OUR VINCENT SHEPPARD "LOOM" FURNITURE IS MADE FROM KRAFT PAPER TWISTED AROUND A SPECIAL STEEL WIRE IN A unique and traditional process. From the beginning of the twentieth century, Loom furniture has been famous for its strength and durability. The comfort of our seating is unrivaled, and unlike wicker rattan, the woven fiber provides a beautifully smooth finish. It does not bend, distort or crack when used and if cared for properly, will show few signs of wear even after decades of constant use.

The diversity of interior models offers an extensive range of choice with both rattan and elegant beech wood frames. Many styles include drop-in, leather or down filled cushions to compliment your individual style. Our selection of traditional or contemporary colors and stains allows you to create exactly the right atmosphere for your living or working environment.
