, choose 4, some exceptions do apply)</p>	26
Whiskey Around The World	<p>Whiskey Around the World is as diverse as it's people. Different regions favor different grains, wood, and water. This makes every country's product distinct and unique. The Whiskey Around the World flight consists of: Lagavulin 16 (Scotland), Redbreast 15 (Ireland,) Eagle Rare 10 year old Bourbon (USA), and Kaiyō Mizunara Oak (Japan)</p>	30
Journeyman Flight	<p>Journeyman Distillery, established in 2011, utilizes locally sourced Midwest organic grains and uses unfiltered/untreated water from an underground aquifer in Three Oaks, MI. The result is a variety of quality spirits that are all kosher, organic, and unique. The Journeyman Flight consists of: Silver Cross Whiskey, Buggy Whip Wheat, Not A King Rye, and Crimson's barrel-aged cocktail made with our very own single barrel of Last Feather Rye - The Crimson Journey</p>	25
Whisky Around the World: Southern Hemisphere	<p>As the world becomes smaller through trade & travel the world of whisky continues to grow. South of the equator whisky acquires the properties of casks quicker, resulting in a class of whisky that is less reliant on age and places a greater focus on the wood used and climate. The Southern Hemisphere flight consists of Kavalan Single Malt Whisky (Taiwan), Starward Nova Red Wine Barrels Single Malt Whisky (Australia), Bain's Cape Mountain Whisky (South Africa). and Amrut Single Malt (India)</p>	30
Westland Flight	<p>Westland is a leader in American Single Malts and a young producer from the Pacific Northwest. Established in 2010, Westland's award winning whiskeys are changing the American view on barley. The Westland Flight consists of three pours: American Oak, Sherry Oak , and 2018 Peat Week</p>	25

Globetrotting Scotsmen	<p>This duel compares Chivas Regal 13 Finished in American Rye Cask , against Chivas Regal Finished in Japanese Mizunara . The pair highlights the blended Scotch's balanced base with finishes that create two very different experiences.</p>	16
Step-Brothers	<p>Maker's Mark Cask Strength served alongside Whistlepig 10 year . These two whiskeys were influenced by the hand of craft distiller Dave Pickerell. Maker's Cask Strength is bottled at 113.2° proof and utilizes a combination of red wheat, corn, and malted barley. Whistlepig 10 year is bottled at 100° proof and is 100% Rye. Two very different distilleries once led by a legend.</p>	18
Crimson's Single Barrels	<p>This duel proudly presents Crimson's Select Journeyman Last Feather Rye alongside Crimson's Maker's Mark Private Barrel . These high proof whiskeys were blended by the Crimson team and produced to be enjoyed in our cocktails as well as on their own. Both are made exclusively for Crimson.</p>	18
Hebridean Duel	<p>The Hebridean Duel highlights two whiskys from the Hebride Archipelago on the Northwestern portions of Scotland. Known as a source of much Scottish Gaelic literature and Gaelic music the region is also home of the Bruichladdich Distillery. Here the purveyers of Bruichladdich create authentic terroir-based spirits in the style and with the tools, of distillers of the past. We are highlighting Bruichladdich's 'Classic Laddie' and the Port Charlotte '10 Heavy Peat' to showcase the distillery's flagship brands.</p>	18
