# What's Happening in June

**PNO - Friday, June 10-** (Parents' Night Out)! Attention parents: need a night out? Bring your children, babies through 5th grade, to the UCG church school wing on Friday, June 12 from 5:30 to 9:30 where they can play, eat pizza\*, watch movies, and have fun with our child care staff. The cost is \$11 for the first child and \$6 for each additional child. RSVP to summerh@ucgainesville.org by June 8th. \*Due to life-threatening food allergies, no outside food can be brought in.

**Birthday Collection for Ray Meeks** - Ray Meeks' birthday is June 28, 1953 making him 63 years old this year. He has been on death row since 1974, making him the second longest survivor of death row. Every year we receive contributions for Ray at Christmas and in June for his birthday. He uses our gifts to get snacks from the canteen. He can buy shoes, pajamas, sweatshirts, etc. The prison also allowed the inmates to purchase MP3 players, and they can buy tracks to download for \$3-4 each. Of course these MP3 players require batteries as well. The prison system recently approved purchase of puzzles, which he is very excited about. We also use this money for magazine subscriptions and books. Ray loves to receive cards and notes, and he has a new address. Douglas Raymond Meeks #046346, Union Correctional Institution, PO Box 1000, Raiford, FL 32083. Drop him a note.

**Youth United and Middle School Group, save the date for "Dinner and a Movie," on Sunday, June 12 with Emily Ott.** Watch your email and the bulletin for time, location and movie! See you there!

## **The Three Year Plan is ALIVE!**

With the enthusiastic affirmation at the Congregational Meeting in May, UCG has begun to live into the 2016-2019 Three Year Plan for our community life together. The plan has three main foci:

1. Spiritual growth and formation
2. Connection and Health Promotion, and
3. Environmental, Racial, and Economic Justice

At the Congregational Meeting, too, the slate of new Board/Committee chairs and Church Council leaders was affirmed with joy and gratitude for their willingness to serve. Their first gathering, the Leadership Summit, happened immediately after the Congregational Meeting, and the agenda for that meeting was to begin interacting/brainstorming/being guided by the philosophy and vision of this new Three Year Plan. The leaders began asking important questions: how will each Board/Committee, each organization or program, each and everything we do as UCG, arise from the priorities of spiritual growth, connection/health promotion, and justice for Earth, persons of all diversities, and economic backgrounds? How will these priorities become part of the fabric of our lives, not just programs we perform?

The Leadership Summit helped us to celebrate our congregation's spiritual yearnings for openness, diversity, growth, and deepening. It helped us to begin examining how we may foster more connection, look after one another in happy and in challenging times, bringing our own resources forward in strategic ways to bring hope and healing to one another. We discussed how our life as a congregation (and as individuals) may grow and change so that our eyes and lives are opened to injustice within and without, and how we may be instrumental in creating spaces and opportunities for redemptive listening and actions.

If you haven't read the Three Year Plan yet, it is on the UCG website ([www.ucgainesville.org](http://www.ucgainesville.org)) under "Resources." As the year unfolds, I invite us all to seek the ways we will, in our various lives and experiences, live into, and out from, these significant directions, as we deepen our spiritual selves, seek holistic health, and work for justice for all.

## **Updates on Facilities Work**

The upgrades to the sound system in the sanctuary are continuing. New microphones are here and working well. New speakers are being installed this week. We are thankful that the UCG Endowment is making these much-needed upgrades possible.

In addition, the wiring and lighting issues in the sanctuary are in the process of being addressed as well. Extenders and different sorts of illumination are being tested as we determine the best solutions to the dimness of our lights! Thanks for your patience as we work through these opportunities for improvement!

## United Tribes ~ UCG Children's Program

### Keri Trospen, Director

Welcome to the Summer edition of the Children's Programs! We just concluded our 2015/16 United Tribes school year with our second annual Children's Sabbath. It was amazing! I am so proud of each and every child in our program, in awe of their energy, and inspired by their enthusiasm. What a blessing they are to our church!

During our Summer months, Sundays consist of Activity Time fun which means the children have opportunities to play outdoors or indoors with games, art, and snack time. Every Sunday provides new and different ways to experience the friends they have worshiped with all school year in our low-key summer-time format. We hope you'll bring your child to come play with us.

#### Here are some additional Summer events you'll want to make time for:

- ◆ **Board of Children's Ministry's own Lauren Poe will be leading a creek clean-up on Saturday, June 11, at 9:00a.m. at Hogtown Creek.** Meet at the parking lot of the Elks Lodge (2424 NW 23rd Blvd). Children should bring water shoes, gloves (optional), a bag, and your adult!
- ◆ **Tribal Camp - UCG Summer Tribal Camp**, our spiritual day camp for rising kindergartners through fifth graders, **will be Monday-Friday during the weeks of July 25 – August 5.** Informational brochures and registration forms are available in the front office. You'll want to return your forms and deposit as soon as possible in order to ensure your child a spot. Join the fun!
- ◆ **Parents' Night Out** - Attention parents: need a night out? Bring your children, babies through 5th grade, to the UCG church school wing on the **second Friday of each month, from 5:30pm to 9:30pm** where they can play, eat pizza\*, watch movies, and have fun with our child care staff. **The cost is \$11 for the first child and \$6 for each additional child. RSVP to summerh@ucgainesville.org no later than two days before.** \*Due to life-threatening food allergies, no outside food can be brought in.

**Looking ahead, United Tribes registration and bounce house day will be Sunday, August 28th.**

As always, thank you for sharing the gift of your children with our church.

Blessings,

Keri Trospen

# CHURCH BOARDS AND COMMITTEES

## Food 4 Kids

In March, we began the 7<sup>th</sup> year of UCGs F4Ks program and the first year at Rawlings Elementary School. We were warmly welcomed to Rawlings and still we found it to be a challenging year. Instead of registering 60 children, we registered 160. Although we always had a few children transfer into and out of Duval, at Rawlings, there was a continuous turnover of children.

We were challenged to keep up with the constant changes and numbers of participants, but still, we never lost sight that the prize was to help all we could, no matter how long they were in the program.

This year we will have sent home over 21,500 meals and snacks. We expect that it will be the same next year. UCG has made an enormous difference in the lives of at need children.

We are starting to make plans for next year and will once again ask for your help. We know that the UCG F4Ks program is just as important to you as it is to the volunteers who are able to help weekly.

How can we say thank you? There is no word to let you know how important you are to these children! Thank you!!!

## Fall Small Group Ideas Needed

Our Small Groups Committee is currently curating our offerings for Fall 2016. If you have an idea for a small group that you'd like to lead, we want to hear from you! Fall small groups happen any-time between September 12 and December 31. They can meet once or many times, at church or offsite, and can be on any topic or practice that interests you: meditation, bible study, kayaking, peer support, personal finance, current events, service opportunities, or ANYTHING ELSE! Please contact committee chair, Katherine Henderson at [kkhenderson@gmail.com](mailto:kkhenderson@gmail.com) if you'd like to lead.

## Financial Update

Yes, Gainesville in the summer is a great time: the smell of freshly-mowed grass, the slower pace of UF summer term, and those long-awaited vacations. But while you are enjoying all of this down time, please don't forget your pledge! Having a consistent flow of income helps the church maintain a healthy bank balance while still paying those summer utility bills. Many members use the convenience of their bank's online bill pay to make regular donations to the church. Some members have found the convenience of our eGiving partner Vanco ( <http://ucgainesville.org/giving/> ), having their donation withdrawn monthly from their checking account or credit card. Others mail their check to the church monthly. However you choose to donate, please accept our thanks for your continued – consistent – generosity! ~ Catherine Cake, Accountant

It is the generous gift of time and other personal resources you've given that creates meaningful change in communities here and throughout the world." Jane previously had been given the Alachua County League of Women Voters 1987 Outstanding Citizen Award for her service in several areas of local community and state-wide concern. Congratulations, Jane!
