# CONCERT BAND

## **Echo Lake – Robert Buckley- Hal Leonard – Grade 0.5 SKU# 411070**

Robert Buckley is writing more and more for younger bands. His latest young band composition involves the echo of simple motives that are passed around the band.

## **Klezmer Clarinets -Timothy Loest – FJH – Grade 0.5 SKU# 420445**

This tune's structure reflects the tradition of attractive melodies over a danceable klezmer groove. While it's listed as a .5, consider it as a fun start to the year for your second year players.

## **Scottish Lullaby –Robert W. Smith - Barnhouse – Grade 0.5 SKU#421203**

Perfect for expressive playing, phrasing and the pursuit of tone, Scottish Lullaby is a well crafted piece based on the folk song "I Know Where I am Going".

## **Belah Sun Woman – Jodie Blackshaw - GIA – Grade 1 SKU# 410005**

Belah Sun Woman is not just a piece, but is a step by step lesson plan of activities and games to build the musical skills necessary to perform each of the five movements in this innovative work.

## **Statement – Gary Gazlay-Kjos – Grade 1 SKU#417759**

Strong, simple melodies shared by all the parts are the key components of Statement. In the second half of the piece, the intensity level increases, building to the finale.

## **Celtic Air and March –Michael Sweeney- Hal Leonard – Grade 1.5 SKU# 421065**

Following in Michael's popular Celtic Air and Dance format, here are two contrasting melodies associated with Ireland. The ballad The Foggy Dew is followed by the march The Minstrel Boy .

## **Zombie Tango –James Meredith- Carl Fischer – Grade 2 SKU#420649**

Name notwithstanding, this is a brilliant introduction to tango for young players. It would make a great Halloween concert piece, or any time zombie fever is taking over your school.

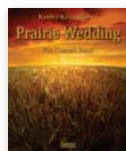

## **March Diabolique -Brian Balmages– FJH – Grade 2.5 SKU#422009**

Using elements from a traditional march set in a contemporary framework, the music is based on tritone intervals surrounded by expansive, dark harmonic language.

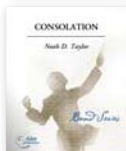

## **Hebrew Medley – arr Bobrowitz – Grand Mesa – Grade 2.5 SKU#421952**

David Bobrowitz has arranged some wonderful melodies. This medley starts slow and moves to a whirling dance, and would make a great contrast piece for festival.

## **Prairie Wedding -Kenley Kristofferson – Daehn – Grade 3 SKU#421024**

A gorgeous chorale in A-Flat weaves its way into a delightful little country wedding dance tune. Beautiful writing by this young Winnipeg composer.

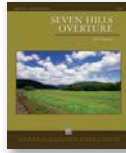

## **Consolation – Noah D. Taylor – C.Alan – Grade 3 SKU# 421948**

Representing the complex emotions of the human condition, Consolation juxtaposes moments of quiet solace, building tension, and immense emotional release.

**To order go to [www.long-mcquade.com/edu](http://www.long-mcquade.com/edu)**

**The Colours and Contrasts of Grief – Paul Suchan – Eighth Note – Grade 3.5 SKU#418673**

This is a work that explores the stages of the grieving process. The opening motif heard in the clarinet is the thread connecting every section of the work. Powerful and ethereal.

**Seven Hills Overture – Fannin – Alfred – Grade 4 SKU#416038**

An exciting fanfare that utilizes shifting meter to create a light, happy groove. The title is inspired by the seven hills that surround Bowling Green, Kentucky. Requires piano.

A swingin' chart at 148 BPM with an easy melody line, a written tenor solo, and easy brass ranges---all good. A mature sounding yet easy to play arrangement by Canadian Vince Gassi.

**Better Get It in Your Soul – Mingus/arr Ford-Belwin – Grade 2 SKU#421943**

Introduce the happy world of Mingus to your young musicians through this infectious jazz waltz . A great hook melody by the great Mingus that grabs you.

**Embraceable You – George and Ira Gershwin/arr Darmon Meader-Belwin – Gr.3.5 SKU#420854**

Darmon Meader is more known for vocal jazz renditions with the New York Voices, but his instrumental writing is a treat, shows a real maturity, and understanding of the modern jazz ensemble.

**Kaleidoscope – Eric Morales - FJH – Grade 4 SKU#422011**

Sporting a diverse set of styles, this unique swing chart features a flugelhorn solo and the trumpet section with angular themes that invoke images of light, colour and symmetry.
