# Left ↔ Right Game

Have a gift/gifts for the members to pass around from left to right when the word *left* or *right* is said. The person holding the gift at the end of the game is the WINNER!

I left my house and was on my way to Lucy Left's house. But I left the directions at home right by the phone! I knew right away that I needed to have the right directions to Lucy Left's house, so I turned left and I turned right and made my way back to my house for the right directions. Sure enough, there they were, right where I had left them, right next to the phone.

Finally, I was on the right track. I arrived right on time and set up my display right over here. You all arrived and sat right down. I'll get right to work and tell you all about our amazing organization, how to become a member and about the member benefits. I hope nothing will be left out. If you left home with the intention of shopping for gifts tonight, remember, we have the right gift for everyone. Review your shopping list, we wouldn't want anyone to be left out. We have just the right gift for birthdays, anniversaries and any special occasion for those over the age of 21.

If you'd like to become a member and learn about helping others in need and giving the gift of yourself, or if this is the right time for you to explore your options, please talk to me right after the demonstration.

I'm glad to be here, and I hope that you will have fun. I know you can't wait to see if we have just the right item you have been looking for, and so without further delay, I will get right to the point of this meeting, which is teaching you about The Moose. So there is really nothing left for me to do now except to congratulate the winner(s)! Right?

**SETTING** Kitchen

**PROPS** Table with four chairs  
Coffeepot and five coffee mugs  
Magazine

The scene opens with Sophia sitting at the table sipping coffee. She is dressed in a long housecoat, and is wearing a curly gray wig and glasses. She has her purse on her arm.

Blanche enters wearing silk pajamas, looking fatigued and suppressing a yawn.

**Sophia:** What's the matter, Blanche? Another long night out with the handsome doctor?

**Blanche:** Oh, I broke it off with him!

**Sophia:** Did he ask you to return all of the presents he gave you?

**Blanche:** Why of course. And not only that, he had the nerve to give me a bill for thirty-five house calls! But, that's not what's bothering me. I just can't seem to get over this insomnia. I haven't had a good night's sleep in weeks. What do you do when you can't sleep?

**Sophia:** Well, at my age I never have trouble sleeping. My trouble is trying to stay awake. But, why don't you hire a young handsome male nurse to sit with you at night, and kiss him every fifteen minutes?

**Blanche:** *(Perking up with interest.)* How will that put me to sleep.

**Sophia:** It won't. But it will make it a pleasure to stay awake.

*(Rose enters dressed for the day looking very bright and happy.)*

**Rose:** Good morning! Isn't it just the most glorious day?  
*(Blanche gives Rose a disgusted look and lays her head in her hands.)*

**Sophia:** If you call dry and hot glorious! I think a good rain would be nice.

**Rose:** Oh I remember when I was a little girl back in St. Oleaf. Papa was having the worst luck with the farm. Everything was dry. For a while he was able to get some water from the creek, but finally it dried up too.

**Blanche:** When he saw that the creek was going dry, why didn't he dam it?

**Rose:** Oh he did! And he called it a lot of other names too. But profanity didn't seem to help.

**Sophia:** Well Rose, how was your date last night with the insurance salesman?

**Rose:** All night he kept asking me if I wanted a straight life. I finally told him I like to step out and fool around once in a while.

*(Dorothy enters dressed for the day.)*

**Dorothy:** Maw, why aren't you dressed? Maurine will be here any minute now.

**Sophia:** Maurine? What are you talkinga bout, Dorothy?

**Dorothy:** Maurine, Maw. You remember my new friend that I met at the hospital? She does volunteer work with me there on Sunday afternoons. I've been helping her with her shorthand. Her boss told her if her work didn't improve, she'd find a pink slip in her envelope.

**Rose:** Oh, how nice. Does he know what size she wears?

**Dorothy:** Rose, it's all right to be dumb, but you are making a career out of it. Maurine invited us to a membership brunch that her organization is having this morning.

**Sophia:** What organization?

**Dorothy:** The Women of the Moose.

**Sophia:** Dorothy, have you lost what's left of your mind?

**Dorothy:** No, Mam. Murine will tell us more about it when she gets here. But what she's told me so far is pretty impressive.

*(The doorbell rings.)*

**Dorothy:** I'll get it.

*(Dorothy leaves the set.)*

**Blanche:** Rose, tell us more about your date. I want to hear all the details.

**Rose:** Oh, Blanche! He hasn't actually kissed me yet. But he steamed my glasses a couple of times. You know, he says he can read women like a book.

**Sophia:** Oh yeah! Well, when a man says that it is usually safe to bet he is too old to start a library.

*(Dorothy enters with Maurine.)*

**Dorothy:** Girls, you all remember Maurine?

*(All nod in agreement.)*

**Blanche:** Come sit here, Maurine. How about a cup of coffee?

*(Maurine sits as Rose pours her coffee and she continues to talk.)*

**Maurine:** Oh, thanks. Maybe just a quick cup. I was afraid I was going to be late. I had an earlier appointment with my doctor.

**Dorothy:** Oh, nothing serious, I hope?

**Maurine:** Oh, no. Just had to finish up my annual physical, but while I was waiting to speak with the doctor, the nurse came out and told me the urine sample I had brought was apple juice.

**All together:** Apple juice?

**Maurine:** Yes, so I had to hurry to the school. Seems I packed the wrong bottle in my son's lunch box.

**Dorothy:** Maurine, how about telling us more about this Moose Organization?

**Maurine:** The Women of the Moose is a unit of Moose International.

**Rose:** Oh, back home, my Pap, God rest his soul, was a member of the Brethren of the Boars.

**Dorothy:** Why isn't that surprising?

**Sophia:** Your Father belonged to one of those fraternal organizations? I always suspected that it was just an excuse for all the neighborhood men to meet so they could drink and watch X-rated movies.

**Rose:** What made you think a thing like that, Sophia?

**Sophia:** Well, he came in one night after a meeting drunk and told me that black underwear turned him on.

**Blanche:** What did you do?

**Sophia:** I didn't wash his underwear for three months.

**Maurine:** Oh Sophia, I can assure you the Moose Organization is nothing like that. We are a family fraternity and we support our two major projects which is Mooseheart and Moosehaven. We also do a lot of communtiy service work. That's how I met Dorothy, through being a volunteer at the hospital.

**Rose:** My nephew is an intern at the hospital. He was first assigned to Dermatology. Within a week he developed a terrible skin rash. Next, he worked in Cardiology and found he was getting a heart murmur. After that, he was assigned to Surgery and developed appendicitis. But now that he is working in the Maternity Ward, he feels more relaxed.

**Dorothy:** I'm sorry about all of these interruptions. We're very interested, Maurine. How can we become members?

**Maurine:** All your questions will be answered at the membership brunch. We'll have videos that will help you understand. But I can tell you that the objectives of the Women of the Moose are to bring women together in a closer fraternal relationship.

**Blanche:** Don't you have to have a husband before you can become a member?

**Maurine:** Oh no Blanche. Those are the old rules. Now, women can even serve as Lodge Officers!

**Blanche:** Well, I buried two husbands and I vowed never to marry again.

**Maurine:** That's a shame. What happened to your husbands?

**Blanche:** The first one died from eating poisoned mushrooms. The second one was shot to death.

**Maurine:** Shot to death?! That's horrible! How did it happen?

*(Blanche looking a little coy with a sly grin on her face continues.)*

**Blanche:** He wouldn't eat the hushrooms!

**Dorothy:** Oh, Blanche, quit joking around. Maybe we need to tell Jerry about this? (Looking at Maurine.) Jerry is my brother, Maw's oldest son.

**Sophia:** Ah, yes, Jerry. I almost lost him as a child. Unfortunately, I didn't take him far enough into the woods.

**Dorothy:** Oh Maw!

**Sophia:** Well, all I can tell you is that boy is such a cream puff. He's never gotten over the embarrassment of having been born in bed with a woman. He has such a low opinion of himself, he wouldn't join any organization that would take him as a member.

**Dorothy:** Well, this might be what Jerry needs. I'll call him just as soon as we get back.

**Maurine:** Wouldn't you like to come along and hear more about the Moose?

**Blanche:** Why certainly! I would love to hear about the good work you do for others and maybe I can meet a man?

**Dorothy:** Blanche, you've already infiltrated the whole Navy fleet, leave the Moose men alone!

**Sophia:** Blanche only knows what to give a man that has everything.

**Blanche:** Yes, encouragement.

*(Rose starts clancing through a magazine)*

**Dorothy:** Blanche can speak five languages but can't say NO in any of them!

**Maurine:** It certainly would be nice if, somehow, I could interest all of you in joining our Chapter. I am serving as the Higher Degrees Chairman this year. I can help my Chapter by sponsoring new members. Gee, if I get all four of you to join, that would be great!

**Rose:** Look, it says here that it takes seven angora goats to make one of those new fluffy looking sweaters. Isn't it wonderful what they can teach animals to do these days?

**Dorothy:** Come on Rose.

*(Rose, Dorothy and Maurine exit stage. Blanche is looking at the magazine. Sophia stands with her coffee cup in hand, glances down at the magazine page.)*

**Sophia:** See that nylon hose advertisement?

**Blanche:** Yes.

**Sophia:** I wrote to the company and told them I was going to wear their nylons, and I sent them a picture of me.

*(Both start walking off.)*

**Blanche:** Did they answer?

*(Both stop just before exiting stage as Sophia continues.)*

**Sophia:** Yeah, what's an injunction?

**Blanche:** Well Sophia, the hosiery company may threaten you with an injunction but I am sure from what Maurine has told us, we wouldn't have to worry about that in the Women of the Moose, especially if we got to be members of the Academy of Friendship.

*(Both exit.)*

## Yarn Get Acquainted Game

You will need a ball of yarn to be passed around the room and ask members to take as much as they need.

After everyone has their yarn, start with someone and ask them to wrap the yarn around their finger while telling everyone else about them, their family and why they wanted to become a Moose member. They can talk as long as they are winding yarn around their finger.

End result – everyone gets to know more about their fellow members.

# Naked Lady Party

This fun fundraising event was shared with our office on behalf of the Beloit, Wisconsin Chapter.

Please enjoy!

It's like winning the trifecta for our Chapter. Here's why:

1. It's held in April - Spring cleaning time. So we asked that coworkers box up and bring in items they no longer want for us to take care of for them.
2. We make money for the Chapter.
3. It's also a Community Service Project.

Although we push for "slightly used or even new" items, we still receive some rummage sale type things which is okay. Our committee sorts thru and selects items that will be used and the rest stays boxed up. We end up with racks and tables of nice articles of clothing, shoes, purses, jewelry, pictures, and other decorative items for bidding. We have sale racks which you can pick and choose for a certain dollar amount, and/or more upscale and new items that are up for silent bidding.

We serve a "free" lunch.....assorted soups and finger sandwiches. Everyone shops, eats, and enjoys each others company. It is so FUN!!!

There is also a bake sale and a 'Kids for Kids' table. The Kids for Kids table is little tykes serving lemonade and cookies with a donation jar that says, "Kids for Kids all donations to Mooseheart". You would be shocked what is raised at this little table for our children.

In the end, everything NOT sold is boxed back up. All boxes are taken to the local Battered Women's Shelters in our County.

WIN -- WIN -- WIN !!!!!

I am attaching a copy of the event flyer, as well as bid sheets and total tally sheets.

FYI -- I forgot to mention..... the title itself promotes lots of interest..... even with the men..... gee, I wonder why?

You Are Invited to Join the Fun  
On May 12th, 20XX  
At 11:00 a.m.  
At the Moose Lodge  
Anywhere, USA

The Women of the Moose  
Will be hosting their 2<sup>nd</sup> Annual

## “Naked Lady Party”

**That got your attention. Right?**

**No, this is not a clothing-optional event.**

It's Spring cleaning of our ladies closets. You should see the donated items that have been slightly worn or not worn at all. You will be able to bid on shoes, purses, jewelry, décor, pictures, and other items from our "Girls Just Gotta Have Stuff" tables. While you are shopping, we will be serving finger foods, punch, and coffee at your table (free of charge). Any items that are not purchased will be boxed up and donated to the local Women's Shelters. This is a win-win-win event.

If you have attended and enjoyed our annual Holiday "Xtravaganza" events in the past, you won't want to miss this party. Oh, did I mention there is also a bake sale. It's a chance to grab a great Mother's Day Gift 😊 Hope to see you there!!

If you have questions or want to make a donation of items, please contact Chairman Mary Smith at xxx-xxx-xxxx.

Please RSVP to reserve your seat.
