### EARLY BUY PRICING (Ends February 28th, 2022)

Please order early and take advantage of our "Early Buy" pricing. You can save money by simply ordering before February 28th, 2022. Order now, lock in the early buy prices, and pay for it when the items come into stock. You don't have to pay a penny until the items come into stock. See Built To Order below for ordering the BTO items as these items have limited availability after February 16th, 2022. So please call to get your early buy pricing or go on-line to the Early Buy Category, add the item to your cart to see your discounted price. ADD ITEM TO CART TO SEE THE DISCOUNTED PRICE.

#### BUILT TO ORDER ITEMS FROM LIONEL (BTO) (Ends February 16th, 2022)

Once again Lionel is "building to order" (BTO) their higher priced products. The past few years worked very well as most of you got the items you wanted and these items are no longer available thus assuring the value of your purchase. As you can see in this price guide, some items are marked (BTO). This means "Built-To-Order." Lionel expects us to order by February 16th and they will "build to the quantity" we order. So what does this mean for you - it means you should order these items by February 16th so we can include your order with ours. There is no reason not to preorder - you get early buy pricing and we don't charge your credit card until the items come into stock. If you need to order BTO items beyond February 16th please call us and we will update you with the latest information. We will be ordering a few extras but they will go fast so if you miss the ordering deadline give us a call and we will let you know at that time if we can supply the item.

#### **ORDER NOW FOR BEST PRICING**

You can call in your order or order on line. Remember - order now to get the early buy prices. If you order now, we do not charge your credit card until the order is ready for shipment so take advantage of the Early Buy pricing and "lock-in" delivery of the product. When comparing prices make sure to also compare shipping costs which have risen dramatically in recent years. Other Dealers charge actual shipping costs but our shipping charges are less than actual cost. We pay a large portion of the shipping cost for you so please remember to consider this in your comparison.

### **OUR SHIPPING CHARGES ARE BELOW ACTUAL COSTS**

We look forward to hearing from you. Happy Railroading!
