

Wine Coolers

About Tefcold

Founded in 1987 by a group of people with years of experience in the refrigeration industry, the objective of Tefcold was to develop, manufacture and distribute refrigerators and freezers of high quality for the global markets.

Our mission is to support our customers, and we have done this successfully for 25 years. We see ourselves as a reliable, solid supplier who is here to stay.

We believe that the best way to innovate is to listen to and cooperate with our customers, and we constantly aim to improve our product range as well as our services in order to be the supplier of choice in our line of business.

We believe in services making our products even better, and we understand that equipment can be urgently needed. You can always expect your orders to be handled immediately and with great care by our staff, and standard equipment can be delivered from our warehouses within a few days.

For several years Tefcold has been focusing on eco-friendly equipment in order to take active part in the reduction of the global energy consumption. The energy consumption of each of our products is constantly being reduced, and the up-to-date information can always be found on our website www.tefcold.dk along with all other technical info, spare parts lists, manuals etc.

The “green” products in our range are marked with this logo:

We hope you will enjoy our catalogue and look forward to cooperating with you.

Wine Coolers

Tefcold offers a wide selection of wine coolers and –dispensers for storage, display and serving of wine.

Our classic CPV/CPP1380 model is available in two different colours with solid or glass door.

The exclusive TFW range has a new, improved design. This range includes practical, wooden slide-out shelves for an easier loading of wine bottles, and can be offered with black or stainless steel door frame.

This range also offers cabinets with two temperature zones.

Kindly note our new CPV28 wine cooler, which is an elegant substitute for the popular CPV27.

Optional presentationshelf

TFW365-2S

- 2 temperature zones
- Internal LED light
- 15 wooden drawing shelves
- Tinted glass door for protection of wine
- Black exterior
- Stainless steel door frame
- Stainless steel handle
- Adjustable feet
- Reversible door
- Electronic thermostat
- Lock fitted as standard
- Charcoal filter included

TFW80S

- 1 temperature zone
- Internal LED light
- 6 wooden drawing shelves
- Tinted glass door for protection of wine
- Black exterior
- Stainless steel door frame
- Stainless steel handle
- Adjustable feet
- Reversible door
- Electronic thermostat
- Charcoal filter included

TFW160S

- 1 temperature zone
- Internal LED light
- 4 wooden drawing shelves
- Tinted glass door for protection of wine
- Black exterior
- Stainless steel door frame
- Stainless steel handle
- Adjustable feet
- Reversible door
- Electronic thermostat
- Charcoal filter included
