Wood Range Hoods

for discriminating homeowners

“ When you’re building your dream kitchen, the range hood is a big part of the equation. You want a stylish hood that is beautiful, durable, functional and easy to use... ”

THE PERFECT BLEND OF Beauty and Function

In the hands of a true craftsman, the full beauty of natural hardwood is blended with the functionality of quality design. Your kitchen can be a showcase of your style with the addition of a custom-designed wood range hood.

S-Series

The simple beauty of the S-Series is found in its versatility. Whether you are looking for a quiet statement of your style or a more obvious complement to your custom cabinetry, this series meets your needs. *Shown with optional pierced grape carving.*

STANISCI
DESIGN

Q-Series

The Q-Series is simple elegance, it can be dressed up or dressed down to suit your personal style.

Quality Craftsmanship

G-Series

The G-Series range hoods are a wall-mount chimney-style series that is specifically designed for 8-foot ceilings. The classic lines and moldings add beauty and warmth to your home. *GEBT is shown.*

T-Series

The T-Series range hoods are similar in style to the G-Series, but are specifically designed for 9 and 10-foot ceilings. *TRA is shown.*

I-Series

The I-Series range hood is designed for island or peninsula placement. The I-Series is a fully functional design. *IEBT is shown.*

J-Series

The J-Series was created to combine the look of a chimney-style range hood with that of a mantel-style range hood. *JBT is shown.*

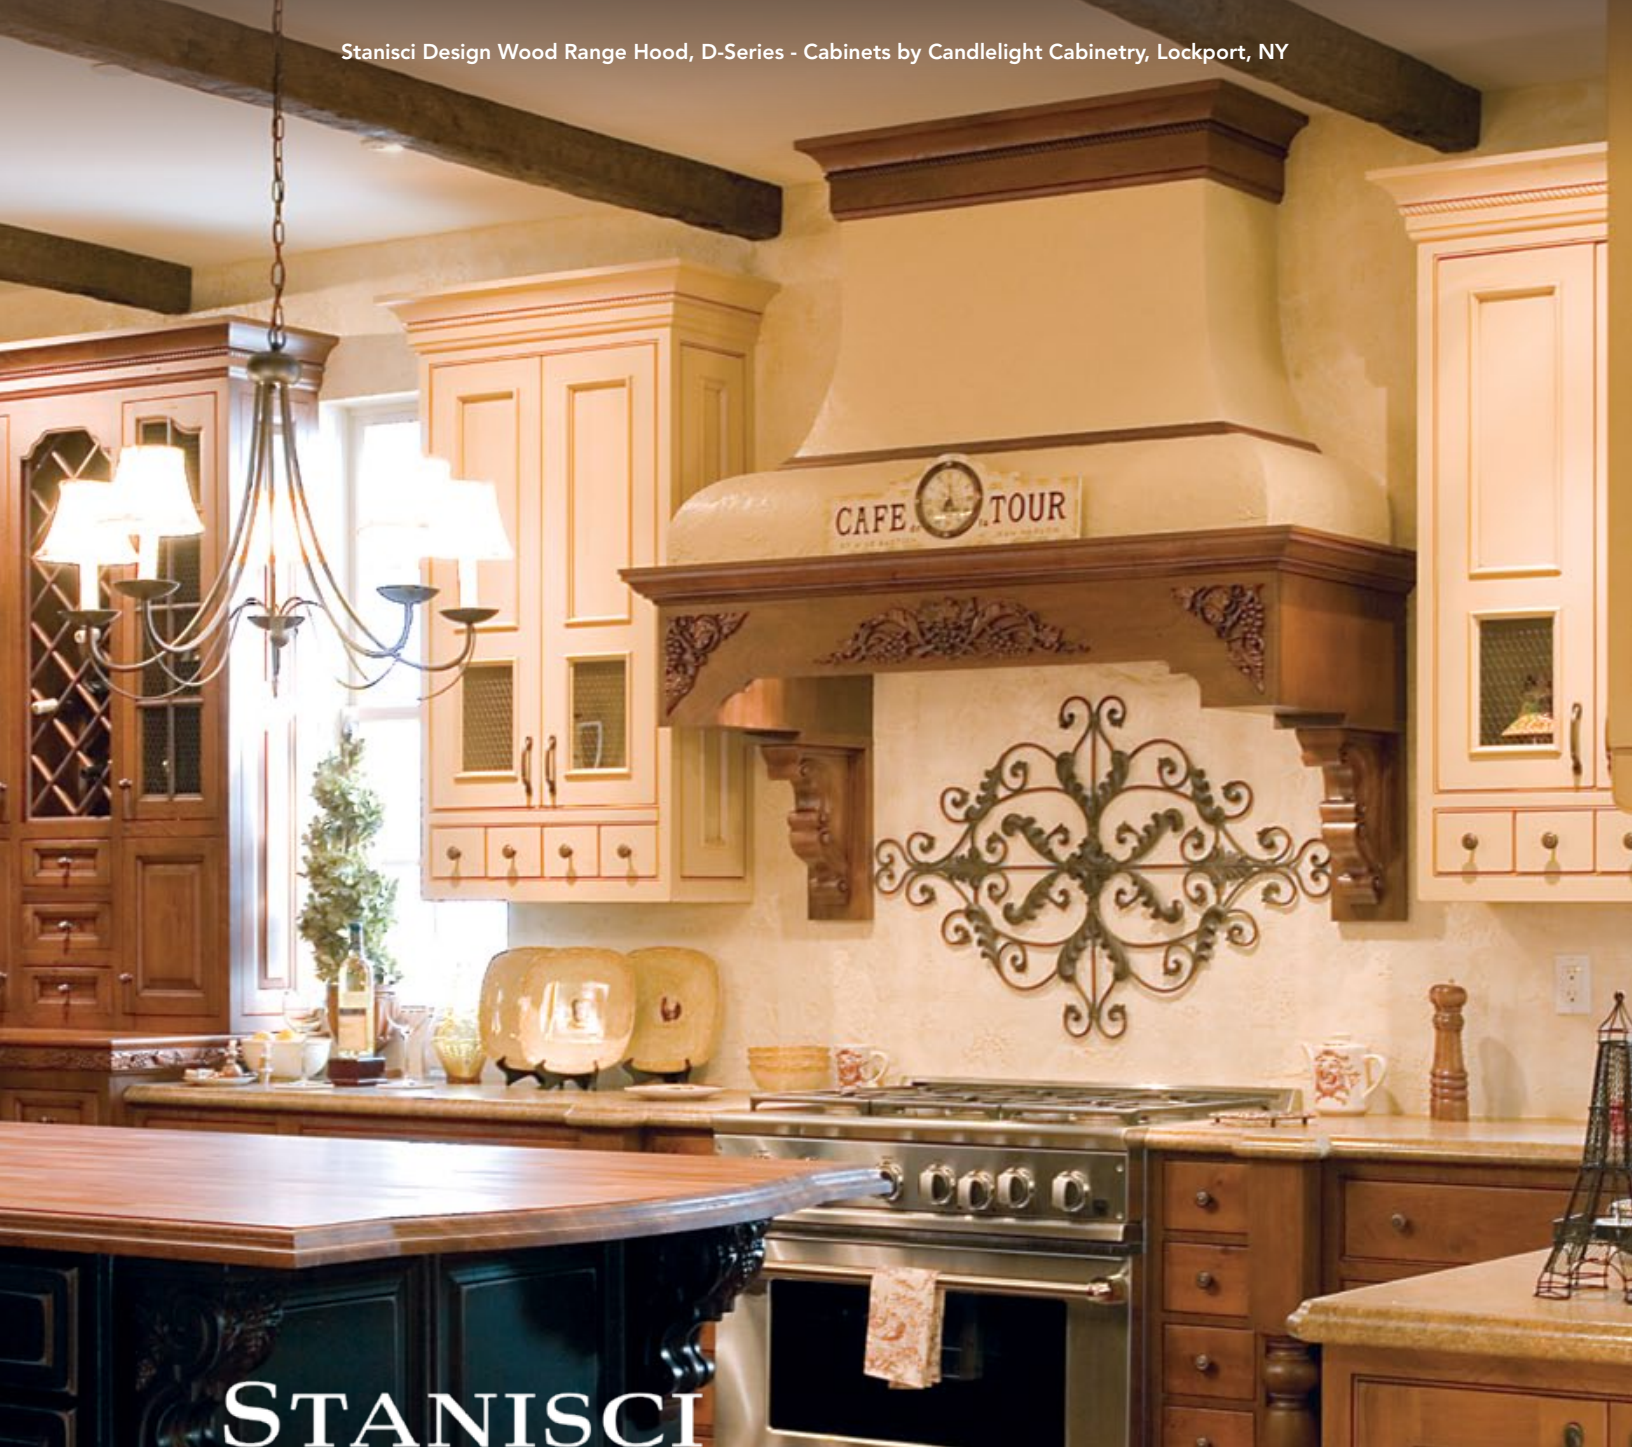

STANISCI
DESIGN

“ From rustic country kitchens to contemporary styles, we are committed to producing a wide range of high-quality wood range hoods for our customers various tastes. ”

STANISCI DESIGN

“ Wood hoods are an excellent way to enhance the look of your kitchen — Our wide selection of versatile, custom wood range hood design options can help you create the look you desire. ”

Elegance and Style

D - Series

The D-Series is a unique and stylish range hood. Its graceful lines will add elegance to any kitchen it graces. It is shown with molding package 1 and optional corbels and plinths.

DDPI shown with optional molding package 2.

E - Series

The E-Series range hood creates an atmosphere of elegance and class in your kitchen.

E-Series shown here with optional oil-rubbed bronze banding.

B - Series

Your taste and personality can be perfectly reflected with the clean lines and subtle curves of our B-Series range hood.

BDP1 is shown with classical molding.

Bold and Artistic

W-Series

Craftsmanship never goes out of style. The W-Series is a modern version of the quality and warmth found in the homes of the past. *WRA series with Acanthus corbels and pull-out spice racks shown.*

L-Series

Similar to the O-Series, the L-Series takes a step beyond your expectations of style. This artistic series arouses a sense of architecture that is designed not only to withstand the test of time but also to remain a classic beauty. *LABT with Acanthus corbels is shown.*

X-Series

X-Series is very versatile; it has the look of a big mantel hood, but faux columns allow it to be built in smaller sizes.

O-Series

The O-Series is a combination of a hearth-style mantel range hood with the added ambiance of ornate beauty. This series was designed to fulfill your desire for both atmosphere and style. *OABT with Acanthus corbels and pull-out spice rack is shown.*

STANISCI DESIGN

“ Each Stanisci Design wood hood is handmade by quality craftsman with premium woods and built with pride in the USA. ”

Stanisci Design Wood Range Hood, O-Series - Cabinets by Belmont Cabinet Co. Sumner, WA.

“ More than just a range hood — Stanisci Design builds to order and can modify one of our standard hoods to your specification or build a custom creation based on your drawing. ”

Flexibility and Convenience

H-Series

The hearth-style H-Series makes a bold statement of strength and craftsmanship. Not only does this style showcase your love for the natural beauty of hardwood, but it allows you to easily display your taste on the generous mantel space.

HRA shown with Traditional corbels.

H2-Series

The 6" columns of the H2-series help you conserve valuable space in your kitchen. Many looks and styles can be achieved by adding corbels or optional Sorrento hood supports with built-in spice racks.

H2-Series shown with optional Sorrento Hood supports with applique.

DESIGN

N-Series

The N-Series includes a substantial mantel shelf and room for corbels of your choice, shown with Acanthus Corbels and classic molding option.

Strength and Beauty

U-Series

U-Series is a classic mantel hood with a generous display area; it is sure to make a statement in any kitchen. Shown with optional Sorrento hood supports with built-in spice racks.

A-Series

The A-Series range hood brings an added dimension to mantel hoods with an artistic flair and arched style. This series is a sure way to make a statement of your distinctive taste and attention to style.
