Unit 1 key skills.

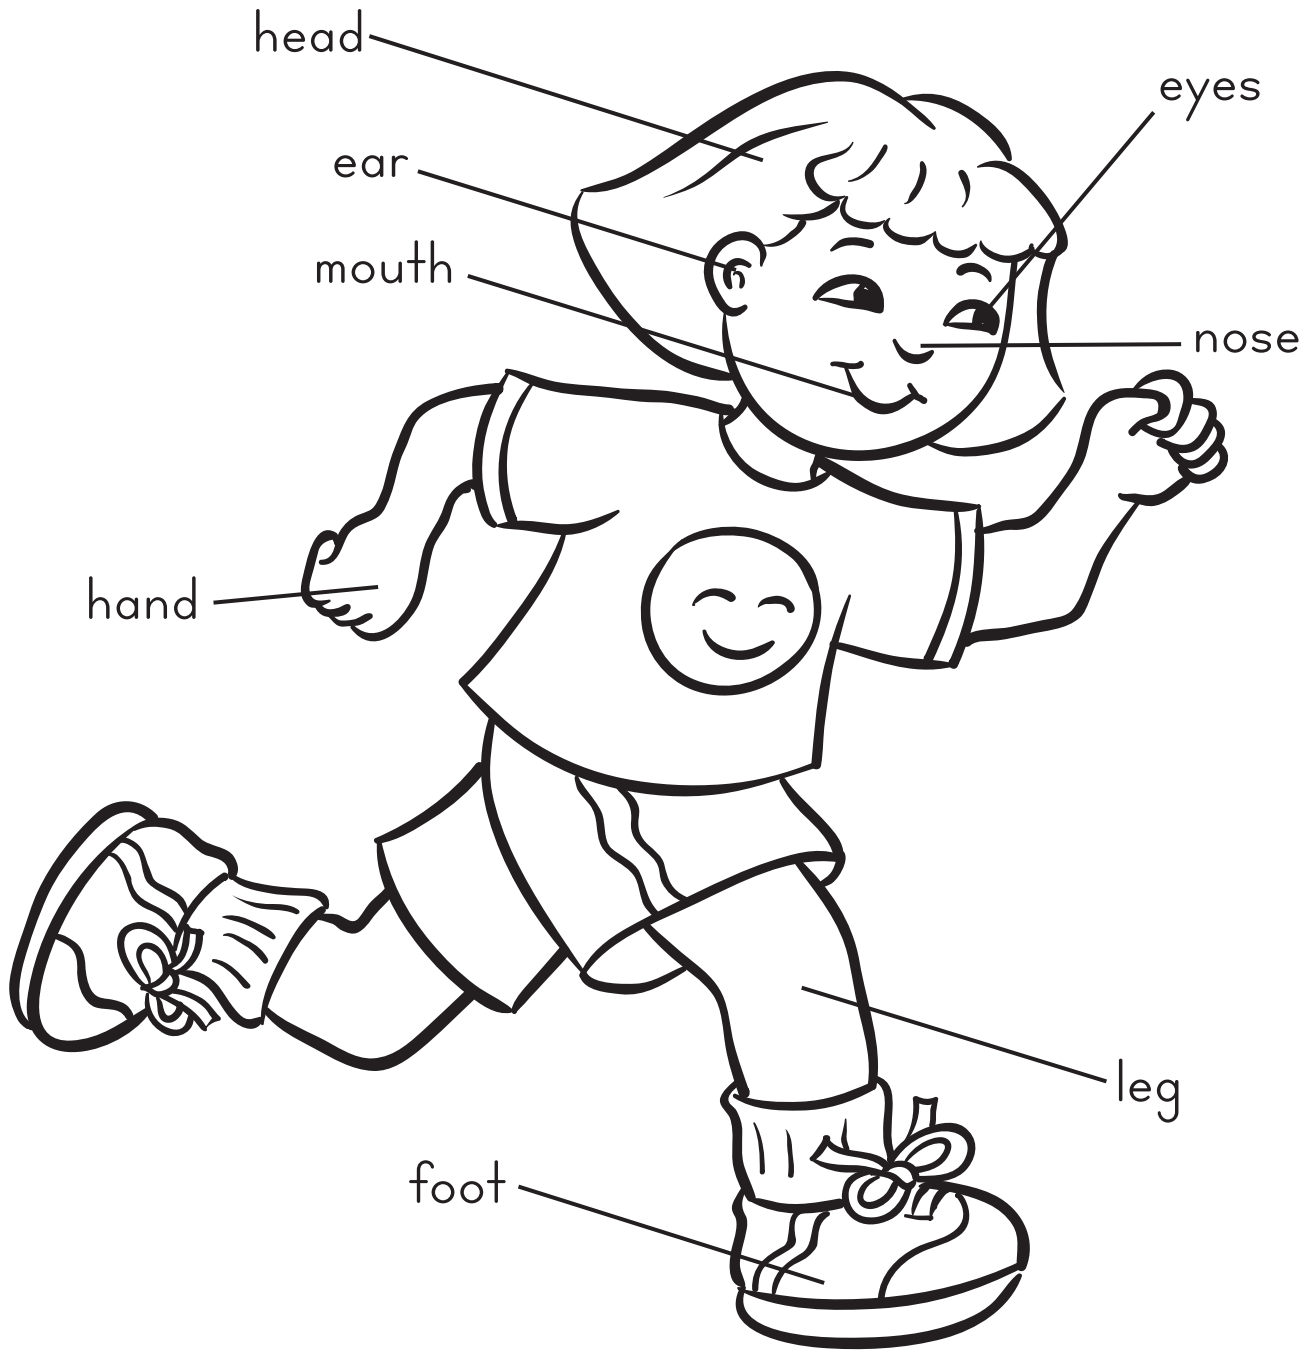

# Colors

**To the Teacher** Help children color each crayon the correct color. Find classroom objects that match each color.

# Body Parts

**To the Teacher** Identify different body parts as you point to each one. Then ask children to color in each body part as you name it.

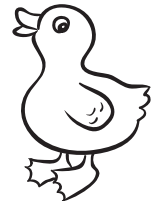

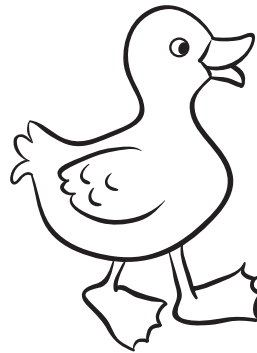

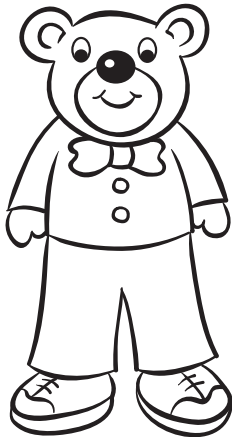

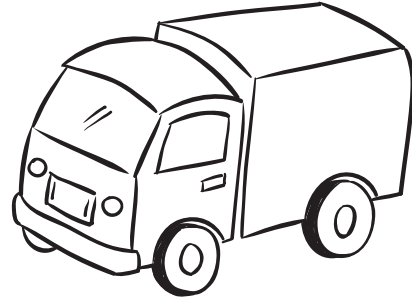

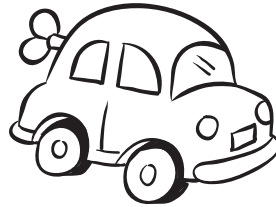

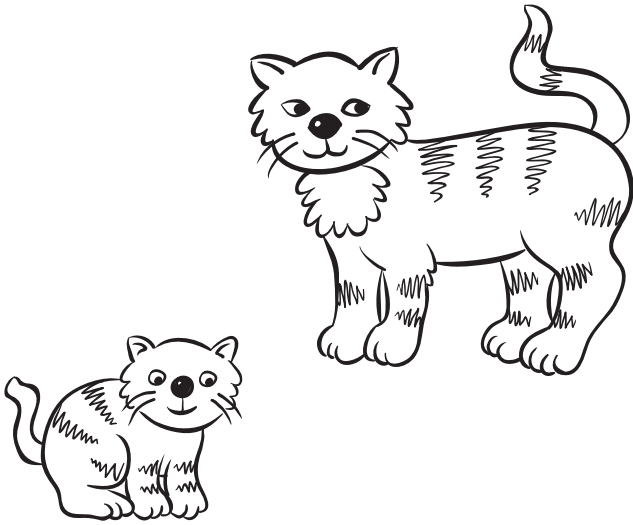

# Senses

**To the Teacher** Have children color and name the parts of the face needed to hear, see, taste, and smell.

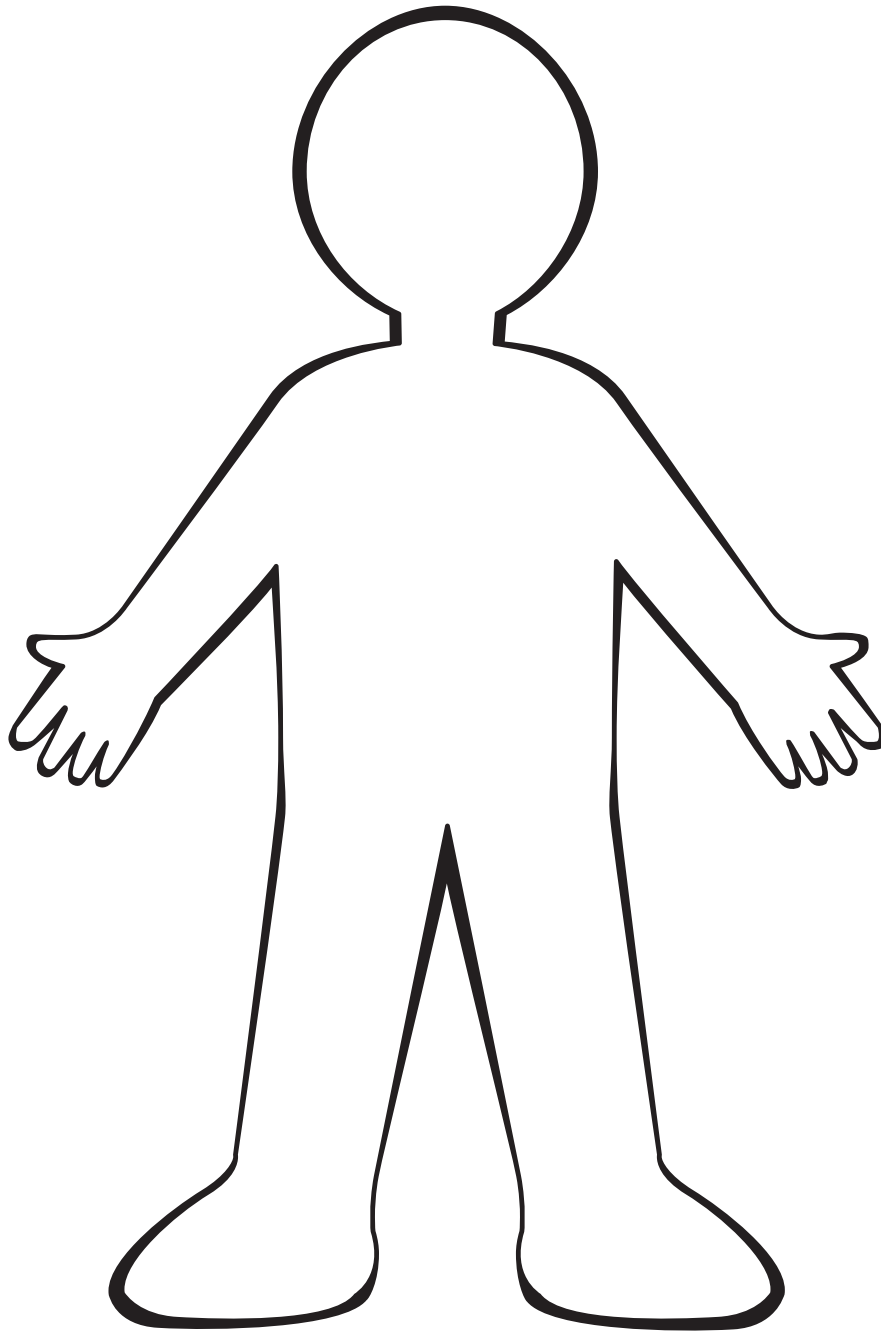

# Big and Small

**To the Teacher** Have children circle the item in each pair that is small. Then have them color the item in each pair that is big.

## A Picture of Me

**To the Teacher** Have children color the paper doll pattern to match the way they look.
