You are an extension  
of that which is Source.

Some call it God

Some call it Energy

Some call it consciousness

It does not matter what you call it

You will never be apart from it

It will always flow to you and through you.

But you have powerful control about  
how much of it you let in in any moment in time,  
and how much of it you deprive yourself of.

And when you let it in, you thrive...

I Follow the Footsteps of the Prophets, Angels and Guides,  
As They carry with Them, the Song of My Mother's Love...  
As They carry with Them, the Power of My Father's Wisdom.  
They are the Star of Stars and the Light of Lights.  
They are Creation, Infinite in Their Expression...  
I See Them in the Endless Expanding Eternal Universe...  
I Hear Them Calling from My Soul...  
The Endless Expanding INTERNAL Universe.

### **KEY OF HARMONY**

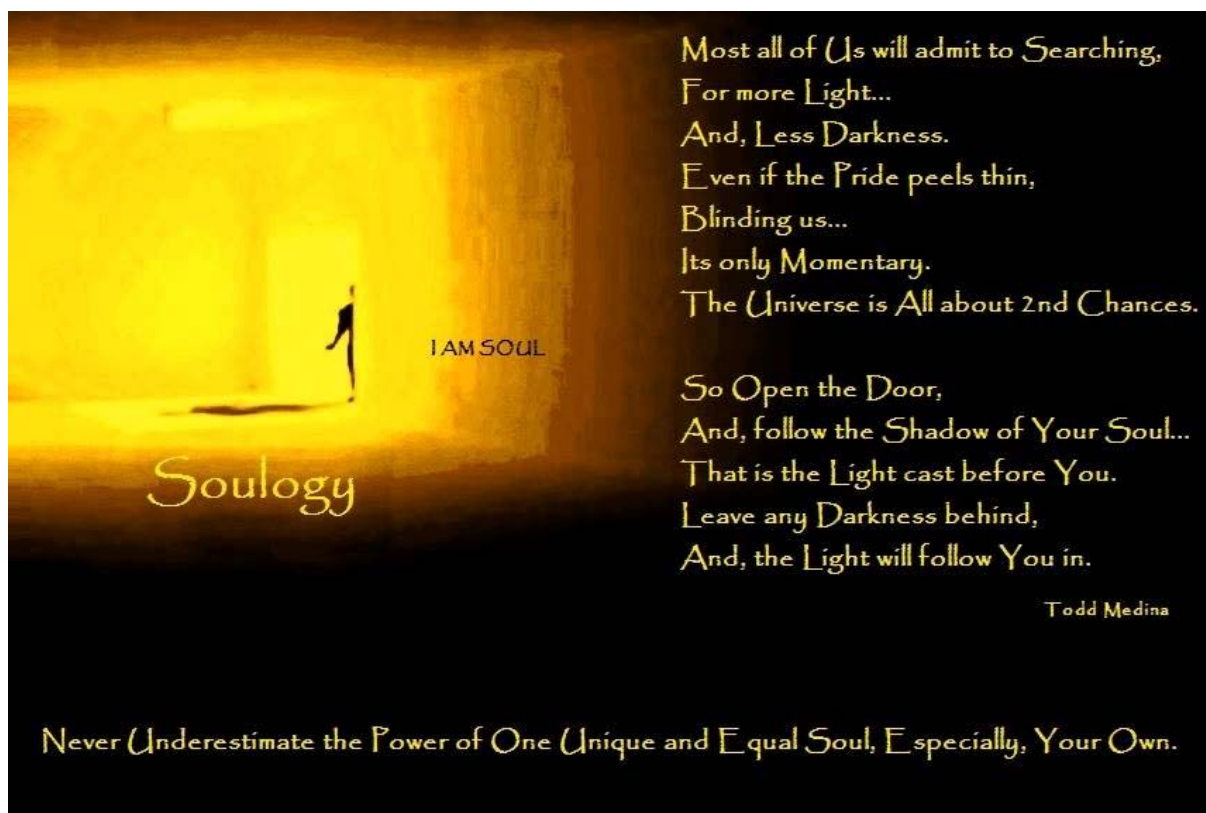

I wish Harmony, Love, Truth and Justice to all my brothers and sisters.  
With the united forces of the silent vibrations of our minds,  
we are strong, healthy and happy,  
thus making a link of universal fraternity.

I am happy and at peace with the whole universe,  
and I wish that all beings realize their most intimate aspirations.

I give thanks to my invisible Father for having established  
Harmony, Love, Truth and Justice among all His children.

So Be it,

Amen

Most all of Us will admit to Searching,  
For more Light...  
And, Less Darkness.  
Even if the Pride peels thin,  
Blinding us...  
Its only Momentary.  
The Universe is All about 2nd Chances.

So Open the Door,  
And, follow the Shadow of Your Soul...  
That is the Light cast before You.  
Leave any Darkness behind,  
And, the Light will follow You in.

Never Underestimate the Power of One Unique and Equal Soul, Especially, Your Own.

## **PRAYER OF CHARITY**

God, our Father who is all Power and Goodness,  
give strength to those who are going through their trials.  
Give light to those who are seeking truth.  
Put compassion and charity in the hearts of all people.  
God, give the traveler the guiding star; the afflicted consolation; the sick rest.  
Father, give the guilty repentance; the spirit truth;  
the child a guide; the orphan a father.  
Lord, may Your goodness extend over all that You created.  
Mercy, Lord, on those who don't know You;  
Hope for those who suffer.  
May Your goodness allow the consoling spirits to spread everywhere peace,  
hope and faith. God, a ray, a spark of your love can set the earth ablaze.  
Let us drink in the fountain of this fertile and infinite goodness,  
and all the tears will be dried and all the pains will be soothed.  
One single heart, one single thought will rise up to You,  
like a cry of recognition and of love.  
Like Moses on the mountain, we await You with open arms,  
Oh Power, oh Goodness, oh Beauty, oh Perfection,  
and we want, in some way, to deserve Your infinite mercy!  
God, give us the strength to help our progress that in the end we may rise up to  
You.  
Give us pure Charity, give us Faith and Reason.  
Give us the simplicity that will make our souls the mirror where Your image  
must be reflected.

Amen

The Soul, is like the Sun,  
Light Emanating Outward...  
Every Degree, and Every Direction.  
Healing, Nurturing and Serving,  
Living and Giving...  
In It's Own form of Expression,  
Of Love beyond Love,  
And, without need for Recognition.

Both are made in the Image of Creation,  
Their Efforts can never fail, for long...  
For even when Their Light is Horded,  
By What Receives It...  
And, Its Not Returned,  
The Sun and Soul can Still Thrive...  
No matter how much Blood is Bled,  
Or, the Sting of the Sacrifice...  
Brought with It.

The Ego Serves Itself...  
Preserving the Life of a Lesser God,  
Standing on a Sometimes  
Unconscious Rule...  
Of Protecting at all Cost, to no end,  
Yet, only to Hurt...  
That which it Serves to Protect?  
And, the Fantasy of a Devil Lives On.

The Soul and the Sun do unto others,  
As Creation has done unto them...  
Living to Give,  
Serving to Grow the Universe...  
Giving to Live,  
Growing to Serve the Universe.

## **PRAYER OF SAINT FRANCIS**

Lord, make me an instrument of Your peace.  
Where there is hatred, let me bring love;  
where there is injury, let me bring pardon;  
where there is discord, let me bring union;  
where there is doubt, let me bring faith;  
where there is error, let me bring truth;  
where there is despair, let me bring hope;  
where there is darkness, let me bring light;  
and where there is sadness, let me bring joy.  
O Divine Master, grant that I may not so much  
seek to be consoled, as to console;  
to be understood, as to understand;  
to be loved, as to love.  
For it is in giving that we receive;  
it is in forgiving that we are forgiven;  
and it is in dying that we are born to eternal life.

Amen

Faith is The Virtues' Virtue...  
It is not Given, nor can it be Taken away.  
It is the Power of Quest and Creation.  
It is the Fuel of the Soul's Journey,  
And, the Means to Discovery...  
Of the True Nature of Being.  
Stand Watch by It, and See...  
What belongs to Man, is not Me.  
I AM Soul.

Unconditional Love is a Rare thing...  
Recognize it when it Comes your Way,  
And, Embrace it.  
It comes from the Root of a Person,  
And no Words are needed, in fact...  
Words cannot do it Justice.  
It comes from the CENTER of the Soul,  
And because it does...  
It is the Truest, and Purest form,  
Of Who We Are,  
And, What We Are Meant to BE.

## 1 Corinthians 13

If I speak in the tongues of men or of angels, but do not have love,  
I am only a resounding gong or a clanging cymbal.

If I have the gift of prophecy and can fathom all mysteries and all  
knowledge, and if I have a faith that can move mountains,  
but do not have love, I am nothing.

If I give all I possess to the poor and give over my body to hardship that I may  
boast, but do not have love, I gain nothing.

Love is patient, love is kind.

It does not envy, it does not boast, it is not proud.

It does not dishonor others, it is not self-seeking,  
it is not easily angered, it keeps no record of wrongs.

Love does not delight in evil but rejoices with the truth.

It always protects, always trusts, always hopes, always perseveres.

Love never fails. But where there are prophecies, they will cease;  
where there are tongues, they will be stilled;  
where there is knowledge, it will pass away.

For we know in part and we prophesy in part,  
but when completeness comes, what is in part disappears.

When I was a child, I talked like a child,  
I thought like a child, I reasoned like a child.

When I became a man, I put the ways of childhood behind me.

For now we see only a reflection as in a mirror;  
then we shall see face to face.

Now I know in part; then I shall know fully, even as I am fully known.

And now these three remain: faith, hope and love.

But the greatest of these is **love**.

How do you find your Soul?  
What part of You... is Ego?  
How do you tell the difference?

# Soulogy

The Ego will stand tall,  
When not in the Light...  
And, shrink in It.

The Soul will stand Tall,  
Always...  
And, in ALL WAYS.

### **Koran - Surat An-Nūr (The Light) 24:35**

Allah is the Light of the heavens and the earth.  
The similitude of His light  
Is that of a niche,  
In which there is a lamp.  
The lamp inside a glass.  
The glass like a brilliant star.  
lit from a blessed tree, an olive  
Neither of the east nor of the west,  
Its oil all but giving off light, even if no fire touches it.  
Light upon light.  
Allah guides to His light whoever He will.  
And Allah sets forth parables to men,  
And Allah has knowledge of all things

## **The Emerald tablets of Toth – Tablet XV – Secret of Secrets - Excerpt**

Now ye assemble, my children,  
waiting to hear the Secret of Secrets  
which shall give ye power to unfold the God-man,  
give ye the way to Eternal life.  
Plainly shall I speak of the Unveiled Mysteries.  
No dark sayings shall I give unto thee.  
Open thine ears now, my children.  
Hear and obey the words that I give.

First I shall speak of the fetters of darkness  
which bind ye in chains to the sphere of the Earth.

Darkness and light are both of one nature,  
different only in seeming,  
for each arose from the source of all.  
Darkness is disorder.  
Light is Order.  
Darkness transmuted is light of the Light.  
This, my children, your purpose in being;  
transmutation of darkness to light.

I AM the Son of the Father God,  
Borne of the Greatest Mother...  
Together, They are ONE.  
Though it may seem I am Separated,  
I am nothing, but Cradled in Their Arms.  
My Means is not Predestined,  
Yet, My End is without a Doubt.  
It is served in Their Dreams,  
And, founded on Their Highest Hopes.  
I AM both Anointed, and Chosen,  
Given, by this Gift of Life...  
The Latitude and Love, Unconditional,  
To Find My Own Way 'HOME',  
And, the only Guarantee...  
Is that I will arrive,  
From where I was born...  
Stronger, Wiser and at Everlasting Peace.  
Walk with me, take my Hand,  
There is Nothing to Fear...  
But, what we would give power to,  
I AM FAITH and FAITH is ME.  
By My Eternal Breath  
I AM SOUL

## **Bhagavad Gita - Chapter 6. Sankhya-yoga (Verse 25–32)**

Gradually, step by step, with full conviction, one should become situated in trance by means of intelligence, and thus the mind should be fixed on the Self alone and should think of nothing else.

From whatever and wherever the mind wanders due to its flickering and unsteady nature, one must certainly withdraw it and bring it back under the control of the Self.

The yogi whose mind is fixed on Me verily attains the highest happiness. By virtue of his identity with Brahman, he is liberated; his mind is peaceful, his passions are quieted, and he is freed from sin.

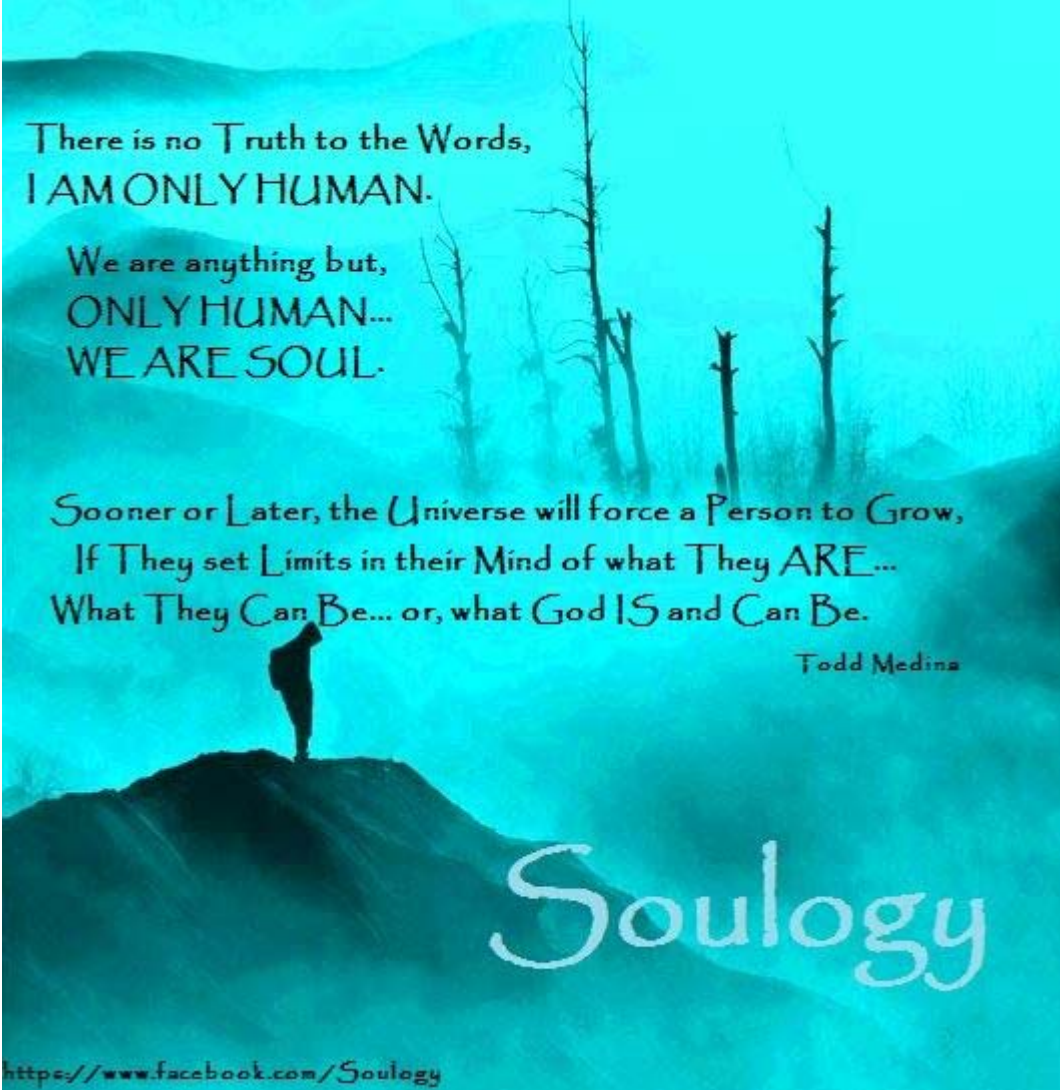

Steady in the Self, being freed from all material contamination, the yogi achieves the highest perfectional stage of happiness in touch with the Supreme Consciousness.

A true yogi observes Me in all beings, and also sees every being in Me. Indeed, the self-realized man sees Me everywhere.

For one who sees Me everywhere and sees everything in Me, I am never lost, nor is he ever lost to Me.

The yogi who knows that I and the Supersoul within all creatures are one worships Me and remains always in Me in all circumstances.

He is a perfect yogi who, by comparison to his own self, sees the true equality of all beings, both in their happiness and distress, O Arjuna!

There is no Truth to the Words,  
I AM ONLY HUMAN.

We are anything but,  
ONLY HUMAN...  
WE ARE SOUL.

Sooner or Later, the Universe will force a Person to Grow,  
If They set Limits in their Mind of what They ARE...  
What They Can Be... or, what God IS and Can Be.

### **The RA Material – Law of One – Book 1**

Become aware of your Creator.

Become aware of His desire,

and when you know this desire you will know your own,

for you and your Creator are one,

and you are one with all of His parts and, therefore,

all of your fellow beings throughout all of the creation.

When you know His desire you will feel it.

There will be no more confusion.

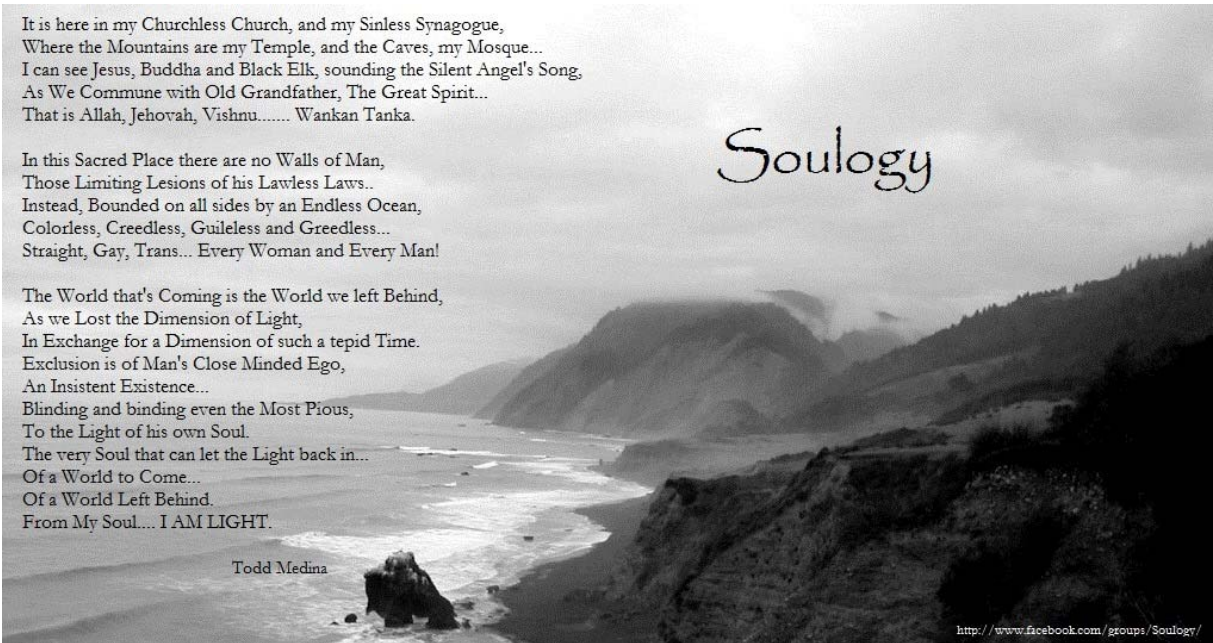

There will be no more questions.

You will have found what you have sought.

You will have found Love,

for this is the desire of your Creator:

that all of His parts express and experience the Love that created you.

It is here in my Churchless Church, and my Sinless Synagogue,  
Where the Mountains are my Temple, and the Caves, my Mosque...  
I can see Jesus, Buddha and Black Elk, sounding the Silent Angel's Song,  
As We Commune with Old Grandfather, The Great Spirit...  
That is Allah, Jehovah, Vishnu..... Wankan Tanka.

In this Sacred Place there are no Walls of Man,  
Those Limiting Lesions of his Lawless Laws..  
Instead, Bounded on all sides by an Endless Ocean,  
Colorless, Creedless, Guileless and Greedless...  
Straight, Gay, Trans... Every Woman and Every Man!

The World that's Coming is the World we left Behind,  
As we Lost the Dimension of Light,  
In Exchange for a Dimension of such a tepid Time.  
Exclusion is of Man's Close Minded Ego,  
An Insistent Existence...  
Blinding and binding even the Most Pious,  
To the Light of his own Soul.  
The very Soul that can let the Light back in...  
Of a World to Come...  
Of a World Left Behind.  
From My Soul.... I AM LIGHT.

**The Tibetan Book of the Dead (Or the After-Death Experiences on the Bardo Plane)-Manuscript of the Bardo Thödol-(Excerpt)**

[’O] procrastinating one, who thinketh not of the coming of death,  
Devoting thyself to the useless doings of this life,  
Improvident art thou in dissipating thy great opportunity;  
Mistaken, indeed, will thy purpose be now if thou returnest empty-handed [from this life]:  
Since the Holy Dharma is known to be thy true need,  
Wilt thou not devote [thyself] to the Holy Dharma even now?’

***The Path of Good Wishes for Saving from the Dangerous Narrow Passageway of the Bardo***

[1] O ye Conquerors and your Sons, abiding in the Ten Directions,  
O ye ocean-like Congregation of the All-Good Conquerors, the Peaceful and the Wrathful,  
O ye Gurus and Devas, and ye Dākinīs, the Faithful Ones,  
Hearken now out of [your] great love and compassions:  
Obeisance, O ye assemblage of Gurus and Dākinīs;  
Out of your great love, lead us along the Path.

[2] When, through illusion, I and others are wandering in the Sangsāra,  
Along the bright light-path of undistracted listening, reflection, and meditation,  
May the Gurus of the Inspired Line lead us,  
May the bands of Mothers be our rear-guard,  
May we be saved from the fearful narrow passage-way of the Bardo,  
May we be placed in the state of the perfect Buddhahood.

[3] When, through violent anger, [we are] wandering in the Sangsāra,  
Along the bright light-path of the Mirror-like Wisdom,  
May the Bhagavān Vajra-Sattva lead us,  
May the Mother Māmakī be our rear-guard,  
May we be saved from the fearful narrow passage-way of the Bardo,  
May we be placed in the state of the perfect Buddhahood.

[4] When, through intense pride, [we are] wandering in the Sangsāra,  
Along the bright light-path of the Wisdom of Equality,  
May the Bhagavān Ratna-Sambhava lead us,  
May the Mother, She-of-the-Buddha-Eye, be our rear-guard,  
May we be saved from the fearful narrow passage-way of the Bardo,  
May we be placed in the state of the perfect Buddhahood.

[5] When, through great attachment, [we are] wandering in the Sangsāra,  
Along the bright light-path of the Discriminating Wisdom,  
May the Bhagavān Amitābha lead us,  
May the Mother, [She]-of-White-Raiment, be our rear-guard,  
May we be saved from the fearful narrow passage-way of the Bardo,  
May we be placed in the state of the perfect Buddhahood.

[6] When, through intense jealousy, [we are] wandering in the Sangsāra,  
Along the bright light-path of the All-Performing Wisdom,  
May the Bhagavān Amogha-Siddhi lead us,  
May the Mother, the Faithful Tārā, be our rear-guard  
May we be saved from the fearful narrow passage-way of the Bardo,  
May we be placed in the state of the perfect Buddhahood.

[7] When, through intense stupidity, [we are] wandering in the Sangsāra,  
Along the bright light-path of the Wisdom of Reality,  
May the Bhagavān Vairocana lead us,  
May the Mother of Great Space be our rear-guard,  
May we be saved from the fearful narrow passage-way of the Bardo,  
May we be placed in the state of the perfect Buddhahood.

[8] When, through intense illusion, [we are] wandering in the Sangsāra,  
Along the bright light-path of the abandonment of hallucinatory fear, awe, and terror,  
May the Bhagavāns of the Wrathful Ones lead us,  
May the bands of the Wrathful Goddesses Rich-in-Space be our rear-guard,  
May we be saved from the fearful narrow passage-way of the Bardo,  
May we be placed in the state of the perfect Buddhahood.

[9] When, through intense propensities, [we are] wandering in the Sangsāra,  
Along the bright light-path of the Simultaneously-born Wisdom,  
May the Knowledge-Holders lead us,  
May the bands of the Mothers, the Dākinīs, be our rear-guard,  
May we be saved from the fearful narrow passage-way of the Bardo,  
May we be placed in the state of the perfect Buddhahood.

[10] May the ethereal elements not rise up as enemies;  
May it come that we shall see the Realm of the Blue Buddha.  
May the watery elements not rise up as enemies;  
May it come that we shall see the Realm of the White Buddha.  
May the earthy elements not rise up as enemies;

May the airy elements not rise up as enemies; May it come that we shall see the Realm of the Green Buddha.  
May the elements of the rainbow colours not rise up as enemies;  
May it come that all the Realms of the Buddhas will be seen.  
May it come that all the Sounds [in the Bardo] will be known as one’s own sounds;  
May it come that all the Radiances will be known as one’s own radiances;  
May it come that the Tri-Kāya will be realized in the Bardo.

## **CONSECRATION OF THE SPACE**

## **CONSECRATION OF THE SPACE**

In the Infinite Circle of the Divine Presence which completely envelopes me, I affirm that:

There is only one presence here—it is HARMONY,  
which makes all hearts vibrate with happiness and joy.  
Whoever enters here will feel the vibration of Divine Harmony.

There is only one presence here—it is LOVE.  
God is love, which envelops all beings in a single feeling of unity.  
This space is filled with the presence of love.  
In Love, I live, I move and I exist.  
Whoever enters here will feel the pure and holy Presence of Love.

There is only one presence here—it is TRUTH.  
All that exists here, all that is spoken here,  
all that is thought here is the expression of Truth.  
Whoever enters here will feel the Presence of Truth.

There is only one presence here—it is JUSTICE.  
Justice reigns in this space.  
Every act practiced here is ruled and inspired by Justice.  
Whoever enters here will feel the Presence of Justice.

There is only one presence here—it is the presence of God,  
who is GOODNESS. No evil can enter here. There is no evil in God.  
God, who is Goodness, dwells here.  
Whoever enters here will feel the Divine Presence of Goodness.

There is only one presence here—it is the presence of God, who is LIFE.  
God is the essential Life of all beings.  
He is the health of body and mind.  
Whoever enters here will feel the Divine Presence of life and Health.

There is only one presence here—it is the presence of God, who is PROSPERITY. God is Prosperity because He makes everything grow and prosper. God expresses Himself through the Prosperity of all that is carried out in His name. Whoever enters here will feel the Divine Presence of Prosperity and Abundance.

Through the esoteric symbol of the Divine Wings, I am in harmonious vibration with the universal currents of Wisdom, Power & Joy.

The Presence of Divine Wisdom is manifested here.

The Presence of Divine Joy is deeply felt by all those who enter here.

In the perfect communion between my lower self and my Higher Self, which is God in me, I consecrate this space to the perfect expression of all divine qualities which are in me and in all beings.

The vibrations of my thoughts are the forces of God in me, which are stored here and hence radiated to all beings, thus establishing this place as a center of giving and receiving of all that is Good, Joyful and Prosperous.

## **PRAYER**

I thank You, Oh God, for this space is filled with Your Presence.

I thank you, for I live and move within You.

I thank You, for I live in Your Life, Truth, Health, Prosperity, Peace, Wisdom, Joy and Love.

I thank You, for all who enter here will feel Your Presence.

I thank You, for I am in Harmony, Love, Truth and Justice with all beings.

Amen

We all have Sight into the Unseen,  
That, which beckons with a whispered hint...  
Teasingly, poised...  
On the tip of the Mind's tongue.

It gives to us just enough,  
To catch Glimpse of the miraculous...  
Before the Ego washes it away,  
To Coincidence, aberration, or luck.

I dare to say that it ask,  
For less than one-percent,  
In the Equation of Life,  
In the Equation of Faith.

If nothing else,  
Pay homage... to the Life given.  
Seek meaning in the Light...  
And, in the womb of Mother Darkness.

From there, the Spirit flows,  
As the Dreams we didn't Know...  
Are no longer forgotten,  
I AM the Seed of Miracles.

And its with My Soul I Hear.  
I Am the Brother of Christians,  
I Am the Brother of Jews,  
I Am the Brother of Hindus,  
I Am the Brother of Buddhist,  
I Am the Brother of Muslims,  
I Am the Brother of All Religions...

## **THE POWER SONG**

The power of the North  
Give me strength, make me firm  
Tengri, Tengri force  
Tengri force  
Tengri force

The power of the East  
Give me future, let me grow  
Ulgen, Ulgen force  
Ulgen force  
Ulgen force

The power of the South  
Give me warmth, give me joy  
Umai, Umai force  
Umai force  
Umai force

The power of the West  
Give me love to let go  
Erlik, Erlik force  
Erlik force  
Erlik force

Joop van der Hagen

I AM as Constant as the Maker that Be,  
Through His Eyes I Sense...  
Through Her Heart I See.  
The Universe is My Home, Its Expanse Ever Increasing,  
My Reliance and Fear of Man's World?  
Gone to Hell..... Ceased and Deceasing.  
I will Die on My Feet to live for what's Right,  
Not Live on My Knees in Awe of Man's False Fright.  
To Live for the Day, to Live for the Way...  
To Do My Best every God Given Day.  
What a Small Price to Pay...  
For when I fall and I fail and Man ridicules Me?  
I will look to the Light, I know that God Sees.  
From My Soul.... I AM COURAGE.

## **GEEF ONS**

Geef ons de rust  
Om stil te blijven staan  
bij alles  
Wat we tot nu toe hebben  
gedaan

Geef ons de kracht  
Om voor JOU te gaan staan  
Geef ons het lef  
Om ons pad op te gaan

Geef ons vertrouwen  
Om ons over te geven  
Overgave aan JOU

Maak ons zo licht  
Dat we vleugels krijgen  
Geef ons de kans  
Om op te stijgen

Geef ons een lichaam  
Vrij van pijn  
Geef ons een tempel  
Zodat we hier kunnen zijn

Refrein

Geef ons de kracht  
In duistere tijden  
Om oprecht te zijn  
En niet af te glijden

Geef ons compassie  
Met degenen die lijden  
Laat ons vergeven  
En onszelf bevrijden

Refrein

Geef ons de liefde  
Open van hart  
Maak ons barmhartig  
Vrij van smart

Geef ons een toekomst  
Geef ons een verleden  
Geef ons geloof  
In de kracht van het heden

Refrein

Our Dreams and Our Faith go Hand in Hand.  
And, Blessed are the Brave of Heart...  
Those who Reach Far Beyond the Common Desires of Man,  
To the Depths of Their Own Unique Sacred Soul's Song...  
Unafraid of Being Hurt, or the Suffering sure to come,  
In Pursuit of the Worthiest and Most Noble Causes,  
The Great Wisdoms... and the Greatest Loves.  
We do not Fail when Our Best is put forth,  
For even when and if, we fall short...  
The Bountiful Blessings of Karma Earned,  
The Living Lessons Learned...  
And, the Strength of Overcoming Defeat,  
To Rise Again...  
Far Outweigh the Most Harsh and Burning Pains.  
And, Though the Scars Remain...  
I Shall NOT FEAR!  
And, I will not stop in My Pursuit...  
Of the Dreams that Build My Faith,  
and the Faith that Builds My Dreams.

## **GIVE ME A REASON**

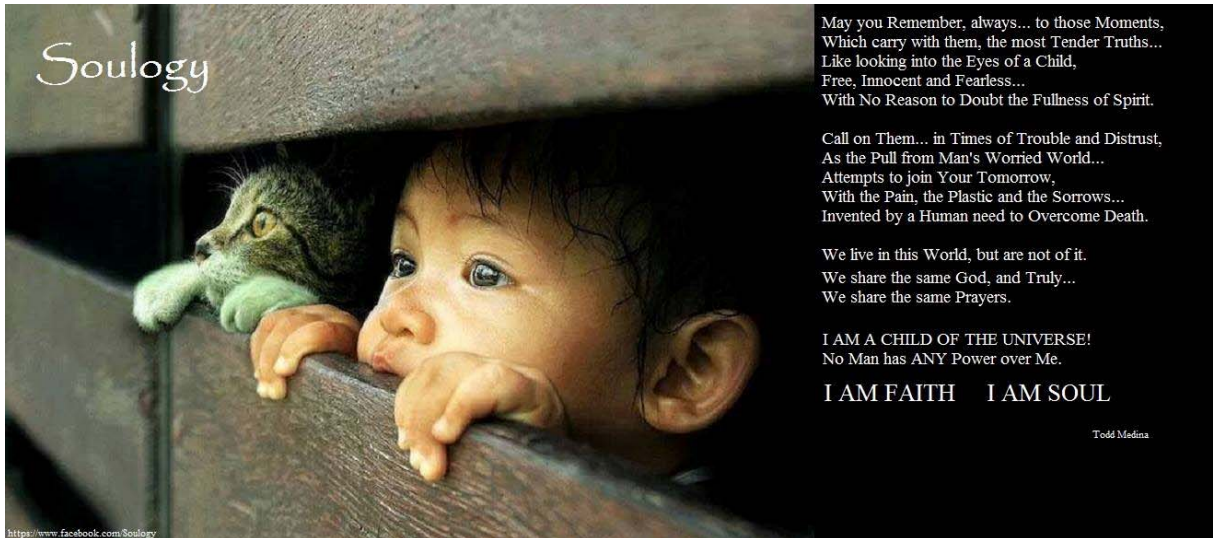

Give me my freedom  
Give me a goal  
Give me my kingdom  
The heritage of my soul

Give me an answer  
To the questions in my mind  
Give me more insight  
So i can see behind

I ask for a reason  
A reason to believe  
I ask for forgiveness  
I ask for relief  
Give me a reason  
Put confidence in me  
Give me an anchor  
Give me a key  
Give me a key

May you Remember, always... to those Moments,  
Which carry with them, the most Tender Truths...  
Like looking into the Eyes of a Child,  
Free, Innocent and Fearless...  
With No Reason to Doubt the Fullness of Spirit.

Call on Them... in Times of Trouble and Distrust,  
As the Pull from Man's Worried World...  
Attempts to join Your Tomorrow,  
With the Pain, the Plastic and the Sorrows...  
Invented by a Human need to Overcome Death.

We live in this World, but are not of it.  
We share the same God, and Truly...  
We share the same Prayers.

I AM A CHILD OF THE UNIVERSE!  
No Man has ANY Power over Me.

I AM FAITH I AM SOUL

## **LISTEN TO YOUR HEART**

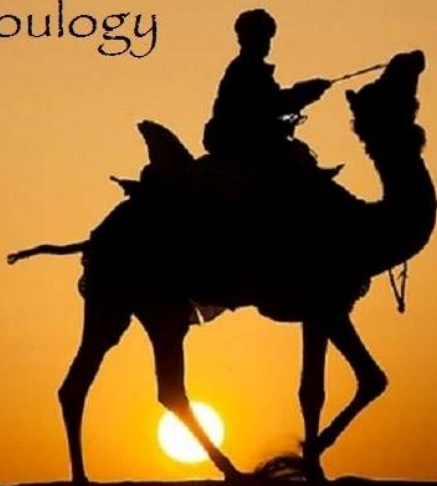

Listen, listen to your heart  
Listen, hear what your heart  
has to say  
Listen, listen to your heart  
Listen, hear what your heart  
has to say to ME

Sing, sing your song  
Sing, sing what your heart has to tell  
Sing, sing what your heart has  
to tell to ME

Dance, dance your heart  
Dance, dance the pleasure of  
your heart  
Dance, dance your heart  
Dance, dance the pleasure of  
your heart

We are More Powerful than what it seems,  
And, the Dreams that we carry...  
They have Meaning,  
Not to be Lost in the Hill of Lies...  
From a World, as Harmless as it seems Harmful.  
There is no Reason to Memorize...  
The Great Knowledge, which we Hold,  
Undisturbed, but by the Window of Our Pride.  
There is no other Truth... but, the Truth of Soul.  
Carry Me Home, Now... I Believe.

## **ZON, MAAN EN STERREN**

Zon, zon, zon  
Zon in mijn hart  
Zon, zon, zon  
Een hart zonder smart

Liefde is door God gegeven  
Als de kern van mijn bestaan

Maan, maan, maan  
Ik ga nu staan  
Maan, maan maan  
Voor mijn bestaan

Evenwicht in alle dingen  
Evenwicht in mijn bestaan

Ster, ster, ster  
Ik ben een ster  
Ster, ster, ster  
Ik kom van ver

Tussen alle mooie sterren  
Is mijn thuis en mijn bestaan

Each one of us has an Army of Sanctity,  
Following Our every move...  
From the Bravest part of Our Heart,  
Comes the Roar of Our Soul...  
And, that is the Call of Communion.

When Time stands still,  
O'er the Hill Eternal...  
Desire for Growth,  
Meets Grace...

Finally, we choose to Love,  
What most Loves us.

## HEILIGE ONTMOETING

In het middernachtelijk uur  
Tijdens een donkere nacht  
Daar zag ik een prachtig wezen  
Een schitterende Engel van licht  
En kreeg ik een duidelijke boodschap  
Woorden heel gericht

In het midden van de tempel  
In de heilige ruimte  
Daar kreeg ik een ontmoeting  
Een ontmoeting met JOU  
Tranen van ontroering  
Maria, de heilige vrouw

In het hart van de Melkweg  
Tussen fonkelende sterren  
Daar is een krachtige bron  
Daar is HIJ heel gewoon  
Christus de verlosser  
Jezus de heilige zoon

Isis, de kracht van Egypte  
Horus, de zoon van de Nijl  
De tempels en piramides  
De krachten van de Zon  
De sfinx en haar geheimen  
Versluierd door de bron

She could be Gay, Transgender or Straight...  
She could be Hindu, Christian, Muslim, Tao or Jew,  
She could be Cursed in Material Wealth...  
Or, Graced in Poverty and Destitution.  
And, Mother Universe would love Her the Same.  
And, Father God would judge Her the Same.

She could follow Jesus, see him as Messiah...  
Even God Incarnate.... or Know nothing of Him.  
She could follow Mohammed and Abraham...

## ZACHTJES WORD IK GEWIEGD

In liefde ontstaan  
Bezield door het bestaan

Ik word gedragen  
Lieflijk en zacht  
Gedragen door mijn moeder  
Ik word verwacht

Zachtjes word ik gewiegd  
Zachtjes heen en weer

Ik word gedragen  
Ik word gewiegd  
Gedragen door de Aarde  
Ik ben geliefd

Veilig en geborgen  
Ik ben hier zo vaak geweest

Ik word gedragen  
Ik word gewiegd  
Gedragen door het leven  
Ik ben geliefd

Zo licht als een pluisje  
Zo klein en zo teer

Ik word gedragen  
Gewiegd door de wind  
Ik word weer geboren  
Ik ben een nieuw kind

Chosen by this Gift of Life...  
My place, It cannot be ignored.  
I AM Unconquerable.  
Gladly, I will absorb the Winters,  
Splintered by Pain's harshest Lessons.  
I AM Absolute.  
Yet, what can I give to this Grace,  
But Praise, as I face the Fears before Me?  
I AM Protected.

The Universe grows unencumbered,  
And, I must continue to grow with It.  
I AM Forever founded by the Light.

In the Final Truth... I AM alone,  
But, for My Angels and My Guides...  
Self-Reliance is not a Choice or a Chore,  
Though it may feel that way, at times...  
Rather, it is the Price of the Gift of Life,  
A Gift that only ask One thing from us.

## STERVEN

Jij, jij gaat ooit dood  
Jij moet een keer sterven  
Jij, je moet een keer gaan  
Weg, uit dit bestaan  
Maar jij, ben je bereid  
Ben jij, ben je zover

Want sterven, sterven is een kunst  
De kunst van het laten gaan  
Sterven, dat is een kunst  
De kunst van het bestaan

Kan je afscheid nemen  
Of zal je stiekem gaan  
Heb je echt geleefd  
Of was je een beetje dood  
Heb je jezelf laten zien  
En heb je in jezelf geloofd

Refrein

Kies je om helder te sterven  
Dan kies je om bewust te gaan  
Of kies je om je af te sluiten  
Dan kies je voor de slaap  
Bewustzijn is de sleutel  
De sleutel tot een helder sterven

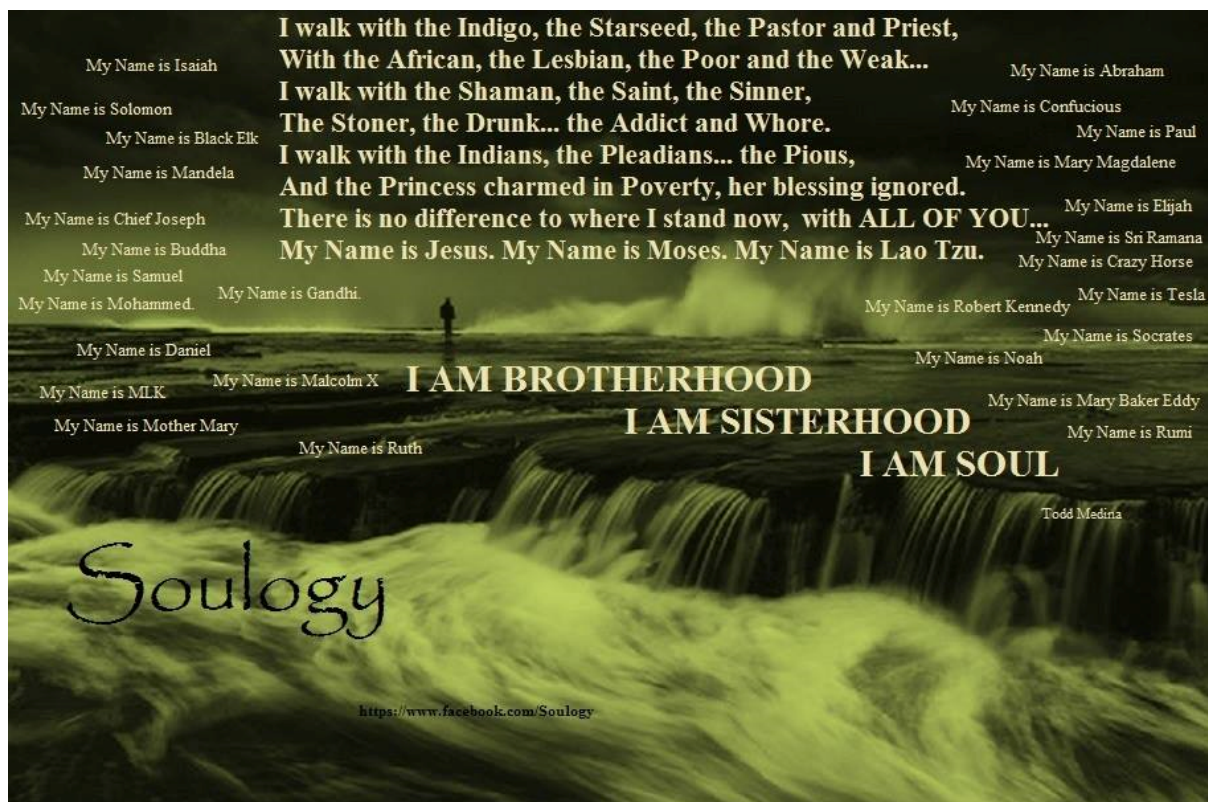

Sterven doe je je leven lang  
Doodgaan hoort bij het leven  
Sterven, tijdens het leven  
Is leven na de dood  
Er is een tijd van komen  
en een tijd van gaan

Refrein

Open, open je hart  
Open, open je kruin  
Want nu, het moment daar is  
Dan zie je, zie je een poort  
De hemel gaat open  
En je laat los het aardse koord

Refrein

Moeder Maria, bid voor ons  
Nu en in het uur van onze dood  
God de vader, uw naam worde

Uw koninkrijk, zal komen  
Bedankt voor ons bestaan

## **SAILING HOME**

On the wind of my soul  
On the wind of my spirit  
With the grace of the Virgin  
The lady of the light

On the wind I am sailing  
The journey has begun  
The suffering is over  
I am sailing home

On the rivers of light  
To the sea of being  
On the waves so divine  
To the oceans of love  
To the stars I am sailing  
Across the milky way  
In the light of the moon  
I am sailing home

On the wings of an eagle  
On the wings of freedom  
On the wings of a dove  
On the wings of peace

In the sky I am flying  
High above the earth  
With the word shalom  
I am sailing home

With the word shalom  
I am sailing home

Connect me with my soul

## **THE LAND OF MY DREAMS**

I am here in the land  
Of my dreams  
I came here to be here on earth  
I came here to live on this planet  
for YOU  
for YOU, for YOU

The earth is crying  
In my dreams  
She weeps many tears  
of pain  
For the bloodshed  
that still remains in name  
of YOU,  
of YOU, of YOU

I am longing for peace  
In the land of my dreams  
In a world where I am born  
In a world where I wish to be  
Together with YOU  
with YOU, with YOU

Joop van der Hagen

There is a Sound and a Sight, Far from Human Terms...  
Which has been Within Me, Since Life's First Memories.  
A Familiarity, so Complex, But,  
as Real as the Breath of Life It is...  
And that I AM.

It Beats Steady... in Perpetuity.  
Whether the Day be Torn and Twisted,  
Or, Full of Human Happiness...  
This Sight, this Sound, Lost to the Physical Senses...  
Carries in Its Constant Hum, My Endearing Confidence...

Of a Just and Perfect World,  
Hidden, but Not Lost...  
Of an Absolute Intelligence,  
Which Draws Man's Intellect & His Greatest Geniuses...  
All Founded on the Pure Love,  
And the Pure Light of One God.

I AM a Christian and I will follow Jesus.  
I AM a Buddhist and I will follow Siddhartha Gautama.  
I AM a Muslim and I will follow Mohammed.  
I AM a Hindu and I will follow the Gurus.  
I AM a Taoist and I will follow Lao-Tzu.  
All Roads Merge Into One.

I AM SOUL.
