ACT NOW

TO STAY AHEAD IN THE FAST-CHANGING WORKPLACE

ASSESS the needs of your organization in areas such as engagement, employee development, retention and leadership.

CONSULT with our professionals to address challenges and opportunities within your organization through coaching and focus groups.

TRAIN with purpose. Develop your learning plan with a variety of certifications, certificate programs and instructor-led courses offered at SLU or Virtual.

WORKFORCECENTER.SLU.EDU

WHY CHOOSE SLU'S WORKFORCE CENTER?

SLU's Workforce Center is a State-of-the-Art training facility offering students the opportunity to enhance their skills through professional development and technical training. Students can attend day or night classes either at SLU or Online-Virtual. Students also have the option to take Online Self-Paced classes for a variety of topics. The instructor-led courses provide students with hands-on training, relevant examples of use and importance and skill application. At SLU's Workforce Center you can expect caring staff and instructors that are committed to your success.
