# About Us

## **Customer-centric**

Wipro Lighting has an extensive network of 35 branches across the country, with over 400 dedicated stockists who help in delivering seamless services to our esteemed customers. We provide application-specific solutions through customised products to meet customers' needs perfectly.

## **Experts in Lighting Solutions**

We have a team of highly-qualified, well-experienced Lighting Design Professionals and Application Experts who that understand and deliver optimum lighting solutions as per our clients' requirements.

## **Manufacturing Excellence**

Having our own manufacturing units enables us to experiment and innovate with technology. LEDs have redefined the rules of luminaire design and have given us the opportunity to present light in new and exciting forms.

## **Technology-oriented**

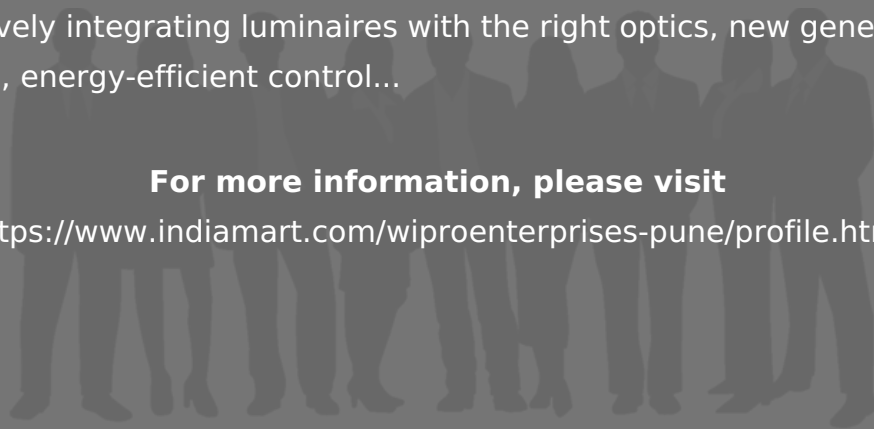

The lighting solutions at Wipro Lighting are developed with latest technology and are designed to meet future needs. Today, LEDs are a lot more than mere energy-saving devices. Their efficiency and easy adaptability to dynamic shapes and forms have opened new avenues for us to explore and innovate with the latest technology.

## **Leaders in Lighting for Green buildings**

55% of green buildings in the country are lit up by Wipro Lighting. At Wipro Lighting, we focus on effectively integrating luminaires with the right optics, new generation green lighting sources, energy-efficient control...
