

Wilsonart Ranges

Available in a wide variety of tasteful colours, patterns and textures across three unique ranges, Wilsonart laminates are a smart, stylish choice for any surface.

These high-quality laminates offer unmatched durability and affordability for numerous domestic, commercial and industrial applications.

AEON™ FINISHES

These premium surface textures have been specially created for the Wilsonart's AEON range, providing a hardwearing finish that will retain its appeal for many years.

01 HIGH GLOSS

A mirror sheen finish, which gives a smooth, brilliant appearance.

12 SOFT GRAIN

A low gloss, matt wood texture with a slight gloss in random 'ticks'.

22 ANTIQUE

Varying low-gloss finish indicative of aged stone.

07 SATIN

A textured finish which reproduces a high sheen of waxed finishes.

21 NEW SATIN

A new generation satin finish soft to touch.

57 ALIGNED OAK

Synchronised texture of elegantly aged oak.

TRACELESS FINISHES

Traceless luxurious fingerprint-proof finishes are extremely soft to touch and will add stylish edge to any interior.

TP

Traceless Super-matt Fingerprint Proof Premium. For Vertical and Horizontal Applications. Non-postformable.

TS

Traceless Super-matt Fingerprint Proof. For Vertical Applications only. Non-postformable.

AUSTRALIANA FINISHES

Meticulously matched to Wilsonart's Australiana range by our design experts, these textures bring a delightful tactile element to any woodgrain, stone, pattern or colour design.

09 MARKERBOARD

High Gloss Markerboard surface.

38 FINE VELVET

A smooth textured finish with moderate reflective value.

90 CRYSTAL

A very finely beaded texture that minimises smudges and finger marks.

WM WOOD MATT

A universal discreet wood pore texture which creates the authentic appearance of timber with a matt non-reflective surface.

M MATT

Textured finish with a moderate reflective quality.

CUIR LEATHER

A soft and matt surface with skin texture, strikingly realistic.

RO ROCK

Uneven texture with hints of natural stone or hammered metal combined with a matt finish.

20 SILKY MATT

A pleasant solid surface feel that's not cold to the touch.

60 TEXTURED MATT

Textured finish with a moderate reflective quality.

C CONCRETE

A matt rough-textured finish.

NM NATURAL MATT

A non-directional finish with moderate reflectivity.

S SATIN

Ultra smooth matt surface with a soft and luxurious feel.

FA FINE SATIN

A refined satin eggshell, soft to touch, radiating purity and discretion.

WH WOOD SPIRIT (HORIZONTAL)

A wood texture which creates the appearance of horizontal timber grain.

Traceless

TOUCH WITHOUT LEAVING A TRACE.

Discover a silky smooth and luxurious yet durable, easy-to-clean surface with impact- and fingerprint-resistant properties, perfect for applications where style is a must.

Wilsonart Specialty Laminates

FOR SURFACES THAT TAKE A POUNDING

From fire to chemical resistance to high-traffic to vertical writing surface needs, Wilsonart Specialty Laminates offer surfaces uniquely suited to the challenges of performance interiors. These ultra-strong laminates deliver exceptional functionality and remarkable durability.

Chemsurf[®] Chemical Resistant Laminate

FUNCTIONALITY IN TOP FORM

If harsh acids, bases and solvents are a problem for your surfaces, Wilsonart Chemsurf chemical resistant laminates are the answer. Specifically designed for highly corrosive environments, Chemsurf provides exceptional chemical resistance without compromising on style. Lighter and less expensive than slate, stainless steel or epoxy, Chemsurf is also ideal for applications where harsh cleaning agents are in use and may damage other decorative surfaces. **The full range is available from February 2021.**

Markerboard Laminate

LAMINATE THAT'S WRITE ON

No matter where it's used, from conference rooms to hospital cafeterias, Wilsonart Markerboard Laminate offers great versatility and decorative opportunities, especially when compared to porcelain or epoxy-coated steel. As a dual-purpose board for projection and dry or wet erase uses, Wilsonart Markerboard Laminate is also easy to maintain and to clean.

Wilsonart Markerboard Laminate has received UL GREENGUARD Gold Certification for Low Chemical Emissions.
