# Principal's Report

As we come to the end of another very busy term I reflect on how many opportunities this school is able to offer our students.

This week we saw Year 12 graduate in a celebration of their six years at the school and their growth into a group of wonderful young men and women ready to take on the world, ably prepared by the staff who have truly demonstrated what it is to value, know and care for each child.

This term we have marvelled at the quality of the major works produced by our Society and Culture, Visual Arts, Drama, Dance, Music, Industrial Technology and Design and Technology students. We look forward to them being able to produce their best work also in the upcoming written Higher School Certificate examinations.

Many extra curricular activities have provided students with experiences to learn outside the classroom in myriad areas including public speaking, Tournament of Minds, Essay Competition and Southern Stars.

Most faculties have also offered excursions to support the learning in the classroom.

The first Japan Study Tour for Woonona High School has been another opportunity for students. I have arrived in Japan to join the second half of the Tour and have seen the students grow in confidence, intercultural understanding and resilience.

The past week has seen Ms Matthews and Mr Thistlethwaite travel to the western region of Japan and partake in some very unique Japanese cultural experiences such as the ancient capitals of Nara and Kyoto, as well as a moving experience at the Peace Park in Hiroshima.

The students spent a day in the life of a Tokyo school kid at our sister school Kitazono High School and are now experiencing homestay with the buddies they hosted in Wollongong in August.

Next week will be spent with more adventures unique to the life of a Tokyoite.

I am excited to announce that rather than offering the Japan Study Tour again in 2021 as previously announced, we are able to offer it to current Year 9 and 10 students in 2020. More information will be available early next term.

---

*Have a wonderful holiday and make sure you make time to do lots of the things you love, with the people you love the most.*

---

# Year 12 Graduation

On Wednesday 25 September we farewelled our Year 12, 2019 cohort with a lavish graduation ceremony followed by morning tea with family, friends and teachers in the garden. During the ceremony, academic, community and sporting awards were presented and there were heartfelt speeches from Principal Ms David and the two Year Advisers, Mrs Rayner and Mr De Main.

We wish Year 12 students all the best for their HSC examinations and their future endeavours.

Major Awards presented included:

**J.N. Webster Trophy for Service to the School** Awarded To: Phoebe Austin and Angus Smart

**Woonona Lions Club Trophy for Service to the School** Awarded To: Maggie Esdale, Bronte Sweeny and Ruby Thompson

**Outstanding Academic Achievement Award** Awarded To: Phoebe Austin

**Excellent Academic Achievement Awards** Awarded To: Casey Bray, Owen Thomas, Indah De Rome, Dylan Tyler

**Most Conscientious Student Award** Awarded To: Max Chadburn

**Work Related Alternative Pathways Awards** Awarded to: Luke Crimston, Narran Ping

**Principal's Awards** Awarded to: Max Chadburn, Lachlan Cosier, Ella Dun, Maggie Esdale, Jacob Keene, Chloe Moon, Caitlin O'Flynn, Lalita Protsenko

**The Mike Dwyer Memorial Prize** Awarded To: Indah De Rome

**L Lyon Performing Arts Award** Awarded To: Ethan W Johnson and Ruby Thompson

**ANSTO Prize** Awarded To: Lachlan Cosier and Phoebe Austin

**ADF Long Tan Leadership and Teamwork Award** Awarded To: Phoebe Austin

**Reuben F Scarf Award** Awarded to: Phoebee Noe

**NSW Representative in Sport Award and the Member for Cunningham Award** Awarded To: Zara Sharman

**Woonona High School Medal** Awarded To: Phoebe Austin

The parents, staff and students assembled to farewell our Year 12 students were treated to some fantastic musical entertainment during the ceremony. Phoebe Austin and Lalita Protsenko performed "Eliza Aria" and Paige Townsend performed "Pink Moon". There was also a surprise performance by our Year 12 Music class.

## Excellence Innovation Success

# Time to Celebrate!

After the formal ceremony it was time to celebrate! There were lots of smiles, and a few tears as students, friends, family and teachers gathered on the lawn for a delicious buffet and took the time to congratulate each other and reflect on their time here at WHS.

It was a special day for our Year 12 students and a big thank you must go to our teaching and office staff as well as Mrs Mete and Ms Barbuto for the organisation and catering for this event.

## Excellence Innovation Success

# HSC CAPA and TAS Showcase

On Wednesday 4<sup>th</sup> September our Year 12 Music, Drama, Visual Arts and Industrial Technology students displayed their major works with a combined HSC Showcase. The night provided a wonderful insight into some of our more creative HSC subjects and the feedback from everyone who attended was extremely positive. We are very proud of the outstanding work that our talented students have produced - the standard was excellent. Congratulations to all students and staff involved and good luck in the upcoming written HSC exams.

We would also like to thank the wonderful students, ex-students and professional musicians who accompanied our students, including the beautiful string trio, energetic rock band and awesome jazz combo. Our students always lift their performances and really enjoy working with their ensembles. Many of our ex-students learn numerous songs every year for our HSC students and they also assist with arrangements, technical production and tutoring. A huge thank you to Caitlyn Davies (Year 11), Sky Bardsley (Year 10) and Max Lynch (Year 9) for their help with technical production and all of the musicians listed below for accompanying and tutoring our HSC students this year – we really appreciate it.

**HSC Ensembles Musicians and Tutors:** Liesa Adlington, Mrs R Arnold, David Arnold, Emma Black\*\*\*, Jesse Cleal, Liv Cleal, Lucy Crighton, Caitlyn Davies (Yr 11), Hayden Enthaler, Liv Fripp\*\*\*, Ethan W Johnson (Yr 12), Paddy Kelly, Louisa Lovasz, Corey McCrossin\*\*\*, Izak Lucas-Parr\*\*\*, Ruby Martin (Yr 8), Miss R Sharp, Zac Tynan, Tyler Wade (Yr 9), Keelah Walker (Yr 10)

\*\*\* Ex-Music Students of Woonona High School

**Excellence Innovation Success**

## Unplugged 28

On Tuesday 24<sup>th</sup> September we held our 28<sup>th</sup> Unplugged Concert, the final one for our Year 12 students. Usually featuring mainly live acoustic music, this Unplugged was a little different to most, as it featured several performances from Year 10 and 11 music assessments including an interesting piece using a loop pedal. We also heard a few HSC pieces and were treated to a sneak preview of our upcoming production of *Wicked* with a beautiful duet from Elphaba and Glinda. Thank you to everyone who attended and congratulations to all involved.

## No Rest for the Wicked!

Our wonderful cast will be busily learning their lines this holiday as we begin the countdown to our production in early December. We have started organising costumes and look forward to working with our sets next term. There are a lot of technical and design elements involved in this show and we will still need to source a lot of equipment.

If you are interested in becoming a sponsor for our show, we would love to hear from you! All donations will help to create a more professional experience for our crew and will be acknowledged in the program. Keep checking the newsletter for updates and photos – no rest for the Wicked!

Excellence Innovation Success

# National Health and Physical Education Day

On Thursday 12th September Woonona High School celebrated National Health and Physical Education Day! Being the first time Woonona High School has celebrated the day, the PE staff kicked it off by providing over 100 free smoothies and healthy breakfasts to students. Recess saw the inaugural NHPE Day Handball Tournament and during lunch there was a touch football and basketball competition with lots of participants from across the year groups getting involved. The showpiece event was the Staff vs Students basketball game in which the staff once again dominated, running out winners. The PDHPE faculty would like to thank all who got involved and hope you enjoyed all your fantastic prizes donated by local businesses.

Excellence Innovation Success

# Science Report

## YEAR 8 ILLAWARRA FLY EXCURSION

On Tuesday 24th September, Year 8 visited the Illawarra Fly as a part of the Ecosystems topic they are currently studying. The students enjoyed a guided tour through the treetops in which they explored the interactions between the organisms which lived there. Students were able to identify abiotic and biotic factors that affect organisms in a rainforest ecosystem and observed many different animal habitats.

The walk was an experience for many students, testing their fitness! Some were able to climb to the top of the staircase, whilst others felt a bit giddy and stayed at the bottom. The weather was perfect for us and the escarpment put on a stunning show.

Excellence Innovation Success

## Science Report cont.

Year 7 have been studying a chemistry topic this term. They have used a range of techniques such as filtration, chromatography and evaporation to separate a range of mixtures. Students were also given the opportunity to design their own experiment to separate a sample of muddy water. Students were original in their designs and collaborated well to successfully complete the task. Thank you to the parents that assisted their children with this task. They were very excited to complete it in class.

Year 9 have been studying electricity and energy efficiency. Students have collaborated to make a range of electrical circuits and solve scientific problems. Many classes have been looking at the environmental impacts coal powered electricity has had on our environment and alternative sources we have available. This is a hot topic at the moment, especially with the climate strike that students felt very passionately about.

Year 10 have just completed a topic on our universe. This allowed for some very interesting questions about our origin and where we may end up. Students explored our galaxy and the life cycle of stars. New discoveries by the Hubble Telescope were fascinating to some students and a few were keen to be our future astronauts!

We wish all our Year 12 students the best of luck in their HSC exams. For everyone else, we hope you have a safe and relaxing holiday and feel rejuvenated and ready to start term 4.

Woonona Science Team

**Excellence Innovation Success**

## Year 10 Work Experience

All Year 10 students have been participating in classes preparing them for Work Experience. During Work Experience preparation all students complete a 'Safe at Work' test on line as well as compose a resume and learn interview skills.

All Year 10 students are expected to participate in Work Experience from November 25-20 (Week 7, Term 4). All students have been provided packages of paper work for parents and host employers. Students must return completed 'Student Placement Records' (SPR) as well as 'Permission to Travel With Host Employer' (if required) by November 15 to accommodate checking, validating and copying of documents on time for November 25.

If students do not have the Work Experience packages they may obtain them at the Careers Office.

\*\*\*\*Reminder; Resumes are due to be handed in on Friday October 18 before 8am at the Careers Office.

John Chamberlain

## SUMMER SPORT

Term 4 at Woonona High school is a recreational sport unit. Students will participate in sports in the local area. Many sports will have a cost as they are run by an outside provider.

The sports on offer for Term 4 ARE: golf at Russell Vale, beach sports and fitness, park fitness, Fernwood girls fitness, WBRSL fitness, fitness in the school gym, surfing, surf survival certificate, walking, ten pin bowling, lap swimming at Woonona pool, CAPA performance (dancers, musicians, singers, aerialists, artists), volunteering, yoga at school, Learn to Surf at Bellambi beach, skateboarding at school and skate parks, footy at Nicholson Park and school sport for each year. Students are in the process of choosing their sport.

**Excellence Innovation Success**

# University of Wollongong 'Early Admission'

Forty five students from the Year 12 cohort have been invited to 'Early Admission' engagements at the University of Wollongong. The 'early admission' application process considers student performance in Year 11 as well as looking at other factors to determine a student's suitability for university study. All students are expected to maintain their level of achievement throughout Higher School Certificate exams.

As in past years Dr Noelene Weatherby-Fell, Head of Students in the School of Education, visited to Woonona High School to help students prepare for their engagements. All of the students were reassured that at this stage they are on the path to admission and advised that they only needed to represent themselves well and sincerely.

All of the students were called upon to contribute to a thorough discussion of interview techniques and gently advised how to best approach interviews calling upon their own strengths and experiences. Both Dr Weatherby-Fell and I were impressed by the students' thoughtful responses.

Mr Chamberlain

# Spider Day for Kidzwish

On Thursday 26 September the SRC sold ice cream spiders at recess to raise money for Kidzwish. This is part of a Community of Schools (COS)-wide fundraising effort.

On the day we raised \$120.50 for Kidzwish. Our local primary schools were also having fundraisers for Kidzwish, Wednesday and Thursday of last week.

Kidzwish is a local foundation that advocates that “No Illawarra and South Coast child who is sick, disadvantaged or with a disability will fall through the gaps in the system”. That’s is their goal and their aim is to provide support, love and laughter to these children.

Each year more than 700 people contribute 5,000 unpaid hours at the numerous fundraising events that are held through the year. Volunteers are a vital part of their success and KidzWish acknowledge these volunteers and thank them for their efforts and all the support they give to their cause.

Support programs include: Speech Pathology, Occupational Therapy & Group Therapy Classes, Love Programs, Music & Dance Classes, Sports Exercise Classes , Wishesand Laughter Programs as well as KidzWish Children’s Christmas Party and Family Experiences.

Excellence Innovation Success

# Year 9 IST Coding MINECRAFT with Python

The Year 9 Information & Software Technology class travelled to the Sydney Powerhouse Museum on Friday 6th September to participate in a workshop that taught our students with the basics in Python coding. This allowed them to gain an understanding of the Python language syntax and an introduction in customising the Minecraft game.

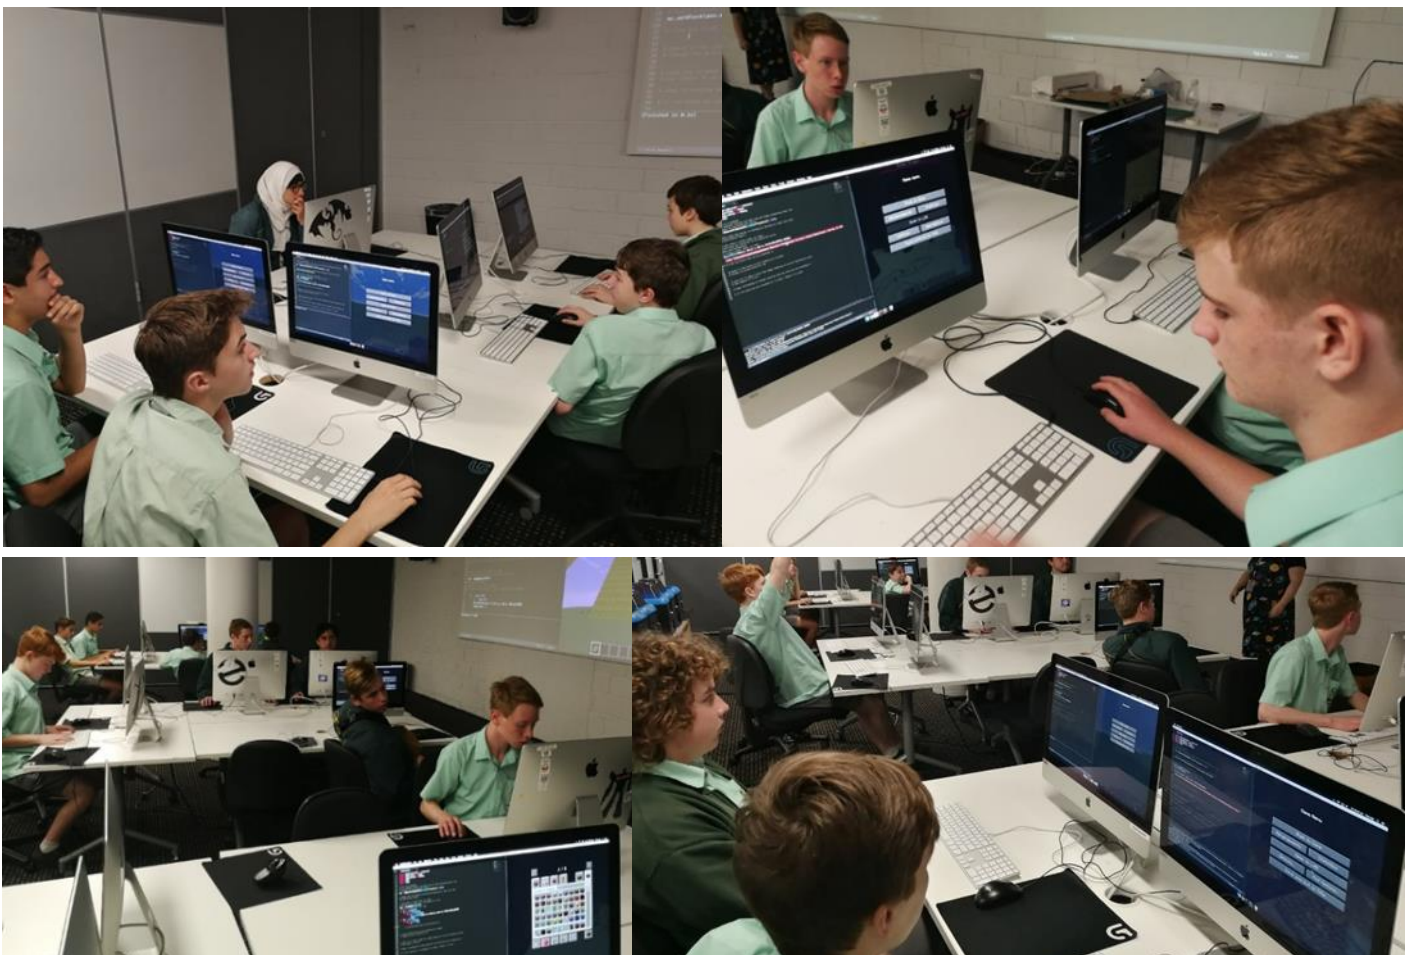

This training day was organised so our students could implement into practice their knowledge gained from competing in the exhaustive 5 week National Grok Python Challenge. The majority of students achieved an exemplary result with individual certificates issued to many students.

Students were taught to learn how to control flow structures in Python by using loops and conditional statement allowing them to construct more complex buildings with Minecraft blocks. This workshop also called upon our student learners' maths skills by asking them to use mathematical expressions to create geometric structures such as spheres. An example of their work is shown below.

The students were a credit to our school with not only their exemplary behaviour but their enthusiasm and knowledge displayed on the day.

The day was then completed by enjoying a beautiful lunch in Chinatown.

**Excellence Innovation Success**

## Virtual Reality (VR)

Virtual Reality is a tool increasingly being used by teachers at Woonona High School to enhance engagement and provide a more authentic learning experience for students.

This week Year 7 History were taken on a virtual excursion to Ancient Egypt. They were taken inside the Great Pyramid of Giza to explore a pharaoh's tomb. They were also shown intricate paintings depicting the pharaoh's passing into the afterlife and various objects he would off taken with him.

Ancient Egyptians worshipped hundreds of gods and goddesses and saw the physical world as an extension of the spiritual world and built many elaborate temples to provide homes for them. Using VR, gave the students an opportunity to view the intricate carvings, large statues and decorative paintings inside these temples.

## R.U .O .K? DAY

This week the library supported RUOK? Day with a display explaining the reasons behind this important day and what students could do to help.

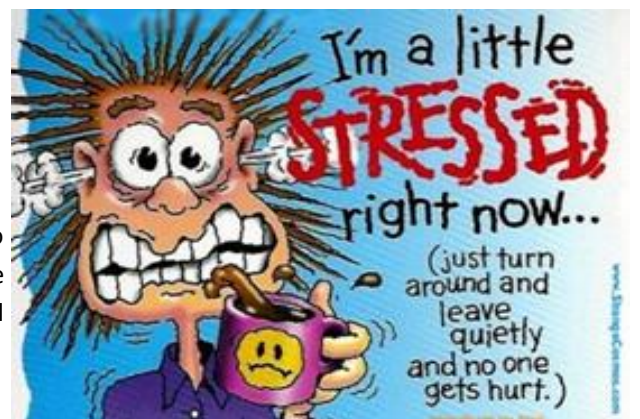

ROUK? Day is an annual day in September dedicated to remind people to ask family, friends and colleagues the question, "R U OK?", in a meaningful way, because connecting regularly and meaningfully is one thing everyone can do to make a difference and even save lives. R U OK? is a not-for-profit suicide prevention organisation founded by Australians, Gavin Larkin and Janina Nearn in 2009. In a 12 month period, it is estimated that 65,000 Australians make a suicide attempt, with an average of 2,320 people suiciding every year.

In fact, around 45 per cent of Australians will experience mental illness in their lifetime, while 20 per cent are affected every year. The Foundation works collaboratively with experts in suicide prevention and mental illness, as well as government departments, corporate leaders, teachers, universities, students and community groups. If you are looking for information on ways you can contribute to the cause, or help someone you know, the R UOK? Day website provides extensive resources. <https://www.ruok.org.au/>

## HSC RESOURCES

With the HSC examinations starting soon coming up, I would like to remind senior students about the many HSC resources available in the library. There are study guides and NESA Exam workbooks on all subjects offered at Woonona High.

# Book Club

This week our guest speaker was Mrs Hubscher from our Learning Support team.

Many students were surprised to learn that Mrs Hubscher was a keen reader of classical fiction. Her favourite novel of is Jane Eyre by Charlotte Bronte.

I spoke about the Shatter Me Series, a young adult dystopian thriller written by Tahereh Mafi. The book is narrated by Juliette, a 17-year-old girl with a lethal touch and is unusual in that it contains passages and lines that have been crossed out. This series is fast paced and a great read.

Mrs Roddis

Teacher/ Librarian

## Accelerated<sup>TM</sup> Reader

At the beginning of each term students are set a points target to reach by the end of term. Every student's target is individual and based on their reading ability and a set amount of reading time each day.

Once they have reached their target they receive a special award outlining their achievements and a \$5 canteen voucher. Reaching their target before the end of term is a significant achievement, as it indicates that they are reading more than the required amount each night.

Congratulations to the following students on achieving their targets so early:

**Year 7** Chris Hamlet, Matthew Campbell, Sage Horsley, Jayden Kiss, Emry Croft, Imogen James, Zoe Simpson, Poppy Treloar, Lily Morton King, Zoe Gava, Charlotte McIntyre, Macy Craig, Leah Foord, Evie McLarnen, Bonnie Newall, Jai Clode- Walsh, Zoie Carruthers

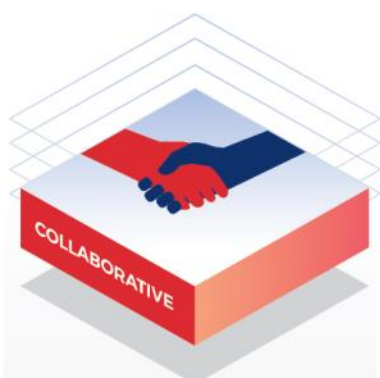

**Year 8** Maddison Bryant, Dechlan Carter, Amelia Elliot, Jemma Howarth, Oneli Ruberu, Kayla Turner, Ayla Bartkowiak, Zacary Downie, Jacob Hammer

Excellence Innovation Success

# School Community Charter

 **Collaborative. Respectful. Communication.**

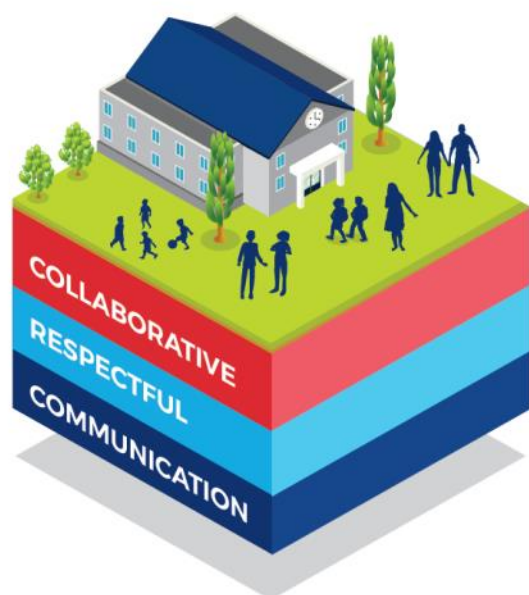

We work in partnership to promote student learning.

We treat each other with respect and fairness.

We communicate in a positive and constructive manner.

## Respectful communication is a right

In all workplaces people have the right to feel safe and respected. Unacceptable and offensive behaviour has no place in our school communities.

### Unacceptable behaviour:

- Aggressive or intimidating actions, such as violence, threatening gestures or physical proximity.
- Aggressive or intimidating language, including the use of obscenities, making sexist, racist or derogatory comments or using a rude tone.
- Treating members of the school community differently due to aspects such as their religion or disability.
- Inappropriate and time wasting communication.

**We all play a part**

**School Community Charter**

# Illawarra Spanish School

Parents and carers welcome  
<https://www.facebook.com/illawarraSpanish/>

## Spanish Lessons at Thirroul PS

### ABOUT THE TEACHER

Susanna is a qualified native Spanish teacher, with a Bachelor degree in Primary Teaching from the University of University Autonoma Madrid and an ELE Certificate (Teaching Spanish as a foreign language, Celta equivalent) from the University of Barcelona and International House. She has WWCC and First Aid Certificate.

She has over 18 years' experience as a Spanish teacher in Europe and in Australia. She has taught classes at University (UTS and UNSW), at TAFE, at The Spanish Chamber of Commerce and in Primary and Secondary schools (Community Language Schools).

### ABOUT SPANISH

- It is usually considered the world's second-most spoken native language, after Mandarin Chinese.
- Spanish is spoken by around 400 million people across 4 continents.
- It's the main language in Spain and at 19 Latin American countries.
- If you learn a foreign language:
  - You become smarter
  - You build multitasking skills
  - You stave off Alzheimer's and dementia
  - Your memory improves
  - Your decision-making skills improve
  - You improve your English: learning a foreign language draws your focus to the mechanics of language including grammar, conjugations, and sentence structure.

### ABOUT THE CLASSES

The classes are based on learning through games, crafts, songs and activities so the kids are engaged. Parents or caregivers are welcome to attend and or participate (and learn ;) Classes are held at Thirroul Public School.

### ABOUT THE TERM

One session per week during school terms (Wednesdays 16<sup>th</sup> October 2019 to 18<sup>th</sup> December 2019, 10 weeks)

- Wednesdays TWO hours from 3:30pm – 5:30pm, **Kinder to Year 12.**
- Wednesdays one hour from 6pm – 7pm, **Adults.**

### COST

The cost is \$150 per term per student (\$7.5 per hour)  
 All materials, photocopies and audio materials will be provided

**SAVE \$100! We are a Creative KIDS Registered Provider.**

### ABOUT THE PROGRAM

The students will learn to use the language in a communicative way, interacting with other students and caregivers in Spanish.

They will learn to:

- Have short conversations
- Ask for and respond to information (including descriptions with colours, numbers, etc..)
- Ask for and respond to requests
- Describe cultural facts about Spain, Latin America and Australia

### CONTACT US

If you have any questions or would like to enrol for Term 4 please contact Susanna Rodriguez on 0481 345 549 or [susanna\\_sydney@yahoo.es](mailto:susanna_sydney@yahoo.es)
