WELCOME TO MISSION COLLEGE

From Mission College

We are looking forward to welcoming you back to campus. This pandemic has been anything but ordinary, but just like the opening of our new plaza this Spring, Mission College is starting fresh with a gradual return to campus. One thing that has not changed is our mission to educate anyone that comes to us.

We value our diversity. We have students from 33 countries. We have students from all walks of life. Education is about learning from others, and we do that every day at Mission College.

We also realize the challenges of paying rent, holding down a job, taking care of family, finding a quiet place to study or relax, or navigating college for the first time, or the fourth time.

We have made it a priority to address some of those needs.

- We have partnered with 2nd Harvest Food bank for a weekly drive-through food pantry.
- We have set up a laptop and hotspot loan program.
- We have created an emergency assistance fund.
- We have given out meal cards and lunches.
- We have opened up our computer lab, which has access to a computer, Wi-Fi and is quiet.

Mission College has already distributed more than \$2.9 million in direct dollars to students since March. This is in addition to providing over 1000 laptops and Wi-Fi hot spots through our loan program, and distributing more than 8,000 meals through gift cards and bagged lunches.

Let's have a great 2022!

MISSION STATEMENT

Mission College serves the diverse educational needs of our student population by providing equitable access and support towards completing associate degrees and certificates aligned with transfer and career pathways to meet educational and personal goals as well as the workforce demands of the city of Santa Clara and Silicon Valley.

Vision Statement

Empowering every student to find their mission.

SUPPORT SERVICES

CALWORKS

calworks.missioncollege.edu | SEC-144 | 408-855-5228

CalWORKs serves low-income parents and students with at least one child under the age of 18. Santa Clara County provides cash aid to be used for housing, food, and utilities. Mission's CalWORKs program provides academic counseling, book vouchers, CalWORKs on-campus work-study, priority registration, on-campus and community resource referrals and assistance with county caseworkers.

CARE

care.missioncollege.edu | SEC-148 | 408-855-5055

The Cooperative Agencies Resources for Education (CARE) Program, a component of EOPS, is designed to focus on the unique needs of single-parent students who receive CalWORKs Cash Assistance/TANF funds. Program services include an additional grant, book services, workshops, and more. To maximize the resources

available, students may participate in both CARE and CalWORKs at the same time.

EOPS

eops.missioncollege.edu | SEC-148 | 408-855-5055

Extended Opportunity Programs & Services (EOPS) provides support services to low-income and educationally disadvantaged students facing various barriers to academic success. Services include personalized academic and career counseling, book vouchers, transportation assistance, meal cards, school supplies, priority registration, and grants for qualifying students.

TRIO & TRIO STEM

trio.missioncollege.edu | SEC-146 | 408-855-5192

TRIO's function is to increase the retention, graduation, and transfer rates of students who are first generation in college, income eligible, and those with disabilities. The program's focus is to create a personalized Mission College experience for each student. We do this by providing dedicated program counselors, academic advising, career counseling, graduation and transfer information, computer lab use, free copying and printing, university and company tours, tutoring, priority registration, among other services. TRIO STEM is our newest program that provides the same services and caters to the unique academic demands specific to STEM majors and professional trajectories.

AANAPISI PROGRAM

aanapisi.missioncollege.edu | SEC-350 | 408-855-5366

The AANAPISI Program improves the on-boarding, progression, graduation, and transfer rates of Asian American and Pacific Islander (AAPI) and low-income students at Mission College.

PLACEMENT & ASSESSMENT SERVICES

assessment.missioncollege.edu | SEC-109

Students at Mission College must complete the Placement Assistance Tool found at assessment.missioncollege.edu prior to enrolling in English and/or math courses, as well as English as a Second Language courses. Placement and Assessment Services can assist with the tools if needed. Placement and Assessment Services can also help students clear course prerequisites via assessment of prior learning.

HSI STEMLINK PROJECT

hsi.missioncollege.edu | SEC-350 | 408-855-5261

The primary goal of the Hispanic Serving Institution (HSI) STEMLink Project is to strengthen the pipeline of Latinx and low-income students from local high schools through enrollment services, peer mentoring, counseling, career readiness workshops and bilingual (Spanish-English) financial aid advising. The STEMLink Project supports STEM students in their transfer to four-year universities and funds faculty-mentored student summer STEM research projects. Additionally, the STEMLink Project funds student, staff, and faculty attendance of annual STEM undergraduate conferences.

NEED FINANCIAL ASSISTANCE?

With these programs you may receive:

- Priority registration
- Personalized counseling
- Childcare assistance
- Book vouchers
- Computer support
- Career and transfer planning
- Tutoring help
- Much more!

EQUITY & SUCCESS

3sp.missioncollege.edu

By completing these 3SP areas, students will receive priority registration.

- **Orientation** helps you adjust to your new college.
- **The Placement Assistance Tool** helps place you in courses at the right level for you.
- **An Education Plan** helps you identify the courses required to complete your goals and the best order in which to take them.
- **Follow-up services** are developed to make sure you stay on track and together we continue to evaluate your process.

FOR YOUR SUCCESS

USE THESE PROGRAMS TO HELP YOU NAVIGATE AND SUCCEED AT MISSION COLLEGE

ACADEMIC SUPPORT CENTER (ASC)/ TUTORING CENTER

tutoring.missioncollege.edu | SEC-154 | 408-855-5095

The Academic Support Center provides academic assistance for all Mission College students. The tutoring service is free and available for a wide range of courses in basic skills, transfer, STEM, and courses that lead to degrees or certificates. Students can choose drop-in tutoring or scheduling a future appointment. Peer tutors also help with study strategies and test preparation. We strive to offer quality services in a variety of formats to respond to individual student needs.

CAREER CENTER

jobs.missioncollege.edu | SEC-122

The Career Services Center is your resource for resumes templates, workshops, finding jobs, job fairs, and gaining internships and/or apprenticeships. Employers post opportunities at jobs.missioncollege.edu.

COUNSELING CENTER

counseling.missioncollege.edu | SEC-139 | 408 855-5034

Our counselors are available to support Mission's diverse student population with the many academic and personal needs that may arise during the college experience. A counselor can help you with academic and transfer counseling, career counseling, goals clarification, personal counseling, community referrals, crisis intervention and more.

DISABILITY SUPPORT PROGRAMS AND SERVICES

dspd.missioncollege.edu | CC-240 | 408-855-5085

DSPS is a one-stop support center to enhance the success of all students with documented disabilities seeking to further their education. DSPS meets the needs of anyone with a documented disability, such as IEP, 504 Plan, Diagnosis, in either an on-campus or online course environment. DSPS offers approved accommodations such as extended test time, among others, and Educational Assistance Courses (LSR) available to build skills in writing, math, strategies and technology.

HONORS PROGRAM

honors.missioncollege.edu | honors.mission@missioncollege.edu

The Honors Program supports students who want to challenge themselves academically and prepare themselves fully for transfer to a four-year institution. All Honors courses are CSU and UC transferable and are designed to strengthen students' critical thinking, analysis, research, writing and communication skills. Research opportunities are also available.

MESA

mesa.missioncollege.edu | SEC-152 | 408-855-5482

Born out of the civil rights movement, the Mathematics, Engineering, Science Achievement (MESA) Program academically and supports educationally and economically disadvantaged students in the STEM Transfer pathway. Some of MESA's academic and student support services include Academic Excellence Workshops (AEW's), a dedicated counselor, tutoring, organized study groups, college and industry tours, mentorship programs, leadership conferences, retention and transfer support. MESA guides a diverse population of transfer-ready students to 4-year university programs and beyond.

PUENTE PROJECT

puente.missioncollege.edu | CC-221 | 408-855-5362

The Puente Project is a national award-winning program that has improved the college-going rate of tens of thousands of California's educationally underrepresented students. Puente students take English 1AX and Counseling 5 in the fall semester. They then take English 1B and Counseling 7 in the spring semester. During both semesters, Puente students take part in required events, such as trips to university campuses, and receive mentoring from local professionals. Puente students work closely with their Puente counselor to transfer to a four-year school. This is a fall start program and students must enroll before the fall semester begins.

STEM LEARNING CENTER

stem.missioncollege.edu | SCI-131 | 408-855-5157

The STEM Learning Center provides a study space, tutoring in STEM disciplines, the peer navigator mentorship program, university tours, industry tours, and community building. The center also participates in the hunger free campus initiative where students can pick up snacks and drinks throughout the day.

TRANSFER CENTER

transfer.missioncollege.edu | SEC-139 | 408 855-5115

The Transfer Center creates equal opportunity for all students to succeed in reaching their educational goals by identifying, recruiting, and motivating students to make well-informed decisions to transfer to four-year universities. The Transfer Center will help students navigate through the transfer process by assisting with choosing a transfer campus, understanding the admissions process, and assisting with filling out college applications. Additionally, the center provides resources for students to explore and establish major, transfer, and career goals.

UMOJA COMMUNITY

umoja.missioncollege.edu | umoja.community@missioncollege.edu

Umoja is a Kiswahili word meaning unity. The Mission College Umoja Community (MCUC) will empower and motivate African American students and other students from disproportionately impacted populations to excel in academics through community engagement, cultural empowerment, culturally responsive pedagogy, and self-love. Students of all backgrounds are welcome to join. Students that are interested in learning more about the Umoja Community are encouraged to visit umoja.missioncollege.edu or email UmojaCommunity@missioncollege.edu

VETERANS-VALOR CENTER

valor.missioncollege.edu | CC-240 | (408) 855-5418

The VALOR Center is open to all Student-Veterans regardless of benefits and Student-Veterans receiving benefits can also apply for V.A. It is a one-stop space to access information, mentoring, study space, computer lab, tutoring, disability counseling, education planning, certification information, free printing, outside resource information, and to get to know other veterans. They also coordinate calendar dates and have access to an on-campus Medical Lab.

WELCOME CENTER

welcome.missioncollege.edu | SEC-105 Main Lobby | 408-855-5083

Are you new to Mission College? Do you need help? We are here to help students every step of the way. We also offer campus tours. Visit the Welcome Center in the Student Engagement Center! Our friendly Student Ambassadors and staff are here to assist prospective and current students. Mission College is a multicultural campus and our staff is available to assist students in a variety of languages. Our mission here at Mission is to help you achieve your academic and career goals!

ANEKA ELIZABETH

Mission College to University of San Diego

Three years ago Aneka was rejected from Santa Clara University and as she said in her Instagram post “it felt like the end of the world to me.” She then went to West Valley and Mission Colleges and slowly “built her spirits back up.” She was then accepted to UC San Diego as a Marine Biology major. “I never, not once, in my whole life thought I would land at a UC. But I’ve never, not once in my whole life, felt like I belonged somewhere more than I do right now here in La Jolla.”

TALIB NAQVI

Mission College to University of California, Santa Cruz and San Francisco State
B.S. Computer Science

One of my best experiences at Mission was to go on a spring break field trip to Southern California Universities. The management of the event was on point. Mission staff organized halal food for me and made sure the agenda was very punctual. I was able to ask questions in person with the top universities in the world. The trip was socially and academically helpful for me to achieve my motivation.

Talib received his Associate of Science degree from Mission College and Bachelor of Science degrees in Computer Science from University of California, Santa Cruz and San Francisco State University.

What are Major and Career Pathways?

They are groups of related programs based on similar interests and courses. Career pathways are designed to help you find a path to reach your educational and career goals and provide a structure to help you navigate the college experience.

Ask a Counselor

We suggest scheduling an appointment with a counselor at counseling.missioncollege.edu, discuss the classes and work experience you already have accomplished and where you want to go.

You Don't Need a Degree to Transfer

You don't need a degree/certificate to transfer to a university. However, depending on the transfer major you are seeking, it can be a great way to finish major preparatory coursework at Mission. And usually it is more affordable too!

Don't Know What to Study? No Problem!

It's ok if you have not decided on a major, that is what college is for. To explore your options! Use these tools at mcportals.missioncollege.edu.

Career Coach: Includes a free 6 question and 60 question-assessment to explore majors on your My Mission Portal

Career Exploration Course: Take a career exploration course, COU 012 (Career and Lifestyles)-3 units.

Go to majors.missioncollege.edu to explore all our degrees and certificates. The Major and Career Pathways are on the following page in the following categories

While not part of our pathways programs we also have Apprenticeship, ESL, and Noncredit Programs

IMPROVE YOUR ENGLISH

ESL Credit

The Credit ESL Program provides low-intermediate to advanced skill development and college preparation for non-native speakers of English. This program is designed to give our ESL students the tools they need to reach their academic, career, and personal goals.

Crédito ESL

El programa Credit ESL proporciona desarrollo de habilidades de intermedio bajo a avanzado y preparación para la universidad para hablantes no nativos de inglés. Este programa está diseñado para brindarles a nuestros estudiantes de ESL las herramientas que necesitan para alcanzar sus metas académicas, profesionales y personales.

Chương trình ESL Credit (ESL có tín chỉ)

Chương trình ESL Credit cung cấp sự phát triển kỹ năng từ trung cấp tới cao cấp và sự chuẩn bị vào trường cao đẳng dành cho những người không phải là người bản xứ nói Tiếng Anh. Chương trình này được thiết kế để cung cấp cho những sinh viên ESL các công cụ mà họ cần thiết để đạt được các mục tiêu học tập, nghề nghiệp, và mục tiêu cá nhân.

ESL Non Credit

The Noncredit ESL Program offers classes for low-beginning to high-beginning level students. Many of our classes offer an integrated skills approach, which gives students the opportunity to improve reading, writing, grammar, listening, and speaking skills at each class meeting.

ESL sin crédito

El programa de ESL sin crédito ofrece clases para estudiantes de nivel principiante bajo a principiante alto. Muchas de nuestras clases ofrecen un enfoque de habilidades integradas, que brinda a los estudiantes la oportunidad de mejorar las habilidades de lectura, escritura, gramática, comprensión auditiva y expresión oral en cada reunión de la clase.

Chương trình ESL Non-Credit (ESL không có tín chỉ)

Chương trình ESL không tín chỉ cung cấp những lớp học cho sinh viên từ sơ cấp đến cao cấp. Nhiều lớp học của chúng tôi cung cấp phương pháp tiếp cận kỹ năng tích hợp, giúp sinh viên có cơ hội cải thiện các kỹ năng đọc, viết, ngữ pháp, nghe và nói tại mỗi buổi học của lớp.

TAKING AN ONLINE CLASS? WE CAN HELP!

ONLINE.MISSIONCOLLEGE.EDU

Free Laptop & Wifi Loan Program

Mission College recognizes the sudden transition to online courses has posed many challenges for our students, particularly for those without reliable computer access. In an effort to best support our students, Mission College is loaning a limited number of laptops and hotspots for our students with the greatest need, to use for the rest of their time at the college. Go to resources.missioncollege.edu to apply

Using Canvas

Canvas allows faculty to develop and manage online and face-to-face courses, and provides students with secure access to course content anywhere, and anytime, they have access to the Internet.

Canvas allows students:

- to work and collaborate
- view lessons
- submit assignments
- take exams
- communicate with instructors and other students
- track their grades and course activity
- configure, customize and display course reports in a safe password-protected virtual environment.

Why Take an Online Class?

Online Learning courses are delivered online and offer the flexibility of learning anywhere, and anytime.

- Earn credits during Winter and Summer session to transfer back to your own four-year school
- Take classes throughout the year on your schedule
- Get through college faster
- Complete lower division GE classes
- Online tutoring with our own Mission College tutors and Net Tutor
- Financial Aid may be available

ADMISSIONS AND REGISTRATION INFORMATION

**FOR MORE DETAILED INFORMATION PLEASE VISIT:
CATALOG.MISSIONCOLLEGE.EDU**

ENROLLING INTO CLASSES

Students can register for classes online via My Mission Portal starting on their assigned registration dates and until the day before the first meeting day of the classes. They can also register in-person at Admissions & Records located in SEC 118, should conditions allow.

All classes of the District shall be open for enrollment to any person who has been admitted to West Valley or Mission College. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and co-requisites, or due to other practical considerations, such as exemptions set out in statute or regulation.

**Payment of fees is due at time of registration.
The drop for non-payment policy is in effect.**

REGISTRATION FEES

Payment of fees is due at time of registration.

Be prepared to pay any outstanding balance on your account at the time of registration. Outstanding account balances will block you from being able to register in the future. Make payments online via My Mission Portal or in-person at SEC 118, should conditions allow.

Mission College encourages all students to apply for financial aid for assistance with paying enrollment fees. To apply visit the Mission College financial aid page at financialaid.missioncollege.edu or come to the Financial Aid office for help at SEC 118, should conditions allow.

PAYMENT PLAN OPTIONS THROUGH NELNET

Mission College is committed to providing you with options to pay your enrollment fees. By establishing a payment plan with Nelnet you will have the opportunity to select a payment plan to make your college enrollment expenses more convenient and manageable. For additional information go to: MyCollegePaymentPlan.com/wmc or call Nelnet at (800) 609-8056.

WVM ISSUED EMAIL

All students registered in the West Valley-Mission Community College District (WVMCCD) are assigned a WVM district email: yourname@mywvm.wvm.edu. The email address can be used as an email address, to access Canvas and as a single sign-on for services. Students can go to mportal.missioncollege.edu for details.

DUAL ENROLLMENT-HIGH SCHOOL STUDENTS REGISTRATION

High school students seeking to take classes at Mission College are required to submit an online Application for Admission as well as a High School Dual Enrollment Form for each term they wish to enroll. The Dual Enrollment Form is to be submitted before students will be assigned an online registration date and may be submitted via email to: dual.enrollment@missioncollege.edu or in-person at the office of Admissions & Records in SEC 118, should conditions allow. Students are highly encouraged to submit forms at least two weeks before registration opens for high school students to allow for processing.

The high school principal/designee, and parent/guardian of the student must approve any registration into any college course. Students are required to meet all prerequisites for the course(s) into which they want to enroll. To obtain the High School Dual Enrollment Form and additional information pertaining to Dual Enrollment, please visit hs.missioncollege.edu.

Dually enrolled high school students are responsible for paying the Health Center Fee.

Dually enrolled high school students are not allowed to register into Kinesiology and 900 level courses.

DROPPING/WITHDRAWING FROM CLASSES

It is the student's responsibility to drop/withdraw from classes. Do not assume that you will be dropped by the instructor or by any process that drops students for non-payment. If you do not drop classes that you no longer want to be enrolled in by the published deadlines, you, the student, will be responsible for payment of all enrollment fees related to the class (even if the you never attended), and for any grade assigned by the instructor. Classes may be dropped via My Mission Portal.

CLASS WAIT LIST

A class wait list starts when a class reaches its maximum enrollment capacity during the registration period. Students can add their names to a wait listed class before the class begins. During the registration period, if a student drops from a class that has a wait list, the first student on the wait list will be notified via email that a space in the class is available to their personal and WVM email addresses, and via text (standard text fees apply). The notified student will have up to 48 hours from the time the notification is sent to register into the class. Should the notified student not enroll in the course by the end of the 48 hours the student will be removed from the wait list and the next student on the wait list will be notified that a space in the class is available. The notification system will continue to notify students on the wait list until the next notified student enrolls in the class or the class starts, whichever comes first.

ADDING A CLASS WITH ADD CODES

On and after the first day of instruction and through the Add/Drop period of the course, students that want to add into a class must contact the instructor and ask for an "Add Code." Students will use add codes to enroll themselves into a course via My Mission Portal. Students must use assigned add codes before the Add/Drop period deadline (see Calendar for dates). A different add code is required for each class to be added on or after the first meeting of the class. Successfully adding a course online with an add code is a two-step process 1-validation, 2-submitting changes. Students may be able to add a course on or after census date with special permission. Adding classes after the refund deadline will require that new fees be paid for the new course(s) added.

COURSE REPETITION AND FAMILIES OF COURSES

State regulations severely limit the ability of courses to be repeated after receiving a passing grade. There are groupings of courses in the West Valley-Mission Community College District with similar active participatory content called "families" and courses in these defined families are linked, independent of which college where they are taken. Families are identified within the Kinesiology, Wellness & Human Performance, Physical Education, Art, Theatre, and Music disciplines, and students may only attempt up to four courses in any single family. An attempt is defined as receiving any grade or notation (e.g., W for withdrawal) in any previous or current terms - this is a cumulative count of attempts. If a family has less than four courses in its offerings and you have a received grade notation for each of its courses, the maximum attempts have been reached.

Students with documented, extenuating circumstances must complete and submit a Student Petition to the Admissions & Records Office for consideration of beyond four attempts within an individual family.

Refer to the table in the online schedule, college catalog or consult with a Counselor to review the full list of courses within families.

REFUNDS

To be eligible for a refund of enrollment fees students must drop classes by the published deadline.

Dropping a class after the published deadline will result in loss of enrollment fees. Refund requests for ASB cards and parking permits must be made at the Admissions & Records office by the "last day to drop with a refund" deadline. A parking permit refund requires the return of the parking permit.

Refunds for credit card payments will be returned to the credit card used to pay the fees. Check and cash payments will be refunded by check and mailed to the student's current home address on record. It is important that we have a current address on file. Refunds for eligible students are processed after census for full term courses, unless otherwise requested by the student. Refunds for complete withdrawals from short-term courses are processed within 7 to 10 business days.

PREREQUISITES

Some courses have prerequisites. A prerequisite is a class or skill that is required before enrollment into a preferred class is allowed. Prerequisite information for individual classes can be found in the college catalog course listings. For information on how you may be able to clear prerequisites through alternate means visit https://www.missioncollege.edu/student_services/assessment/prerequisites.html

AUDITING OF COURSES

Mission College allows auditing of courses except for courses in programs that require special preparation and/or program admission on a limited basis. The California College Promise Grant will not cover the fee for an audit class.

A variety of scholarships are offered with awards ranging from \$350 - \$5,000.

Financial Aid Books Loan Advance:*

Book Loans are processed as a financial aid advance to students with completed financial aid files and who are eligible for federal financial aid.

*May be limited by availability of funds.

Federal Work Study (FWS) Employment

A variety of part-time Federal Work Study employment opportunities are available to students with Federal Work Study Awards (FWS). Hourly rates range from \$13.00 to \$17.75. Students must be enrolled in a minimum of 6 units per term to be employed.

Financial Aid Availability:

Generally, financial aid eligibility is established once a student has shown through a completed FAFSA or CA Dream Act application that the following criteria are satisfied:

- Be a U.S. citizen or eligible non-citizen or meet AB540 criteria.
- Be enrolled or intend to enroll as a regular student in an eligible program of study for the purpose of obtaining a degree or certificate.
- Show financial need.
- Not be in default on an educational loan nor owe a refund to any financial aid office.
- Be registered, or formerly registered, with the Selective Service (for male students only, between the 18-26 year of age).
- Have the ability to benefit from the education offered. This can be met by holding a high school diploma, GED, passing the CHSPE (CA HS Proficiency Exam) or be home-schooled certified.
- Be making satisfactory progress.

Student Employment:

Part-time student employment opportunities are available at Mission College. For all employment opportunities visit jobs.missioncollege or Andrew Soliz, Program Specialist, Career Center in SEC-122.

ECO FRIENDLY

Every bus trip has the potential to keep 50 cars off the road.

UNLIMITED VTA RIDES

Enjoy unlimited bus and light rail trips with your smartpass throughout the semester

STRESS FREE

Enjoy music or read a book. Light rail provides free Wifi access.

Visit smartpass.missioncollege.edu for updated information

Mission College has partnered with Santa Clara VTA to offer its students a SmartPass which grants unlimited rides on VTA light rail and buses throughout the Santa Clara County provided their student fees are paid.

- Due to Campus Center being closed we are working on a new online ID card system to serve our students.
- Visit smartpass.missioncollege.edu for the latest information.

The SmartPass will automatically renew each semester once all fees are paid in full. Students keep the same card from semester to semester and do not need to get it replaced. You paid the fee, now ride for free!

PARKING INFORMATION

PARKING REGULATIONS - OVERVIEW

A valid student, staff, or one-day "daily" visitor parking permit is required to park on campus. Student and visitor parking permit requirements are enforced Monday through Sunday, between 7:00 AM and 10:00 PM.

Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and to properly display a valid and authorized permit. Vehicles with car covers are no exception.

Restricted areas, including disabled parking, red zones, loading zones, staff parking, and time zones, are enforced every day, 24-hours a day. Overnight parking is prohibited without prior authorization from the District Police.

PURCHASING A PARKING PERMIT

A semester-length student parking permit may be purchased online at missioncollege.edu or in person at the Admissions and Records Office. For online purchases, a printable temporary permit will also be provided if the permit purchased is currently in use. To purchase a semester-length permit, either online or in person, you will need to know your vehicles make, model, color, and license plate number. If you are a Financial Aid student receiving a California Promise Grant (Formerly Board of Governors Waiver), you can purchase your permit online but you must do so via the link in the student portal located on the college website.

Semester-length parking permit refund requests must be made in accordance with the refund schedule identified by Admissions. For permits purchased in-person at the Admissions Office, please take your permit to the Admissions Office to request a refund. For permits purchased online and mailed to your home, please take your permit to the District Police office.

One-day "Daily" parking permits may be purchased at any of the daily permit dispensers located in parking lots B, C and D. Daily permits are \$3.00 per day and all dispensers will accept cash, coins, and credit cards.

To be valid, all permits must be displayed on the front dashboard and the entire permit, including the expiration date, must be visible from the outside of the vehicle.

WINTER SESSION PARKING INFORMATION

There is no grace-period during the Winter Session. All vehicles parked on campus during the Winter Session must have a valid parking permit properly displayed at all times. During the Winter Session (Tuesday, January 4 through Thursday, January 27, 2022) all of the following parking permits will be valid for use:

- Spring 2022 Semester Permit
- Daily Permit

Students who have already purchased a Fall 2021 or Spring 2022 semester length permit may use either of these permits to legally park on campus during the Winter Session.

SPRING SEMESTER PARKING INFORMATION

A student parking "grace-period" will be observed during the week immediately prior to the start of the spring semester and during the first week of the spring semester. (The "grace-period" begins on Monday, January 24, 2022 and ends on Sunday, February 6, 2022.) During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations may be issued to vehicles failing to display a valid student parking permit beginning Monday, February 7, 2022.

GENERAL PARKING INFORMATION

VISITOR PARKING - Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in the front row of Parking Lot A, or in our new visitor lot, located next to the Student Engagement building at front entry circle. Visitors planning a longer visit to campus should purchase a one-day "daily" parking permit at any of the daily permit dispensers located in parking lots B, C and D.

MOTORCYCLES/TWO-WHEELED VEHICLE PARKING -- Motorcycles and other two-wheeled vehicles are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available at the front of each parking lot. No parking permit is required for two-wheeled vehicles.

DISABLED PARKING - All individuals who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the DMV. Failure to display a valid placard or plate may result in a citation and fine.

SPECIAL PARKING AND LOADING - Students or Staff members who have special parking or loading needs must make arrangements with Parking Services in advance. Business cards or notes left on the vehicle are not acceptable and a citation may result. No warnings are issued.

ELECTRIC VEHICLE CHARGING - Electric vehicle charging stations, also known as "E.V." stalls, are located in the front rows of Parking Lots C and D. Students, staff, and visitors are welcome to use the charging stations; however, a valid student, staff, or one-day visitor parking permit must be displayed on the vehicle while it is parked in an "E.V." charging stall.

LOST/STOLEN PERMITS - Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office located at the Campus Center. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price.

DISCLAIMER - This is only a summary of the District's parking procedures and regulations. All procedures and regulations are subject to change. For the most current and complete procedures and regulations, please visit us online at <https://wvm.edu/parking>.

QUESTIONS? CONTACT US - Parking Services can be reached by calling 408.855.5435, or via e-mail at parking.services@wvm.edu, or at by visiting us at the District Police Office located in the Campus Center.

SHORT TERM and LATE START Courses for Spring Session 2022

Short-term classes run less than the full semester. Many short-term classes begin after the first week of the regular semester, allowing students to enroll in additional courses if they find time in their schedule, or allowing students who may have missed regular registration the opportunity to enroll in classes prior to the next term. The courses which begin after the first week of the semester are traditionally referred to as "late start" courses. Some short-term courses are only 1 or 2 units, and that may be why they are offered on a short-term basis. Other courses are condensed or accelerated and provide the student the ability to complete what is traditionally a semester-long course in a shorter period of time.

COMMUNITY & CONTINUING EDUCATION CLASSES

communityed.missioncollege.edu : (408) 855-5106

About Community Education

The Community Education Office provides a wide range of learning and enrichment opportunities for the community by offering classes and programs which meet the specific needs of and are tailored for the local community.

- Our classes and programs range from vocational training (e.g. Pharmacy Technician) to specialized classes (e.g. court mandated drug classes), to personal and professional enrichment classes (e.g., Beginner to Advanced Violin, Furniture Design and Construction & Metalsmithing).
- Classes are available to anyone in the community, regardless of educational goals and achievements, or student status.
- Classes are tailored for students of all ages and are offered year-round with flexible, convenient schedules.

We welcome you to explore all that we have to offer and hope to help you reach all your educational and personal enrichment goals.

COURT MANDATE CLASSES

Drug Diversion, Anger Management and Impulse Control: For over 15 years, Community Education has worked with the Santa Clara County Courts and Probation Departments to provide quality classes on topics such as Minors in Possession, Marijuana and Other Controlled Substances, Anger Management and Petty Theft Diversion. All classes are held on the Mission College campus and are conducted by Licensed Psychotherapists and Marriage and Family Therapists with private practices in couples and drug counseling, working with minors and adults. For more information call 408.855.5106 or visit our website at communityed.missioncollege.edu for our court-mandated class schedule.

FURNITURE DESIGN/CONSTRUCTION

This hands-on studio class will help students develop basic technical skills with emphasis on individual design. Students of all skill levels are welcome to come and enjoy the relaxing art of woodworking. Each student is responsible for their own project materials.

METALSMITHING WORKSHOP

Students of any skill level are invited to explore the art of metalsmithing. This workshop will provide expert guidance on new or on-going projects from simple to complex. Students are responsible for their own project materials

Check website for class times

PHARMACY TECHNICIAN PROGRAM

- 30-week intensive NEW HYBRID program takes a very practical online & in-person approach to pharmacy training and is designed to prepare graduates for work.
- The program is excellent for recent high school graduates, college students, ex-healthcare workers, those looking for a career change, and anyone who wants entry into the pharmacy or health fields.
- The curriculum is written by pharmacists, and classes are taught by both pharmacists and certified pharmacy technicians practicing in pharmacy.
- Students will receive 400 contact hours that include class and lab instruction, tutoring, workshop sessions, and externship experiential training in a pharmacy.
- Graduates of the training program will receive a Certificate of Completion and eligibility for licensure (registration) by the CA State Board of Pharmacy.
- Pharmacy Technician Certification exam eligibility as a PTCB recognized program.
- Evening sessions start every February. & Day sessions start every August.
