ALLEN'S TALENT PROFICIENCY

PROGRAM

TALLENTPRO

A specially designed programme offered by
ALLEN for the students of class XI & XII.

The main objective of this programme is to increase productivity of the valuable time spent by a student in his/her school studies and in preparation for targeted competitive examination(s) by synchronizing both of them in a well defined academic plan. The programme supports both high scoring in School/Board and in current/future competitive exams.

The major benefit of TALLENTPRO is that there are more teaching hours available to a student in this programme compared to regular classroom programme at ALLEN center, hence he/she gets more time for self study which is very important factor in a student's success in targeted competitive exam.

TALLENTPRO Programme is available for the students of Class XI and XII
TALLENTPRO programme is offered at selective campus/location only.

for campus / location details visit our nearest classroom center.

Teaching Methodology

Concept Building

Batch wise classes having limited students are held in morning & evening sessions in air-conditioned spacious lecture theatres equipped with high quality Wi-Fi audio-video systems.

Lecture Classes

Lectures of 90 minutes each, are designed according to the pattern and level of JEE and delivered by our esteemed faculties.

Revision Classes

Revision classes of selected topics are arranged regularly for the benefit of students.

Doubt Removal Sessions

These sessions are regularly scheduled in Time Table and also separately arranged for those students who require extra assistance for clarification of their doubts. These sessions are optional.

Board Classes

It is flexible programme in which multiple options are given to students to attend concise board classes of entire syllabus of Physics, Chemistry, Mathematics and English (as per their time suitability) to enhance their performance in board exams along with JEE.

Smart Study Material

RACE-Regular Analysis through Continuous Exercise

Every lecture is subsequently supported by a RACE which is a bunch of multi-conceptual problems, designed to give in - depth understanding of the subject & to improve question solving speed through time bound practice.

Subject and Topic wise Booklets (Sheets)

Sheet is topic wise multi exercise booklet, designed according to the syllabus of JEE, containing different types of conceptual, tricky & brain storming questions including previous ten years IIT-JEE questions, covering all the possible arena of the problems which may be asked in forth coming exams.

Board Work-Sheets & Booklets

To develop writing skills as required in board exams.

Question Banks

For adequate practice in each subject, topic wise question banks are distributed to students which help them in gaining confidence & command on individual topics.

- **Hand books of Physics, Chemistry and Maths** containing all important formulae and concepts are provided for a faster revision.
- **Topic wise previous ten years CBSE** question bank and their solutions
- **Topic wise previous ten years AIEEE** question bank and their solutions
- **NCERT** important questions and their solutions

Intelligent Test System

For better familiarization with JEE examination and continuous practice, Periodic Tests are conducted to evaluate students performance and to develop their capabilities to respond promptly to all types of questions, to improve speed and to identify weak areas.

Unit Test

These tests are focused on the topics which are being currently taught at that time.

JEE Main Test

One test of 3 hrs on JEE Main pattern in a time interval of 2 to 4 weeks.

JEE Advanced Test

Two tests of 3 hrs each on same day are conducted in a time interval of 4 to 6 weeks which covers all the topics taught till date for better revision.

Board Pattern Test

Designed according to the Board syllabus to ensure best performance of students in their Board exams.

Score Test

To enhance their score in JEE, at the end of session series of tests are conducted followed by discussion and revision classes.

Score Advanced Test

Series of tests along-with discussion classes are organized between JEE Main and JEE Advanced exams for final touch to boost their ranks.

Additional Features

- A special dedicated Star Batch consisting of Top 5 to 30 students is formed to provide concentrated efforts, highest academic and administrative care to produce top ranks.
- Workshops for KVPY, OLYMPIAD and other competitive exams are organized.
- BITSAT Workshop with Online Test Practice.
- JEE Main Online Test Practice.

Student Mentorship Programme ALLEN-Papa (ALLEN Care Unit)

We are even alert about the various academic & administrative problems of our students for which we have designed an escort team of our faculty members and administrative staff so as to make the students feel at home away from home.

- Imp. :
1. Scholarship is in the form of Concession in Total Fee (#), students has to claim this by applying in prescribed Scholarship Application Form for Academic Session 2016-17 after admission. (Procedure to apply for scholarship is available with the application form)
 2. Scholarships TS01, TS02, TS04, TS06, TS23 are applicable for Board Result in current session(2016) only.

Teaching Methodology

Concept Building

Batch wise classes are held in morning & evening sessions in air-conditioned spacious lecture theatres equipped with high quality Wi-Fi audio-video systems.

Lecture Classes

Lectures of 90 minutes each, are designed according to the pattern and level of AIPMT and delivered by our esteemed faculties.

Doubt Removal Sessions

These sessions are regularly scheduled in Time Table and also separately arranged for those students who require extra assistance for clarification of their doubts. These sessions are optional.

Board Classes

Special AIIMS Preparation Session (Tests & Discussion) This session is organised in duration between AIPMT & AIIMS exam -(depends on exams date). ALLEN Sanchar, A&R Question booklet of AIIMS and General Knowledge Question Bank supports students to achieve their success in AIIMS.

Smart Study Material

RACE - Regular Analysis through Continuous Exercise

Every topic is subsequently supported by a RACE which is bunch of multi-conceptual problems design to give in-depth understanding to the subject & improved speed through practice.

Topicwise Subject Modules

ALLEN provides Modules which is topic wise booklet design according to the syllabus of AIPMT consisting of different exercises containing different types of conceptual, tricky & brain storming questions covering all the possible arena of the problems which may be asked in forth coming exams including previous year's AIPMT questions.

Questions Banks

- Regularly topic wise questions banks are distributed to students in each subject for ample practice which help them in gaining confidence & command on individual topics
- **Hand books of Physics, Chemistry and Biology** containing all important formulae and concepts.
- **Topic wise last ten years CBSE** questions and their solutions for all subjects.
- **Topic wise last ten years AIPMT** questions and their solutions for all subjects.
- **NCERT** important questions and their solutions for board preparation.
- Board Worksheets and Booklets to develop writing skills as required in Board Exams.
- **PEAK** (Progressive Enhancement of Analytical Knowledge) Special 100 questions bunch in different topics are given to increase analytical ability

Intelligent Test System

Periodic Tests are taken regularly to give ample practice to the students as to respond promptly to tricky questions and manage speed and time to help them to self evaluate for AIPMT and to identify weak area.

Minor Test

These tests are more confined to the topics which are currently taught at that time.

Major Test

These tests are conducted after completion of syllabus to give final touch to the main exam.

Board Pattern Test

Are designed according to the Board syllabus to ensure best performance of students in their Board exams.

Pre-Semester Test

A set of tests strictly according to ensure best performance in Board.

Additional Features

- A special dedicated SRG Group consisting of Top 5 to 30 students is formed to provide concentrated efforts, highest academic and administrative care to produce top ranks.
- Workshops for KVPY, OLYMPIAD and other competitive exams are organized.

Student Mentorship Programme ALLEN-Papa (ALLEN Care Unit)

We are even alert about the various academic & administrative problems of our students for which we have designed an escort team of our faculty members and administrative staff so as to make the students feel at home away from home.

- Imp. :
1. Scholarship is in the form of Concession in Total Fee (#), students has to claim this by applying in prescribed Scholarship Application Form for Academic Session 2016-17 after admission. (Procedure to apply for scholarship is available with the application form)
 2. Scholarships MS01, MS02, MS04, MS06, MS23 are applicable for Board Result in current session(2016) only.

Teaching Methodology

Concept Building

Batch wise classes having limited students are held in morning sessions in air-conditioned spacious lecture theatres equipped with high quality Wi-Fi audio-video systems.

Lecture Classes

Lectures of 90 minutes each, are designed according to the pattern and level of JEE (Main) and delivered by our esteem faculties.

Revision Classes

Revision classes of selected topics are arranged regularly for the benefit of students.

Doubt Removal Sessions

These sessions are regularly scheduled in Time Table and also separately arranged for those students who require extra assistance for clarification of their doubts. These sessions are optional.

Board Classes

It is flexible programme in which multiple options are given to students to attend concise board classes of entire syllabus of Physics, Chemistry, Mathematics, English and Computer Science(as per their time suitability) to enhance their performance in board exams along with JEE (Main).

Smart Study Material

RACE - Regular Analysis through Continuous Exercise

Every lecture is subsequently supported by a RACE which is a bunch of multi-conceptual problems, designed to give in-depth understanding of the subject & to improve question solving speed through time bound practice.

Subject and Topic wise Booklets (Sheets)

Sheet is topic wise multi exercise booklet, designed according to the syllabus of JEE, containing different types of conceptual, tricky & brain storming questions including previous ten years IITJEE/AIEEE questions, covering all the possible arena of the problems which may be asked in forth coming exams.

Board Work-Sheets & Booklets

To develop writing skills as required in board exams.

Question Banks

For adequate practice in each subject, topic wise question banks are distributed to students which help them in gaining confidence & command on individual topics.

- **Hand books of Physics, Chemistry and Maths** containing all important formulae and concepts are provided for a faster revision.
- **Topic wise previous ten years CBSE** question bank and their solutions
- **Topic wise previous ten years IITJEE** question bank and their solutions
- **NCERT** important questions and their solutions.

Intelligent Test System

Periodic Tests are taken regularly to give ample practice to the students as to respond promptly to tricky questions and manage speed and time to help them to self evaluate for JEE (Main) and to identify weak area.

Minor Test

These tests are more confined to the topics which are currently taught at that time.

Major Test

These tests are conducted after completion of syllabus to give final touch to the main exam.

Score Test

To enhance their score in JEE(Main), At the end of session series of tests are conducted followed by discussion and revision classes.

Board Pattern Test

These tests are designs according to the Board syllabus to ensure best performance of students in their Board exams.

Additional Features

- Workshops for KVPY, OLYMPIAD and other competitive exams are organized.
- BITSAT Workshop with online test practice.
- JEE Main Online Test Practice.

Student Mentorship Programme ALLEN-Papa (ALLEN Care Unit)

We are even alert about the various academic & administrative problems of our students for which we have designed an escort team of our faculty members and administrative staff so as to make the students feel at home away from home.

Excellence in Academics

Excellence in Academics is the demonstrated ability to perform, achieve, and/or excel in scholastic activities. Academic excellence has been identified with achieving high grades and superior performance. But academic excellence is more than just making good grades. It is the maximum development of your intellectual capacities and skills in service to humanity.

Achieving academic excellence is a process of both formal and informal education. Indeed, education is a limitless and unending process to be enjoyed for lifetime.

Advantages of achieving academic excellence are:

- u Receiving academic scholarships.
- u Selection for competitive academic programs such as summer workshops during your school studies.
- u Admission to BEST Professional colleges.
- u Selection for membership in professional and honour societies.
- u Making a meaningful contribution to society throughout your life.

The Three Tier Development System

1

Building strong foundation by continuous and comprehensive training which leads to excellent performances of students at school level studies

Foundation Level Studies

At this level, we have developed interactive learning techniques along with comprehensive and concise study material.

Interactive Learning Techniques

- u Concept based teaching with explanation in simplest possible way.
- u Daily doubt counters.
- u Use of smart classes to make learning impactful.
- u Periodic minor/major tests to evaluate the performance of students (Results are available at our website).
- u Revision classes just before SA1 & SA2
- u Improvement classes for students who are not performing well.
- u Special classes of Mental Ability that helps them in future exams like PSA in schools, NTSE examination, Civil Services, etc.

Study Material

- u Comprehensive theory lessons includes
 - Spotlights
 - Building Concepts
 - Check your concepts
 - Activities
 - Numerical Ability
- u Practice questions of FA & SA pattern
- u RACE (Regular Analysis through Continuous Exercises) for every section of every topic.
- u Daily Practice Races of Mathematics to improve problem solving skills
- u Targeted Practice sheets before SA1 & SA2 to maximize grade in respective exams.

2

Skill enhancement to compete various competitions like NTSE, NSTSE, NSO, IMO and various activities like conferences, seminar at different national and international levels.

Advance Level Studies

At this level, we have developed special learning techniques for widening the knowledge spectrum of a student along with competitive aptitude. We offer specialized training & printed study materials for highly motivated and talented students.

Special Learning Techniques

- u Special batch for advance learners that includes synchronized classes covering school curriculum as well as syllabi of Govt. talent search examinations like NTSE & private olympiads like NSO, IMO, IEO, NSTSE, etc.
- u Experienced faculties to conquer the competitions at national & international level
- u Periodic minor/major tests for school curriculum
- u Periodic Proficiency tests targeting above mentioned competitive exams.
- u Workshops and seminars for boosting competitive temperament & securing good ranks in competitive exams.

Study Material

- u Every topic of NCERT has been widened by adding theory & Q-A from various curriculum like ICSE, IGCSE, IB and some state syllabi
- u Practice exercises which comprises of all questions of various national examinations and similar patterns.
- u Reference books and materials in the library.

3

Interning students for various govt. Olympiads: NSEJS / B / A / C / P, RMO, NMTC which will add an asset to their profile and help them to conquer their goals.

Excellent Level Studies

At this level we have developed focused learning techniques for developing in-depth knowledge of every subject & topic to the highest level.

By specially designed analysis, we identify accelerated learners who are highly motivated, hardworking, well ahead of their time/classes.

Focused Learning Techniques

- u Special batch for accelerated learners that includes regular classes for Government Olympiads which are conducted by HBCSE like NSEJS / B / A / C / P, RMO & NMTC.
- u Experienced faculties to conquer the competitions at national & international level.
- u Classes cover mainly Physics, Chemistry, Biology & Maths.
- u Periodic Standardized tests targeting the above mentioned competitive exams.
- u Helps in developing strong foundation for future targets like JEE/Pre-Medical.
- u Complete support classes for getting maximum grades at school level.
- u Workshops and seminars for boosting competitive temperament & securing good ranks in competitive exams.

Study Material

- u Detailed theory lessons for targeted competitive exam.
- u Practice exercises which comprises of all questions of various national examinations and similar patterns.
- u Reference books and materials in the library.

Aptitude

Aptitude is the natural ability to learn particular activity quickly and easily. We're all familiar with aptitude. We've heard of the "gifted" musician or athlete, the "born" scientist or engineer, the "natural" salesman or politician. When we use these sort of designations, we mean that these people seem to fit perfectly into a Job/Talent/Role.

Pre-Nurture supports in identifying the right aptitude of a child at the right time to excel in life through:

- ♦ Australian National Chemistry Quiz conducted by The Royal Australian Chemical Institute, Australia
- ♦ Various Summer Workshops like SSEP, EPGY, CTY in USA & OSP in UK
- ♦ National Mathematics Talent Contest (NMTC), conducted by Association of Mathematics Teachers of India (AMTI), India. Cyber Olympiad (NCO / UCO) conducted by Science Olympiad Foundation (SOF), India / Unified Council.
- ♦ IRIS Science Fair conducted by Department of Science technique, India in association with CII (Confederation of Indian Industry) & INTEL.
- ♦ ASSET, conducted by Educational Initiative IIMA, India.
- ♦ TECHNOHLON, conducted by IIT Guwahati, India.

Skills

In every human some skills are natural and some are developed through training. We can develop above skills in children to succeed in life and manage every stage of their career successfully.

Pre-Nurture supports in developing skills through :

- ♦ Participating in various Workshops, Seminars and Conferences throughout year as a individual and in a team.
- ♦ Providing motivational classes at regular time intervals.
- ♦ Personal counselling to child for her/his specific needs or problems.
- ♦ Spiritual events and value based education to help a child to think right & positively and developing her/him as a good human being.
- ♦ Workshops to develop thought process and vision in Science and Mathematics.

Exposure

Exposure to various aspects of the world around us helps to dream big. A person can only aspire to the level of her/his awareness and exposure in life. Our life is a cumulative effect of all the decisions taken time to time. Our decisions at every stage are based on what exposure we had till date. We can never dream of something we have never come across. It is important to take note of the areas that increase your level of exposure as these become the much needed arsenal to propel us to the next level of life. Children sometimes only aspire as far as they can see their parents doing. Expose your children to good things and watch them excel.

Pre-Nurture Helps to widen the exposure of a child and her/his degree of awareness by participation in :

Summer Workshops in USA/UK:

- ♦ Smith Summer Science & Engineering Programme (SSEP) conducted by Smith College Northampton, USA
- ♦ Oxbridge Summer Programme (OSP) conducted by Cambridge University, England
- ♦ EPGY Summer Workshop conducted by Stanford University, USA
- ♦ Summer Program of CTY (Center for Talented Youth) of John Hopkin's University, USA

National conferences:

National Maths Conference conducted by Association of Mathematics Teachers of India (AMTI), India.

International events in India:

- ♦ QUANTA, conducted by City Montessori School, Lucknow (INDIA)
- ♦ EUREKA INTERNATIONAL, conducted by City Montessori School, Lucknow (INDIA)
- ♦ REFLECTIONS, conducted by City Montessori School, Lucknow (INDIA)

Science Fairs:

- ♦ IRIS Science Fair conducted by Department of Science & Technology, India in association with CII (Confederation of Indian Industry) & INTEL.
- ♦ Balshree Honour conducted by National Balbhavan under HR Ministry, Govt. of India at three different stages.

Language Proficiency

Language is the method of human communication and is an integral part of culture and society. The language, an individual speaks informs one's cultural affiliations, how others perceive and interact with one and vice versa. Thus, effective use of language is very important to get yourself noticed and well recognized in the society. Now-a-days, English is no doubt the global language.

- ♦ Supports in developing English languages Proficiency through many national & international examinations/certifications:
- ♦ Listening, Reading, Writing and Speaking Skills development as per Cambridge Standard through Cambridge ESOL
- ♦ Examinations (YLE, KET, PET, FCE) of University of Cambridge, England; English Language Championship conducted by Planet EDU.
- ♦ Actual assessment of speaking and listening by a native British through Graded Examination of Spoken English (GESE) conducted by Trinity College, London
- ♦ PSAT & AP examinations conducted by College Board, USA.
- ♦ Pre AP conducted by Spring Board, USA.
- ♦ International English Olympiad (IEO) conducted by Science Olympiad Foundation (SOF), India.
- ♦ Frequent organising of Debates, Skits and Group Discussions.
- ♦ Unified International English Olympiad conducted by Unified Council

Cultivation of Indian Values

- ♦ Cultivation of INDIAN values in a child is also an 'Education of its own kind'. In Indian culture, values are given utmost importance which includes speaking truth, right conduct, honesty, peace, nonviolence, respect for elders, helping others, spirituality etc. Success with values makes it multifold and such a success always contribute to betterment of society & the Nation.
- ♦ ALLEN Pre-Nurture division believes that this is a right age group for transmitting values to child. This is done through:
- ♦ Daily Prayer in the classrooms
- ♦ Sessions & Seminars to guide them to discriminate between right & wrong.
- ♦ Celebrating Indian festivals.
- ♦ Celebrating National events to develop strong patriotic feelings among the students.

Pre-Nurture Workshops

Workshops are arranged to guide & prepare the students for national and international exams & various olympiads. These also broaden the mindset of students to face the competition in the global arena along with enhancing their knowledge & sharpening their skills in the respective subjects. Workshops for NTSE, Junior Science, Biology & Astronomy Olympiad are organised by ALLEN in different parts of the country where students from all over India participate.

Eligibility : Students Studying in CBSE / ICSE affiliated schools

Admission Mode : Through ASAT (See Page No. 20 For ASAT Details.)

Course Duration : Upto February / March 2017

Syllabus Covered : Science, Maths, English & SST (as per NCERT Syllabus) & Mental Ability.

Classes at : Classroom Center Code for Class VI, VII and VIII - Khargar (1101), Nerul (1102), Andheri (1103)

: Classroom Center Code for Class IX & X - Khargar (1101), Nerul (1102), Andheri (1103), Thane (1104)

How to Submit APPLICATION FORM

1. For course where **Admission is through ALLEN Scholarship cum Admission Test (ASAT)**
Send completely filled Application Form along with requisite enclosures to our Corporate Office (KOTA). **or** it can also be submitted in person at our Classroom Center Office.
To Generate and Print your ASAT Admit Card on time, your duly filled Application Form must reach us at least three days before the ASAT Date. Generate & print your ASAT Admit Card from our website and affix a recent passport size color photograph on it and bring the same at the opted Test Center.
Note :
 1. **Only one ASAT is applicable on one Application Form**
 2. Without Admit Card you will not be allowed to appear in ASAT.
 3. For admission in a Phase, student may appear in any one of the ASAT conducted before the date of Course Commencement.
2. For course where **Admission is Direct**
Send completely filled Application Form along with requisite enclosures to our Corporate Office (KOTA). **or** it can also be submitted in person at our Classroom Center Office.
For smooth completion of Admission Process, your duly filled Application Form must reach us before the commencement of course.

Fee Deposition Mode

1. **Through Net Banking / Debit Card / Credit Card (No Extra Charges)**
Fee can be deposited through Net Banking / Debit Card / Credit Card facility available at our website.
2. **Through Cash Deposition in Bank**
Fee in cash can also be deposited at any Branch of Central Bank of India / Axis Bank / HDFC Bank after downloading Fee Challan from our website. (Bank Charges Extra)
3. **Through RTGS / NEFT (in case of ASAT, this option is available after confirm selection in ASAT).**
Fee can be deposited by filling following details in RTGS form of any bank other than CENTRAL BANK OF INDIA.
 - (i) Beneficiary Account Number : 3322262369 (cash deposit is not allowed in this account)
 - (ii) Beneficiary Name : ALLEN **XXXXXXXX** (8 digits ALLEN Form Number is MUST, otherwise your Admission Process remains incomplete)
 - (iii) IFSC Code : CBIN0284525 Bank Name : Central Bank of India Branch Name : Rajeev Gandhi Nagar KOTA
4. **Through Demand Draft / CTS Cheque**
Fee can also be deposited through Single Crossed Demand Draft / CTS Cheque of the requisite amount at any of our classroom centers.
 - (i) Demand Draft / CTS Cheque should be in favour of "ALLEN CAREER INSTITUTE" from Nationalized Bank, payable at center office where form is being submitted.
 - (ii) Student must write his/her Name, Form Number, Mobile No. on the back side of Demand Draft / CTS Cheque.
 - (iii) Please ensure balance in account before depositing the Fee by Cheque. cutting & over writing is not allowed. CTS Cheque should be issued from the bank account of either student himself or his/her father / mother only (Third party cheque not allowed).
 - A. BY POST: Demand Draft / CTS Cheque can be sent through post / courier. Make sure that FEE must be received at our Corporate Office / Classroom Center office three days before the course commencement date.
 - B. BY HAND: To deposit Demand Draft / CTS Cheque by hand at our office, first the student has to collect a pre-printed fee challan from our any Center Office and fill it carefully before depositing.

Important Points to Remember

 - (i) **Fee Deposition Time: 11:00 AM to 07:00 PM.**
 - (ii) Fee in cash is not accepted at our office. Fee in cash can be deposited only at bank branch/counter.
 - (iii) In case of Cheque Return, Student will not be allowed in class with immediate effect & legal action will be taken under the Negotiable Instrument Act. (Demand Draft / CTS Cheque Return charge ₹500/-)
5. **Through Credit / Debit Card at office premises**
Fee can also be deposited at any Center office by swiping Credit Card / Debit Card. (No Extra Charges).

in Case of ASAT : **Fee can be deposited only after qualifying the Test for courses where ASAT (ALLEN Scholarship cum Admission Test) is applicable. Student may deposit their fee through any one of the above modes.**
