A few Ebooks I've done...

Think Through Your Decisions

A husband and wife went on vacation to Jerusalem to tour the Holy Land.

After two weeks of getting lost, being late to every tourist attraction, and listening to his nagging wife tell him over and over, "...this trip is costing us a fortune...I can't believe you didn't plan this trip any better..."

A tragic thing happened. The wife DIED in the middle of the night in her sleep...

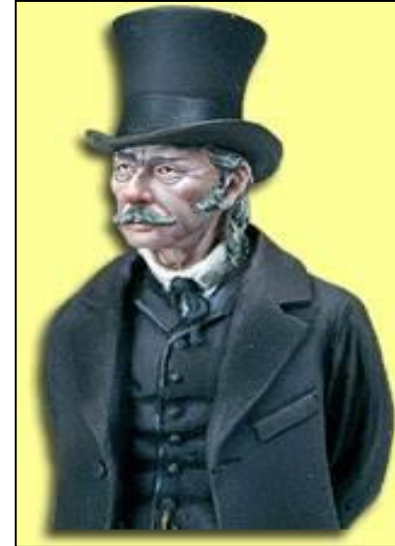

Think Through Your Decisions

After meeting with a local undertaker the next day, the husband was told, "...you can have your wife shipped back to the U.S. for \$25,000 or you can bury her here in the Holy Land for \$150."

The husband thought about it for a minute or two and told the undertaker to go ahead and ship her back home.

Confused, the undertaker asked the husband, "...why would you spend \$25,000 to ship your wife home, when it would be wonderful to be buried in the Holy Land and you would spend only \$150?..."

Think Through Your Decisions

The husband replied, "...a long time ago, a man died here...was buried...

and 3 days later rose from the grave...

and I just can't take that chance..."

To all those frustrated authors, who want to write something... anything... !!

Just know, there is hope.

Follow along here and you'll see how easy it can be.

As the old adage goes... "If I did it, you can too!"

Technology has enabled creativity in countless ways. While chasing a book deal used to sometimes turn into a lifelong pursuit for aspiring authors, it is now possible to get your book published with no upfront costs and just a little bit of time spent marketing.

Thanks to Amazon's Kindle Direct Publishing platform, any person with the will to write, can make their book available to the masses. There are no requirements, other than a minimum word count of 2,500 words, and no costs associated with the publication process.

However, there is some additional questions and effort that will come along with this process. While it's rather straightforward, making sure you fill-in-the-blanks correctly and set yourself up for success takes a bit of planning.

If you finally want to see your dreams of having your name in print realized, this guide will help you get there.

Let's begin!

Kindle MatchBook

Kindle MatchBook gives customers who buy a print book from Amazon.com the option to purchase the Kindle version of the same title for \$2.99 or less. If you have a print version of your title on Amazon.com, you can enroll the Kindle version in Kindle MatchBook and earn Kindle Direct Publishing (KDP) royalties based on the Promotional List Price (choose from \$2.99, \$1.99, \$0.99, or free) for any Kindle MatchBook sale.

Eligibility

Whether you're a U.S. or international publisher, you can create a [print version](#) of your book for distribution through Amazon.com.

Enrollment

Once the print version of your book is up for sale on Amazon.com, you can enroll the digital version in MatchBook by following these steps:

1. Sign in to your Bookshelf: <https://kdp.amazon.com/bookshelf>
2. Click the ellipsis button ("...") under the Book Actions menu next to the book you want to enroll and select "Edit book pricing."
3. Under the **MatchBook** header, check the box to enroll your book in the Kindle MatchBook program.
4. Select your MatchBook list price from the dropdown menu.
5. Click the button to publish your changes at the bottom of the page.

If you want to cancel your book's enrollment in Kindle MatchBook, select the title you want to opt out of the program and uncheck the box labeled "Enroll my book in Kindle MatchBook."

[Publishing Process](#) > [Promotion and Merchandising](#) > [Kindle Merchandising Programs](#) > [Lending for Kindle](#)

Lending for Kindle

The Kindle Book Lending feature allows users to lend digital books they have purchased through the Kindle Store to their friends and family. Each book may be lent once for a duration of 14 days and will not be readable by the lender during the loan period. Lending is only available for Kindle books purchased on Amazon.com.

If you have purchased a copy of your own book, you are welcome to lend it. However, you can only lend a title once per the terms of the Kindle Book Lending program. Loans of Kindle books are not purchases and thus are not eligible to receive royalty payments.

All KDP titles are enrolled in lending by default. For titles in the 35% royalty option, you may choose to opt out of lending by deselecting the checkbox under "Book Lending" in the book pricing & promotion section of the title setup process, but you may not choose to opt out a 70% royalty optioned title or a title included in the lending program of another sales or distribution channel. For more details, see section 5.2.3 of the [Term and Conditions](#).

For more information, see the Amazon [Kindle Book Lending](#) help page.

Matchbook

Enroll in Kindle MatchBook (Optional)

Give customers who purchase your print book from Amazon the option to purchase your Kindle eBook for \$2.99 or less. [Learn more about Matchbook.](#)

KDP Select Global Fund

March 2017

\$12 Million

Why Enroll in KDP Select?

› Earn higher royalties

Earn your share of the KDP Select Global Fund when customers read your books from Kindle Unlimited and the Kindle Owners' Lending Library. Plus, earn 70% royalty for sales to customers in Japan, India, Brazil and Mexico.

› Maximize your book's sales potential

Choose between two great promotional tools: Kindle Countdown Deals, time-bound promotional discounting for your book while earning royalties; or Free Book Promotion where readers worldwide can get your book free for a limited time.

› Reach a new audience

Help readers discover your books by making them available through Kindle Unlimited in the U.S, U.K., Germany, Italy, Spain, France, Brazil, Mexico, Canada, India, Japan, and Australia, and the Kindle Owners' Lending Library (KOLL) in the U.S, U.K., Germany, France, and Japan.

Enroll now

Frequently asked questions

What are Kindle Unlimited and the Kindle Owners' Lending Library?

Kindle Unlimited is a subscription program for readers that allows them to read as many books as they want. The Kindle Owners' Lending Library is a collection of books that Amazon Prime members who own a Kindle can choose one book from each month with no due dates. When you enroll in KDP Select, your books are automatically included in both programs. Your books will still be available for anyone to buy in the Kindle Store, and you'll continue to earn royalties from those sales like you do today. For more information about Kindle Unlimited, [click here](#) and for more information about Kindle Owners' Lending Library, [click here](#).

What does it mean to publish exclusively on Kindle?

When you choose to enroll your book in KDP Select, you're committing to make the digital format of that book available exclusively through KDP. During the period of exclusivity, you cannot distribute your book digitally anywhere else, including on your website, blogs, etc. However, you can continue to distribute your book in physical format, or in any format other than digital. See the [KDP Select Terms and Conditions](#) for more information.

Where can I see the terms and conditions of KDP Select?

Publish Your Paperback on KDP (Beta)

We're excited to offer the opportunity to publish paperbacks in addition to Kindle eBooks. We'll be adding even more print-related features in the future. **CreateSpace still offers these features, and KDP will offer them as well.**

Publishing a paperback can help you reach new readers. KDP prints your book on demand and subtracts your printing costs from your royalties, so you

Benefits of publishing paperbacks with KDP include:

- **Distribution:** Reach paperback readers through Amazon websites in the US, Europe, and Japan.
- **Royalties:** Earn up to 60% royalties on the list price you set, minus printing costs.
- **Rights:** Maintain creative control and own your copyright with our non-exclusive agreement.
- **Get to market fast:** Publish your paperback for international sale in just a few days.
- **100% availability:** Printing on demand means your book will never be out of stock.

[Paperback Beta Participation Agreement.](#)

If you already publish with CreateSpace, you can visit [Amazon.com](#) to learn more about moving your paperback to KDP. Note the differences between CreateSpace

Other platforms?

- CreateSpace (Amazon) – \$69 to set up → ad hoc
- Author House – \$799 - \$1500 plus %age
- Xlibris – \$699 - \$15k options plus %age
- Nookpress – Barnes & Noble
- LightningSource
- Smashwords ...

Compelling Ideas Expressed at Their Natural Length

Kindle Singles is here to offer a vast spectrum of reporting, essays, memoirs, narratives, and short stories presented to educate, entertain, excite, and inform. Our writers take you places you've never been before with non-fiction that share these common threads: they're the highest-quality work we can find, and at a length best suited to the ideas they present.

To all those frustrated authors, who want to write something... anything... !!

Just know, there is hope.

Follow along here and you'll see how easy it can be.

As the old adage goes... "If I did it, you can too!"

Technology has enabled creativity in countless ways. While chasing a book deal used to sometimes turn into a lifelong pursuit for aspiring authors, it is now possible to get your book published with no upfront costs and just a little bit of time spent marketing.

Thanks to Amazon's Kindle Direct Publishing platform, any person with the will to write, can make their book available to the masses. There are no requirements, other than a minimum word count of 2,500 words, and no costs associated with the publication process.

However, there is some additional questions and effort that will come along with this process. While it's rather straightforward, making sure you fill-in-the-blanks correctly and set yourself up for success takes a bit of planning.

If you finally want to see your dreams of having your name in print realized, this guide will help you get there.

Let's begin!
